

Welcome

Congratulations on purchasing your ZAGG Pro Keyboard. The following will show you how to get started. Keep this quick start guide for future reference. For a full instruction manual, please visit zagg.to/instructions.

Getting Started

Your ZAGG Pro Keyboard is ready to go, right out of the box. Just pair it with your device(s). This keyboard can be paired with up to three devices.

Powering On/Off

Press the Power button to turn your keyboard on. A green LED will light briefly. To turn your keyboard off, press and hold the Power button for three seconds.

Pairing the Keyboard with Your Device

1. Remove the key from its package.
2. Verify your device's Bluetooth® settings are on. Press and hold the Bluetooth 1 key on the keyboard for three seconds. A light will flash until the pairing is complete. On your device, look at the list of available devices for pairing and select "ZAGG Keyboard".
3. To pair a second device, press and hold the Bluetooth 2 key for three seconds and follow the same procedure.
4. To pair a third device, press and hold the Bluetooth 3 key for three seconds and follow the same procedure.

Wireless or Wired Charging

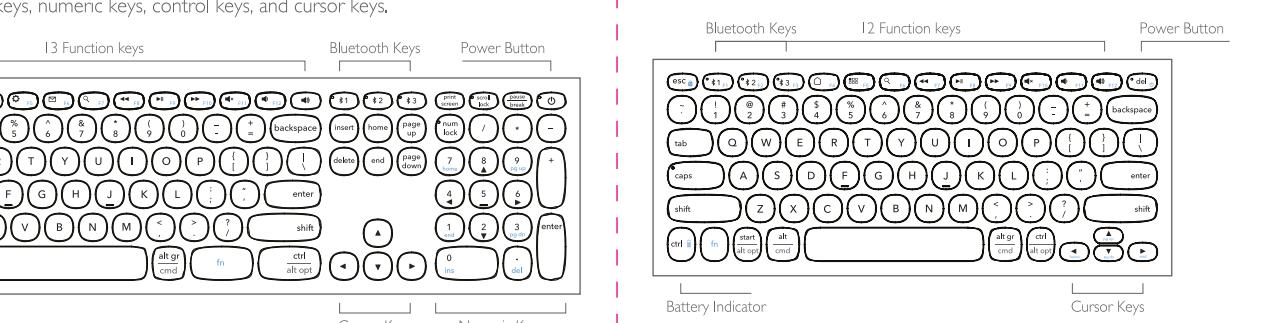

Your ZAGG Pro Keyboard can be charged wirelessly by placing it on a Qi-wireless charging pad. You can also charge your ZAGG Pro Keyboard using the included Type-C charging cord.

Trouble Shooting

If your device doesn't respond to Pro Keyboard, there may be a simple explanation. Try the following steps:

1. Restart your device.

1. Retirez le clavier de son emballage.

2. Confirmez que les paramètres Bluetooth® de votre appareil sont activés. Appuyez sur la touche Bluetooth 1 du clavier et maintenez-la enfoncée pendant trois secondes. Un voyant clignotera jusqu'à ce que le jumelage soit terminé. Sur votre appareil, regardez la liste des appareils disponibles pour le jumelage et sélectionnez « Clavier ZAGG ». Si l'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF, il peut être utilisé sans restriction dans des conditions d'exposition portables.

3. Pour un deuxième appareil, maintenez le bouton Bluetooth 2 enfoncé pendant trois secondes, et répétez la même procédure.

4. Pour un troisième appareil, maintenez le bouton Bluetooth 3 enfoncé pendant trois secondes, et répétez la même procédure.

5. Si votre clavier ne fonctionne toujours pas correctement, contactez le service à la clientèle de ZAGG.

Si vous avez toujours des problèmes avec votre clavier, veuillez contacter le service à la clientèle de ZAGG.

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

If your keyboard does not establish or maintain a Bluetooth connection, reset the Bluetooth module by charging your keyboard.

5. If, after charging, your keyboard doesn't operate correctly, please contact ZAGG Customer Service.

If you still experience problems, please contact ZAGG Customer Service.
