Data Capture

CARD INSTALLATION

### MicroSD Card Installation (Optional)

1. Remove the handstrap.
2. Lift the access door.
3. Insert the microSD card into the card holder. Push the card all the way into the card holder.
NOTE :
Proper position of the microSD card — the card connector (i.e., gold contacts) should be facing down.
4. Replace the access door. Ensure that it is properly seated.

BATTERY INSTALLATION

1. Remove the handstrap.
2. Insert the bottom of the battery into the battery compartment.
3. Rotate the battery down into the battery compartment and press the battery down until it snaps into position.
4. Re-attach the handstrap.

BATTERY REMOVAL

1. Unlatch the handstrap.
2. Press the Power button until the menu appears.
3. Touch **Power Off**.
4. Press the battery latches in and lift the battery from the TC70.

MN000746A01 Rev. A — April 2014
