below, we warrant to you that if you purchase a product directly from us, or from any of our authorised resellers, that it will not contain defects which are a result of faulty manufacturer workmanship or materials. This warranty subsists for 1 year from the date of purchase. Subject to any rights you have under the Australian Consumer Law, we will not be liable for defects which are a result of damage or loss caused by factors beyond our control, any product which has not been maintained according to any care or maintenance product which has not been maintained according to any care or maintenance instructions provided with the product, any alterations to a product which are not performed by us, or damage or defects caused to the product due to unusual or non-recommended use. We will not be liable for any special, indirect, consequential or economic loss or damage or loss of profits whatsoever suffered by you or any other person resulting from any act or omission by us

omission by us.
Our total liability in respect of this Warranty
against Defects is limited to the replacement of

Any claim made under this warranty must be

Any claim made under this warranty must be made by returning the defective goods to us, at your expense. Please provide details of the defect and evidence of purchase to support@wahoofitness.com.

This Warranty against Defects is provided in addition to other rights and remedies that you may have at law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, You are entitled to a replacement or refund for a major failure and for compensation for any reasonably foreseeable loss or damage. You are also entitled to have the loss or damage. You are also entitled to have the goods replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

-Consult the dealer or an experienced radio/TV

--Lonsult the dealer or an experienced radiof IV technician for help.

To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the users authority to operate this equipment. (Example- use only shielded interface cables when connecting to a computer or principleral devices.) computer or peripheral devices).

RF Exposure Warning
This equipment complies with FCC&IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

& your body.

Cet équipement est conforme aux limites d'exposition aux rayonnements IC établies pour un environnement non contr?lé. Cet équipement doit être installé et utilisé avec un minimum de 20 cm de distance entre la source de rayonnement et votre corps.
