Warnings and Precautions

- **WARNING**: To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING**: Do not place the unit on top of any soft, porous, or sensitive surfaces to avoid damaging the surface. Use a protective barrier between the unit and surface to protect the surface.
- **WARNING** : Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.
- Note : This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.
- Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

FCC Warnings

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC NOTE:

This device complies with Part 15 of the FCC Rules. Operation is subject to the follow:(1) This device may not cause harmful interference, and (2) This device must accept any including interference that may cause undesired operation.

The manufacturer is not responsible for any radio or TV interference caused by uncouth. Such modifications could void the user's authority to operate the equipment.

Pairing a Bluetooth Device

1. Turn on the unit using the **On/Off** switch. The **Pairing Indicator** will flash blue quickly.
2. Press and hold the **Pair** button until a beep sounds.

   When pairing, remain within 3 feet of the unit.
3. Using the native controls on your Bluetooth device, select the "DS-1108" in your Bluetooth settings to pair.

   If your device requests a password, enter the default password " 0 0 0 0 ". Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices.
4. When successfully paired and connected, the **Pairing Indicator** will display a solid blue light and a beep will sound from the unit.

   After initial pairing, the unit will stay paired unless unpaired manually by the user.

Playing Audio Wirelessly

1. Follow the instructions for Pairing a Bluetooth Device.
2. Use the native controls on the connected Bluetooth device to select a track.
3. To play, pause or skip the selected track, use the native controls on the connected Bluetooth device or press the **Play/Pause** button on the unit.
4. Audio played through the connected Bluetooth device will now be heard through the speakers.
5. Press and hold the **Vol+/Vol-** buttons to adjust the volume.

Using the Line Input

1. Plug one end of a 3.5 mm audio input cable (not included) into the **Line Input** on the unit.
2. Plug the other end of the cable into the audio output/ headphone output on an MP3 Player or other audio source.
3. Turn on the unit using the **On/Off** switch.
4. Audio played through the connected device will now be heard through the speakers.

   Note: Any audio being played through a connected Bluetooth Device will cease once the 3.5mm Audio source is connected.
