

INSTALLATION INSTRUCTIONS

WF15RM

Wireless Home Automation Control Device
with an Interchangeable Face Cover
15A Tamper Resistant
Duplex Receptacle

◆ SPECIFICATIONS

Voltage.....	120VAC, 60Hz
Incandescent.....	1000W
Electronic Ballast.....	5A
Standard Ballast.....	1200VA
Resistive.....	1800W(15A)
Motor.....	1/2 HP
Operating Temperature.....	32°F~104°F(0°C~40°C)
Wire Strip Length.....	16mm(5/8 in.)
Supply Connection.....	12 AWG wires
Screw Torque.....	20 lbf-in
Protocol.....	IEEE 802.11b/g/n
Wireless Type.....	2.4GHz

◆ FEATURES

- Perfect replacement for regular receptacles, 120VAC, 15 Amp
- Manual and Remote ON/OFF control of any connected lighting and other electrical load
- Interchangeable color face plate
- Reduce energy consumption and enjoy Wireless Home Automation
- Enhance the value and technology of your condominiums and homes
- Indoor use only

◆ DESCRIPTION

The WF5RM (TR) duplex receptacle is the perfect wireless manual and remote on/off control replacement of any regular receptacles to control table and floor lamps, small appliances and more. This receptacle provides two outlets, one can be controlled by WIFI, that just need download the free Tuya Smart App on your smartphone then you can turn your devices on or off at any time or any where, and the other outlet provides constant power. Also, this receptacle meets the 2011 NEC code requirements.

◆ MEASURE THE ENERGY USAGE

The WF15RM (TR) duplex receptacle enables you to measure the energy usage of your appliance. When added to Tuya Smart App, it can display actual consumption (in W) and the accumulated power used (in kWh) in the Tuya Smart App.

WARNINGS AND CAUTIONS

Be sure to read the instruction carefully before installation, and the manufacturer will not be responsible for any product damage that does not follow the instruction

1. Wet hands are strictly prohibited.
2. Must work strictly according to the rated load.

FCC COMPLIANCE STATEMENT

Federal Communication Commission Interference Statement

The equipment has been tested and found to comply with the limits for a class B B Digital Device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment uses, generates and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communication. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1. This device may not cause interference, and 2. This device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

RF Exposure: A distance of 20 cm shall be maintained between the antenna and users, and the transmitter module may not be co-located with any other transmitter or antenna.

Non-modification Statement:

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

WARRANTY INFORMATION

Our company warranties its products to be free of defects in materials and workmanship for a period of two(2) years. There are no obligations or liabilities on the part of our company for consequential damages arising out of or in connection with the use or performance of this product or other indirect damages with respect to loss of property, revenue, or profit, or cost of remval, installation or reinstallation.
