Regulatory and Safety Information

To the Owner

- Operating your device may interfere with medical devices such as hearing aids and pacemakers. Please always keep them more than 8 inches (20 cm) away from such medical devices when they are powered on. Stop using your device if necessary. Consult a physician or the manufacturer of the medical device before using your device.
- Be aware of the usage limitation when using your device at places such as oil warehouses or chemical factories, where there are explosive gases or explosive products being processed. Stop using your device if required.
- The use of electronic transmitting devices is forbidden in aircrafts, at gas stations, and in hospitals. Please observe and obey all warning signs and stop using your device in these conditions.
- Store your device out of the reach of little children. Your device may cause injury if used as a toy.
- Do not touch the metallic parts of your device. Otherwise, it will affect your device's performance.

Using Your Device

- Please use original accessories or accessories that are authorized. Using any unauthorized accessories may affect your device's performance and violate related national regulations about telecom terminals.

- Avoid using your device near or inside metallic structures or establishments that can emit electromagnetic waves. Otherwise, it may influence signal reception.
- Your device is not waterproof. Please keep it dry and store it in a shady and cool place.
- Do not use your device immediately after a sudden temperature change, which will produce dew inside and outside your device. Do not use the device until it becomes dry.
- Handle your device carefully. Do not drop, bend, or strike it. Otherwise, your device will be damaged.
- Do not allow non-professionals to dismantle the device. Only qualified technicians can undertake repair work.
- An operating temperature range of -4°F ~ 158°F (-20°C ~ +70°C) and humidity range of 5% ~ 95% are recommended.

Radio Frequency (RF) Energy

This device meets the government's requirements for exposure to radio waves.

This device is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission of the U.S. Government:

FOR MOBILE DEVICE USAGE (>20 cm/low power)

Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment

should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

FCC ID: SRQ-VM6200

FCC Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Note: The country code selection is for non-U.S. models only and is not available to all U.S. models. Per FCC regulation, all Wi-Fi® products marketed in the U.S. must be fixed to U.S. operation channels only.

Warranty

Limited Warranty

This warranty does not apply to defects or errors in the Product caused by:

- Reasonable abrasion.
- End User's failure to follow ZTE's installation, operation, or maintenance instructions or procedures.
- End User's mishandling, misuse, negligence, or improper installation, disassembly, storage, servicing, or operation of the Product.
- Modifications or repairs not made by ZTE or a ZTE-certified individual.
- Power failures, surges, fire, flood, accidents, actions of third parties, or other events outside ZTE's reasonable control.

- Usage of third-party products, or usage in conjunction with third-party products, provided that such defects are due to the combined usage.
- Any other cause beyond the range of normal usage intended for the Product.

End User shall have no right to reject or return the Product, or receive a refund for the Product from ZTE, under the above-mentioned situations.

This warranty is End User's sole remedy and ZTE's sole liability for defective or nonconforming items, and is in lieu of all other warranties, expressed, implied or statutory, including but not limited to the implied warranties of merchantability and fitness for a particular purpose, unless otherwise required under the mandatory provisions of the law.

Limitation of Liability

ZTE shall not be liable for any loss of profits or indirect, special, incidental or consequential damages resulting from or arising out of or in connection with use of this product, whether or not ZTE had been advised, knew or should have known of the possibility of such damages, including, but not limited to lost profits, interruption of business, cost of capital, cost of substitute facilities or product, or any downtime cost.
