WorkCentre® 5225 Multifunction Printer

Productivity, flexibility
and simplicity

WorkCentre® 5225 Multifunction Printer

Fast copying and printing, advanced scanning and faxing, and the power to customize workflows. The modular and easy-to-manage WorkCentre 5225 multifunction printer is packed with high-end features to deliver a level of productivity above and beyond your typical office MFP.

Redefining workgroup productivity

Whether your workgroup needs exceptional copier performance or the added power of printing, scanning and faxing, the WorkCentre 5225 is all about productivity. A host of time-saving features boost your team's efficiency, and advanced workflow solutions streamline the tasks you perform every day.

Up to
25
ppm

- **Print and copy speeds up to 25 ppm and a scan speed of up to 55 ipm** keep up with your busy pace.
- **A robust copier** that can handle your workgroup's volumes, and offers convenient

features including ID card copy, which scans both sides of an ID card and prints them face-up on a single sheet of paper.

- **Powerful scanning tools** let you back up critical documents — converting them into digital files for easy sharing and archiving while reducing the amount of physical storage space required.
- **Introduce new workflows or automate repetitive processes** within the office environment by automatically routing documents to predefined locations at the touch of a button.

Simplicity in design

With fast deployment and easy support, your WorkCentre 5225 is ready to deliver the performance you need, when you need it. Helpful tools make it easy to maintain complete control — allowing you to keep costs to a minimum.

- **Cost control features** include an internal Auditron, which lets administrators set limits for print, copy, fax and scan functions by user.
- **Confidential data stays private** over your network thanks to features such as network authentication, print and scan encryption for safe data transfers, and image overwrite.
- **Xerox CentreWare Internet Services** simplifies installation and network administration, providing quick access to device status. Automatic email alerts notify administrators or users of events that require attention, such as low toner levels.
- **PC, Mac or Unix**, the WorkCentre 5225 excels in any environment.
- **MeterAssistant™** automatically collects and securely submits your device meter reads to increase billing accuracy, while **SuppliesAssistant™** proactively manages toner supplies and monitors usage to ensure you have the right supplies at the right time.

Powerful scanning solutions

- **Scan to Email** lets you route files to email recipients directly from the front panel.
- **Network scanning** uses convenient templates to send scans to pre-defined locations.
- **Scan to Mailbox** lets you send electronic files to the device's hard drive for easy retrieval.
- **Scan to Home** sends scanned images to a pre-assigned "home" destination, such as a user's desktop, for fast routing.
- **Job Flow Sheets** simplify everyday workflows by automatically routing documents to predefined locations, including preset email addresses, fax destinations, and FTP/SMB sites.
- **Full compatibility** with other Xerox office solutions, including SMARTsend® software for advanced document routing.

WorkCentre® 5225 Quick Facts

- Print and copy at up to 25 ppm
- Powerful scan and fax solutions
- Print up to 11 x 17 in. / A3
- Up to 1200 x 1200 dpi print resolution
- Max paper capacity: 5,100 sheets
- Best-in-class security — submitted for full-system Common Criteria (ISO 15408) certification
- Xerox Extensible Interface Platform (EIP)

25.2 x 25.7 x 43.8 in.
640 x 652 x 1,113 mm

WorkCentre 5225
with two-tray module

Imagine if your WorkCentre could adapt to fit the way you work, not the other way around. With Xerox Extensible Interface Platform (EIP), menus and languages specific to your business can appear on the touch screen. EIP enables applications that allow you to securely find, save, print and share information in a few easy steps, entirely at the MFP. Take advantage of applications from industry-leading software providers or, because EIP is based on web standards, it's easy for in-house developers to create custom solutions.

Paper input

- 1 75-sheet Duplex Automatic Document Feeder (DADF) quickly processes single- or double-sided originals.
- 2 100-sheet bypass tray for specialty media and custom sizes
- 3 Two standard 500-sheet trays are adjustable up to 11 x 17 in.
- 4 Choose a 1,000-sheet Two Tray module (adjustable up to 11 x 17 in.) or a 2,000 sheet letter-size Tandem Tray
- 5 A 2,000-sheet external High-Capacity Feeder can increase total capacity to 5,100 sheets.

Optional finishing

- 6 Space-saving Integrated Finisher for convenient single-position stapling (shown below).
- 7 Office Finisher LX adds multi-position stapling and optional booklet creation and hole punching.

Flexibility

Choose a powerful tabloid-size copier and add printing, scanning and faxing capabilities to optimize your workgroup's productivity. As your work volume increases, the WorkCentre 5225 is ready to expand to meet your business needs.

Comprehensive security

The tools you need to restrict access, track usage and protect confidential data. Security features include Secure Print, Secure Fax, print and scan encryption, Image Overwrite, IP filtering, built-in support for SNMPv3.0, and submission for Full System Common Criteria (ISO 15408) certification.
