**YORK[®] LX SERIES
SPLIT SYSTEM
AIR CONDITIONERS**

13-14 SEER/1.5-5 TONS

QUALITY COMES HOME

Since 1874, we've provided air quality solutions for some of the most complex structures in the world. Today, we take pride in knowing YORK® home comfort systems are keeping our friends and neighbors comfortable in homes across the country. And since YORK® air conditioners are designed and built in North America by Johnson Controls – a leader in world-class manufacturing – you can be confident a YORK® air conditioning system will provide your family with comfort, energy savings and lasting performance for years to come.

YORK® LX SERIES SPLIT SYSTEM AIR CONDITIONERS

- 1 Reliable operation with robust compressor** technology proven in our extreme, 5-year accelerated test facility.
- 2 Save up to 29 cents per dollar** versus an older, 10 SEER unit compared to our more efficient, 14 SEER products.
- 3 Long-lasting, powder coat paint** provides a durable, automotive-quality finish that looks great, even after years of outdoor exposure.
- 4 Durable steel coil guards** provide protection against coil damage.
- 5 Quiet, direct-drive fan design** minimizes vibration and noise.
- 6 Efficient heat transfer** with optimized coils for effective airflow and refrigerant circulation.
- 7 Compact cabinet** puts advanced performance in less space.

TRUST IS BUILT-IN.

Tested to be tough

More than 125,000 hours of system research, 5 years of accelerated field testing and extreme weather testing from +140°F to -10°F ensure reliable performance that lasts.

Advanced manufacturing

State-of-the-art quality control and assembly processes built upon the manufacturing expertise of Johnson Controls.

Optimized efficiency

Matched components do more with less, which is why YORK® products fit perfectly in your home while delivering advanced levels of efficiency.

Space and budget friendly

Quiet, small-footprint cabinets deliver big performance with features that meet your needs and fit your budget.

Safe for the environment, inside and out

We use R-410A refrigerant, which doesn't harm the ozone and keeps your system safe and efficient.

Independent endorsements

YORK® products are regular recipients of *Consumers' Digest* "Best Buy" Rankings and the *Good Housekeeping* Seal of Approval.

QUALITY IS SOMETHING WE TAKE PERSONALLY

We design and build YORK® products here in North America, where we can closely monitor and improve processes that directly affect quality. It's this commitment to excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy-saving comfort that lasts a lifetime. That's why, when it comes to your home comfort, your confidence is our commitment.

LX Series Split System Air Conditioners

* 10-Years parts limited warranty requires online registration within 90 days of installation. Otherwise, the warranty reverts to the standard 5-Years parts limited warranty.
