# 3-in-1 Race & Learn™

© 2013 VTech  
Printed in China  
91-009638-004 (US)

Dear Parent,

At **VTech**<sup>®</sup>, we know how important the first day of school is for your child. To help prepare preschoolers for this important event, **VTech**<sup>®</sup> has developed the **Preschool Learning**<sup>™</sup> series of interactive toys.

**Preschool Learning**<sup>™</sup> features fun characters and inviting school themes that use technology to capture a child's attention and teach important preschool skills like spelling, counting and the alphabet. These vital skills are taught in a way that's both fun and highly engaging to maintain a child's interest. Children will also be introduced to fun school subjects such as art class, music class and even recess! With **Preschool Learning**<sup>™</sup>, learning is fun from day one!

At **VTech**<sup>®</sup>, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting **VTech**<sup>®</sup> with the important job of helping your child learn and grow!

Sincerely,

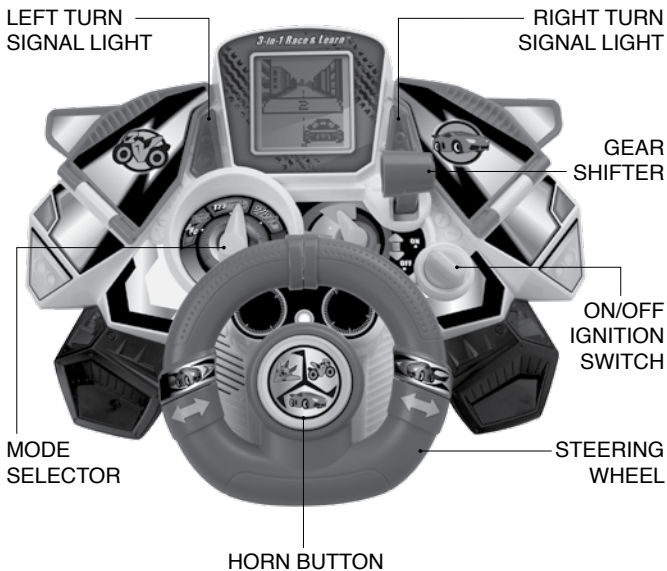

Your friends at **VTech**<sup>®</sup>

# INTRODUCTION

Thank you for purchasing the **VTech® 3-in-1 Race & Learn™!**

Exciting missions await with the **3-In-1 Race & Learn™!** Easily switch from car to motorcycle or jet and take off on a fun learning journey. Along the way, your child will learn letters, phonics, spelling, counting, shapes and more. Realistic sounds, lights, controls, and a special vibration effect create the feeling of a real driving experience!

## TRANSFORM THE STEERING WHEEL INTO 3 DIFFERENT STYLES.

To transform into **Car**, **Motorcycle**, or **Jet**.

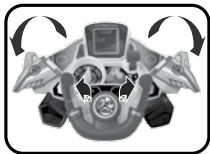

### 1. **Car Mode:**

Turn the left and right steering wheel handles toward the center until they click into place. Flip up the left and right wing section if they are currently in Jet Mode. (Note: When the steering wheel is placed in this position the game will automatically enter Car Mode.)

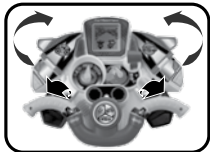

### 2. **Jet Mode:**

Turn the left and right steering wheel handles up until they click into place. Flip down the left and right wing sections. (Note: When the steering wheel is placed in this position the game will automatically enter Jet Mode.)

### 3. **Motorcycle Mode:**

Turn the left and right steering wheel handles outward until they click into place. Flip up the left and right wing section if they are currently in Jet Mode. (Note: When the steering wheel is placed in this position the game will automatically enter Motorcycle Mode.)

# INCLUDED IN THIS PACKAGE

- One VTech® 3-in-1 Race & Learn™
- One user's manual

## WARNING:

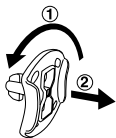

All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

## ATTENTION :

Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches et étiquettes. Ils ne font pas partie du jouet.

**NOTE:** Please keep instruction manual as it contains important information.

## Unlock the packaging locks:

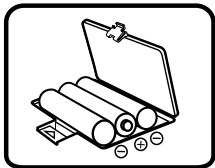

- ① Rotate the packaging locks 90 degrees counter-clockwise.
- ② Pull out the packaging lock.

# GETTING STARTED

## BATTERY INSTALLATION

1. Make sure the unit is **OFF**.
2. Locate the battery cover on the bottom of the unit. Install 3 new “AA” (AM-3/LR6) batteries into the compartment as illustrated. (The use of new, alkaline batteries is recommended for maximum performance.)
3. Replace the battery cover.

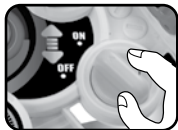

## BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

# PRODUCT FEATURES

## 1. ON/OFF IGNITION SWITCH

Turn the **ON/OFF IGNITION SWITCH** from **OFF** to **ON** to turn the unit on. Turn the **ON/OFF IGNITION SWITCH** from **ON** to **OFF** to turn the unit off.

## 2. MODE SELECTOR

Move the **MODE SELECTOR** to enter different activities.

## 3. GEAR SHIFTER

Move the **GEAR SHIFTER** to hear real racing sounds.

**NOTE:** Moving the **GEAR SHIFTER** forward will also help you to pass other vehicles.

## 4. HORN BUTTON

Press the **HORN BUTTON** to hear fun sounds.

## 5. STEERING WHEEL

Turn the **STEERING WHEEL** left or right to move the car, motorcycle or jet left or right.

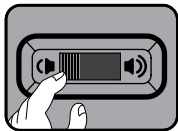

## 6. VIBRATION EFFECT

The unit will vibrate in response to different actions performed while driving or flying.

## 7. VOLUME SWITCH

Slide the **VOLUME SWITCH** on the back of the unit to adjust the volume. There are 3 volume levels available.

## 8. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® 3-in-1 Race & Learn™** will automatically turn off after several minutes without input. The unit can be turned on again by transforming the Steering Wheel, or pressing the Horn Button, Mode Selector, Gear Shifter or On/Off Ignition Switch.

# ACTIVITIES

## ALPHABET ACTION MODE

- **Car Mode**

Pass the letter checkpoints from A to Z as fast as you can while avoiding the obstacles in the road.

- **Jet Mode**

Collect the missing letters to complete words while avoiding obstacles in the sky.

- **Motorcycle Mode**

Listen for the instructions and drive through the capital or small letters while avoiding obstacles in the road.

## COUNT & CRUISE MODE

- **Car Mode**

Pass the number checkpoints from 1 to 20 as fast as you can while avoiding the obstacles in the road.

- **Jet Mode**

Collect the correct number of stars while avoiding obstacles in the sky.

- **Motorcycle Mode**

Collect the correct number of requested shapes as fast as you can while avoiding the obstacles in the road.

## RACING TIME MODE

- Test your skills in a racing mode against other cars, motorcycles, or jets. Watch out for obstacles along the way as you try to pass by your opponents and improve your rank. Your final rank will be shown at the end of each game.

# CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

# TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

## NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If

this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Caution:** changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.

THIS CLASS B DIGITAL APPARATUS COMPLIES WITH CANADIAN ICES-003.

CET APPAREIL NUMÉRIQUE DE LA CLASSE B EST CONFORME À LA NORME NMB-003 DU CANADA.
