Or access the full user guide on your device by going to:

 >  > **Boost Zone > My Device > User Manual**

# Get Your Device Ready

## Set Up Your Device

You must first install and charge the battery to begin setting up your device.

1. Remove the back cover.
2. Insert the battery by aligning the metal contacts on the battery with the metal contacts in the battery compartment. Gently push down on the battery until it clicks into place.
3. Press the cover gently back into place until you hear a click.
4. Connect the adapter to the charger jack. Ensure that the adapter is inserted with the correct orientation. Do not force the connector into the charger jack.
5. Connect the charger to a standard AC wall outlet.
6. Disconnect the charger when the battery is fully charged.

①

②

③

6. Touch  to send the email.

# Wi-Fi

Turning on your smartphone's Wi-Fi connection is a great way to make the most of your wireless data experience – it's faster and it puts less strain on your battery. With Wi-Fi on, you can discover and connect to wireless networks and talk while you surf the Internet. Remember, battery savings depend on network configuration, usage patterns and many other factors.

## Turn Wi-Fi On

1. Touch  >  > **Settings** > **Wi-Fi**.
2. Slide the Wi-Fi switch to the **ON** position to turn Wi-Fi on.

## Connect To A Wi-Fi Network

1. Touch  >  > **Settings** > **Wi-Fi**.
2. Slide the Wi-Fi switch to the **ON** position to turn Wi-Fi on. The phone will scan for available wireless networks.
3. Touch a Wi-Fi network to connect. If you select an open network, you will be automatically connected to the network. If you select a secured network, enter the password, and then touch Connect.

# Bluetooth

## Connect a Bluetooth Headset

1. Touch  >  > **Settings > Bluetooth.**
2. If Bluetooth is not switched on, slide the switch to the **ON** position.
3. Make sure that the headset is discoverable, so that your phone can find the headset. Refer to the instructions that came with the headset to find out how to set it to discoverable mode.
4. Touch **SEARCH FOR DEVICES.** Your phone will start to scan for Bluetooth devices within range.
5. When you see the name of your headset displayed in the AVAILABLE DEVICES section, touch the name. Your phone then automatically tries to pair with the headset.
6. If automatic pairing fails, enter the passcode supplied with your headset.

## Turn Bluetooth On or Off

1. Touch  >  > **Settings > Bluetooth.**
2. Slide the Bluetooth switch to the **ON** position to turn Bluetooth on.
3. Slide the Bluetooth switch to the **OFF** position to turn Bluetooth off.

# Google™ Account

You will need a Google™ account to access several device features such as Gmail™, Google Talk™, and the Google Play™ Store applications. Before you are able to access Google applications, you must enter your account information. These applications sync between your device and your online Google account.

## Creating a Google Account

1. Touch  >  > **Settings** and touch **Add account** in the ACCOUNTS section.
2. Touch **Google**.
3. Touch **New**.
4. Provide the required information and follow the system prompts to complete the process.

## Signing Into Your Google Account

1. Create a Google account either online or from your phone first.
2. Touch  >  > **Settings** and touch **Add account** in the ACCOUNTS section.
3. Touch **Google**.
4. Touch **Existing**.
5. Provide your username and password. System will automatically sign into your Google account.

# Google Play™

## Find and Install an Application

1. Touch  >  > **Play Store**.
2. When you open the Google Play Store app for the first time, the Terms of Service window will appear. Touch **Accept** to continue.
3. Browse or search to find the preferred app.
4. Touch an app to read a description about the app and user reviews.
5. Touch **Install** (for free applications) or the price field (for paid applications).
6. The subsequent screen notifies you whether the app will require access to your personal information or access to certain functions or settings of your phone. If you agree to the conditions, touch **Accept & download** or **Accept & buy** to accept permissions for the app. Your app will start downloading immediately or once payment is successfully authorized.
7. When the downloading is completed, you will be able to install the app.

# Download Mobile ID

Mobile ID delivers the very best applications for your phone, handpicked by Boost, in one easy-to-use Boost ID pack – Facebook®, YouTube™, GPS and more. Mobile ID is free to download and install.

1. Touch  >  > **Mobile ID** > **Get New ID Packs**.
2. Touch on **Boost ID**.
3. Touch **Install** and agree to the Terms & Conditions.
4. Once your pack has completed downloading, it will automatically install and appear as your current Mobile ID.
5. You can switch between Mobile ID packs installed on your phone by clicking on **ID** at the bottom of the main screen.

**Tip:** Before you install Mobile ID, make sure your device is activated, your battery is fully charged, and you are in a network coverage area.
