IMPORTANT SAFETY AND PRODUCT INFORMATION

FCC COMPLIANCE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

INNOVATION, SCIENCE AND ECONOMIC DEVELOPMENT CANADA COMPLIANCE

This device complies with Industry Canada Licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device."

[Include French translation here](#)

This Class B digital apparatus complies with Canadian ICES-003.

BATTERY WARNINGS

CAUTION Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

- Do not remove or attempt to remove the non-user-replaceable battery.

This device contains a Lithium-ion battery. If the below guidelines are not followed, batteries may experience a shortened lifespan or may present a risk of damage to the device, fire, chemical burn, electrolyte leak, and/or injury.

- Do not leave the device exposed to a heat source or in a high-temperature location, such as in the sun in an unattended vehicle. To prevent the possibility of damage, remove the device from the vehicle or store it out of direct sunlight.
 - The ventilation should not be impeded by covering the ventilation openings with items such as newspaper, table-cloths, curtains etc.
 - No open flames such as lighted candles should be placed on the speaker
 - Do not disassemble, modify, remanufacture, puncture or damage the device or batteries.
 - Do not expose the device or batteries to fire, explosion, or other hazard.
 - Do not use a power cable that is not approved or supplied by WOW World of Watersports
 - Do not operate the device outside of the temperature ranges specified in the printed manual in the product packaging.
 - The AC/DC adaptor should not be obstructed and should be easily accessed during use.
 - Please allow a minimum distance of 5 cm around the speaker for sufficient ventilation.
 - Please use the speaker in moderate climates.
 - Contact your local waste disposal department to dispose of the device/batteries in accordance with applicable local laws and regulations. This product does not contain any user-serviceable parts. Repairs should only be made by an authorized WOW World of Watersports service center. Unauthorized repairs or modifications could result in permanent damage to the equipment, and void your warranty.
- WOW 1-YEAR LIMITED WARRANTY**

AC/DC ADAPTER WARNINGS

- Do not expose the AC/DC adapter to dripping or splashing liquids. No objects filled with liquids, such as vases, should be placed on the AC/DC adapter.
- To be completely disconnected from a power source the AC/DC adapter needs to be disconnected from the wall outlet.
- The AC/DC adapter should not be obstructed and should be easily accessed during use.
- Specifications and markings are located at the bottom of the speaker.

W A R R A N T Y P O L I C Y :

World of Watersports warrants, to the original purchaser only, that their high performance products, when used for normal recreational purposes, are free from defects in material and workmanship for a period of 1 year from the date of purchase. Any implied warranties are also limited in duration to the 1 year period from the original date of purchase. Our warranty excludes products for rental, for hire, and other uses not considered normal recreational purposes. World of Watersports will not be held liable for incidental or consequential damages.

You should contact the retail store that you purchased the item from for warranty replacements. If you have questions you may contact World of Watersports at customerservice@wowwatersports.com
