PACKAGE CONTENTS

PART	DESCRIPTION	QUANTITY
A	Laser Light Projector With Holder	1
B	Ground Stake	1
C	Adapter	1
D	Remote	1

PRODUCT DESCRIPTION

PRODUCT SPECIFICATION
Laser Classification: Class IIIa
Laser Wavelength: Red 635 nm, green 532 nm
Power: UL & CUL Adapter 12V, 2A
Operation: Indoor/Outdoor
Operating Temperature: -15°F to 90°F (-26°C to 32°C)
Projection Coverage: 30 ft x 30 ft
Dimensions: 22.5 in x 5.75 in x 5.75 in
Cord Length: 3 ft
Warranty: One Year Limited

PRODUCT INSTRUCTIONS

1 Assemble the ground stake.

Push in and twist to assemble the ground stake.

2 Connect reverse-prevented adapter as figure shows.

3 Screw the stake to the holder to secure the projector.

1. Connect the power adapter to the laser light projector. The adapter input voltage is AC120V.
2. Press the button to switch mode/turn on
3. Press and hold the button to turn off.
4. Built-in timer function: 2h / 4h / 6h / 8h

REMOTE CONTROL

Remote Control Instructions

1. Remove insulating tape from the battery compartment before use. This remote is RF and receiving distance allowance is 8 meters.

2. is to turn on/off.

3. is show mode.

4. the buttons to change the color.
 the button to control the white laser.
 switching color mode.
 automatic color mode circulation

5. Mode Switchover: Steady, flash.

6. are buttons to control light moving mode. There are four mode options: STATIC, SLOW, FASTER and FASTEST.
 Motor Speed Down.
 Motor Speed Up.

7. Press the button , show light laser projector will flash thrice. Reset Timer Function: 2h 4h 6h 8h
 Press the button , show light laser projector will flash thrice and timer function is canceled.

Battery installation:

1. Slide battery cover off.
2. Insert a "CR2025" (3 volt) battery.

SAFETY INSTRUCTIONS

Safety Attention

1. Turn off 30 minutes after working 6 hours to last the lifetime of product.

2. This product is mainly used for outdoor with waterproof Ip65. It has excellent radiating ease. Put it far away from the flammable objects or liquids.

3. Please use show light laser projector power adapter to support the light. If you need to change a new adapter, please check the parameter of our adapter before you buy a new one.

CAUTION

1. Danger-laser radiation when open.
2. Avoid direct exposure to beam.
3. Avoid direct eye exposure.
4. Laser radiation-do not stare into beam or view directly with optical instruments.
5. The use of optical instruments with this product will increase eye hazard.
6. Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

IMPORTANT!

* Do not point the show light laser projector to the airplane or up in the sky.

FEDERAL COMMUNICATIONS COMMISSION (FCC) STATEMENT

FCC Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna. - Increase the separation between the equipment and receiver. - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. - Consult the dealer or an experienced radio/TV technician for help.

INDUSTRY CANADA CONFORMITY STATEMENT

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) This device may not cause interference, and
(2) This device must accept any interference, including interference that may cause undesired operation of the device.
