RATING

**SAFETY INSTRUCTIONS**  
**Read all instructions**  
 Only charge with devices rated and marked with 5V to avoid damage to the speaker. Do not open up the speaker, it voids the warranty and may damage the product. Rechargeable batteries have a limited number of charge cycles. Battery life and number of charge cycles varies by use and settings. Never place the speaker close to high temperature heat sources. To keep the warranty valid, never try to repair the product yourself.

**PARTS AND FUNCTIONS**
