

Key Fob Remote INSTRUCTIONS:

AB70TX

Please pull out the insulating tape from the remote control, before starting to use it.

1. The first button is for the on/off power switch for the lights and the second button is for choosing different functions.
2. Connect the MP3 player (not included) to the pink connector and press  /Fn button. Select from the following lighting functions:

- Function 1: Music Dancing
- Function 2: Auto Combination
- Function 3: Warm White Steady-on, Multi Cascade
- Function 4: Warm White Steady-on, Multi Fade-in & Fade-out
- Function 5: Warm White Fade-in & Fade-out, Multi Steady-on
- Function 6: Steady-on
- Function 7: Warm White Steady-on
- Function 8: Multi Steady-on
- Function 9: Warm White Steady-on, Multi Twinkle
- Function 10: Warm White Twinkle, Multi Steady-on
- Function 11: Warm White Steady-on, Multi Random Twinkle
- Function 12: Fade-in & Fade-out

If the remote control does not work, check whether the battery of the remote control is out of power.

To replace the remote control battery:

1. Use phillip screwdriver to open the back cover of the remote control.
2. Replace with a new alkaline "A27S" (12 volt) battery (included) into the compartment.

WARNING: This is not a toy and is not intended for use by children.

- (A) Do not dispose of the battery in fire as the battery may leak and explode.
- (B) Do not mix old and new batteries and do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- (C) Exhausted batteries are to be removed from the product.
- (D) Use type "A27S" (12 volt) batteries.

Safe for indoor use.
