## Trouble shooting

---

- **Can not power on:**

- Connect the power cable to charge to the device, after a while and then check again.
- If it still can not power on, please contact with our distributor or service centre.

- **Serious noise:**

- Check if the music file is damaged.
- If the music files are damaged, it may cause serious noise and jumping sound.

- **Can not download or copy:**

- Check if it is connecting correctly between the device and PC.
- Check the spare space of the memory.
- Check the USB cable.

- **USB connect is fail:**

- Make sure that the USB device is securely connected to the USB jack.
- Check if the USB device or a cable is damaged.
- If the USB device is connected via a USB hub, connect the USB device directly to the device.

- **Cannot connect the device to the wireless LAN router:**

- Check if the wireless LAN router is on.
- Depending on the surrounding environment, such as the wall material, radio wave receiving condition, or obstacles between the device and the wireless LAN router, the communication distance may be shortened. Move the device and the wireless LAN router closer to each other.
- Devices that use a 2.4GHz frequency band, such as a microwave, Bluetooth, or digital cordless device, may interrupt the communication. Move the device away from such devices, or turn off such devices.

**Product Specification**

OS	Google Android 4.0
CPU	3 Core 1.2GHz main chip(up to) + Super 3D GPU + 1080P media processor
System RAM	512MB DDRIII
Memory	4GB NAND Flash
LCD	7" 800*480 LED-backlit panel
Touch Panel	2 point Capacitive touch screen
WIFI	802.11 b/g/n
Camer(front)	0.3-megapixel
Ethernet LAN	Yes (by USB RJ45 dongle )
3G	Yes (by USB 3G USB dongle )
Gravity	3D gravity sensor
Music format	MP3,WMA,FLAC,AAC,OGG,WAV,APE
Video format	VP8,RMVB,RM,MOV,MPG,MP4,AVI,3GP,DAT, FLV,MKV,...etc.
Picture format	JPEG, BMP, GIF,PNG

Specifications are for reference, to prevail in kind

## FCC STATEMENT :

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

### NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.
