1.0 INTRODUCTION

This User Guide is designed to guide you through the key functions and
features of your new Ultra Slim Laptop. Please read carefully to ensure an
optimal user experience and keep it handy for future reference.

NOTE:
To change from English language prompts to Spanish language prompts,
please go to "Control Panel," then to "Clock, Language and Region," and
then to "Language" to change from English to Spanish.

1.1 OVERVIEW

The new 11.6″ TEQNIO 2in1 Laptop(EL2IN1-1102T) from EPIK Learning™ features Windows 10, a standard resolution screen of 1920x1080 and boasts a 1.8GHz Intel Cherry Trail Quad Core Processor. With the Laptop you can access the web, news, local business information and the Windows Store, where you can download your favorite apps, games, movies and more! With the built-in Bluetooth function you can seamlessly pair your Laptop with any Bluetooth compatible devices. You can store all your important documents, pictures and movies with its 32 GB of memory. The storage capacity can also be expanded up to 128 GB using the Micro-Card Reader slot. The Epik Ultra Slim Laptop is your answer for a full-featured, all-in-one laptop.

NOTES

- The Epik Laptop is a high-density electronic product. DO NOT attempt to disassemble the device.
- Please do not drop or bang the device.
- Avoid using this product in the following environments: Extremely hot or cold places, high humidity, dusty areas, direct sunlight or long-term exposure to the sun.
- The product may be cleaned with a damp cotton cloth; the use of any chemical cleaning fluid is prohibited. Please keep the product away from water at all times.
- If you use headphones, DO NOT use them while crossing the street, riding a bicycle or driving a motorcycle.
- Please use approved battery, battery charger and accessories only. The use of any other type of products would be a breach of warranty and may be dangerous.
- If you have any questions regarding the use of this product, please contact your local dealer or contact the Epik Learning customer service center directly at support@epiklearning.com or call (888) 999-1244.
- Epik Learning will not be held responsible for any files lost due to product damage, repair or other causes. Please be sure to follow instructions in the User Guide and backup your files in a timely manner.

Introduction to Desktop

2.1 INTRODUCTION TO THE DESKTOP

You must log on to your Microsoft account before the start up application can run.

2.2 WINDOWS START MENU

Press the key on the keyboard or click the icon on the screen until you see the Start Menu. All applications/programs are displayed in the form of "magnets" listed on the screen. Click on any of the icons to open.

2.3 INTRODUCTION TO APP INTERFACE

If you want to pin more application programs on the Start interface, press and hold the application program for about one second, and release the magnet until the pop-up option appears and select "Pin to Start" to fix to the start screen, or just press and move to the start screen. (Screen 1).

(Screen 1)

(Screen 2)

Conversely, if you want to cancel or delete a certain application in the Start screen, press and hold the application program magnet for about one second and click ▣. You can also click ▣ to check more menu options, such as resizing the magnet you want. (Screen 2) Slide it to the left from the right side of the screen to start Action Center to check the laptop status: Rotation lock, Bluetooth, Brightness, etc.
