MUTATES FROM ROBOT TO RACE CAR IN SECONDS!

TRANS-ROBOT

Double your fun with the TRANS-ROBOT. Watch as this wireless wonder transforms from a menacing robot to a sleek race car right before your eyes! TRANS-ROBOT delivers stunt and racing action unlike any other radio control vehicle. TRANS-ROBOT features super-grip knobby tires for all-terrain racing, and can be driven in either robot OR race car mode. Available in 2 frequencies, you can go head-to-head with family and friends for challenging stunts and robotic races! Not recommended for carpet play. For best results, operate car on hard surfaces.

Fcc statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

THE MANUFACTURER IS NOT RESPONSIBLE FOR ANY RADIO OR TV INTERFERENCE CAUSED BY UNAUTHORIZED MODIFICATIONS TO THIS EQUIPMENT. SUCH MODIFICATIONS COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.
