Certifications	:	FCC Class B, CE, BCIQ, UL
Data Format	:	Packed binary
Interface Type	:	USB
Dimensions	:	205.5 x 207.1 x 10.5 mm (L x W x H)
Weight	:	400 g
Operation Temp.	:	5° to 40^OC (32° to 132 ^{O}F)

Appendix B

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the instruction manual may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment causes harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

l Reorient the receiving antenna.
l Increase the separation between the equipment and receiver.
l Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Changes or modifications not expressly approved by the party responsible for compliance can void the user's authority to operate the equipment. This product is equipped with a shielded cable. Extension cable, if used, must be shielded in order to comply with the emission limits. Operation of this device is subject to the following conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Appendix C

Warranty and Trademarks

Limited Warranty

Wintime warrants that the enclosed Hardware Device will be free from defects in materials and workmanship under normal use and service for a period of one year from the date of purchase. Any support services provided by Wintime shall be substantially as described in applicable written materials provided to you by Wintime. Some states and jurisdictions do no allow limitations on duration of an implied warranty, so the above limitation may not apply to you. To the extent allowed by applicable law, implied warranties on the Hardware Device, if any, are limited to one years.

Should you have any questions concerning this Warranty, please contact your dealer or you may visit the Wintime web site at http://www.wintime.com.tw
