

Introduction

Congratulations on your purchase of a high-quality ZIPPY product. Your BT7730 Bluetooth® Keyboard represents the state of the art in wireless Bluetooth Keyboard design and is designed for reliable and trouble-free performance.

Safety

Before getting started, read these instructions and save them for future reference.

- Do not drop or hit your Keyboard.
- Do not use your Keyboard in a location that is subject to strong vibrations because vibration may damage your Keyboard.
- Do not disassemble or modify the product in any way. Disassembly or modification may void your warranty and could damage your Keyboard leading to a fire or electric shock.
- Do not use or store your Keyboard in damp locations. Liquid entering the product may cause damage or lead to fires or electric shock.
- Do not insert metal objects, such as coins or paper clips, into your Keyboard.
- Your Keyboard is for general computer use. Do not use your Keyboard with a computer that requires exceptional reliability, especially if a breakdown or malfunction of might jeopardize life or health, such as aerospace equipment, atomic power control systems, traffic-related equipment, transportation equipment, industrial robotics, combustion equipment, safety devices, and life-support systems.
- Batteries may explode or leak if they are improperly recharged, inserted, disposed of in fire, or mixed with used batteries or different battery types. There is a risk of explosion if a battery is replaced incorrectly.
- Dispose of used batteries according to local regulations.
- Keep the battery compartment cover and the batteries out of the reach of small children.

Features

- Bluetooth® 2.0 interface (compliant with Bluetooth 1.0)
- Stylish, real brushed aluminum upper case.
- Patented Scissor-Key Structure, positive response and super quiet.

Keyboard components

	Component
1.	Top Cover
2.	Key Module
3.	LED

System requirements

Your computer must meet these requirements:

- Microsoft Windows® 2000, Windows® XP, or Windows Vista® operating system or Mac OSx 10.3 or higher operating system
- Bluetooth-enabled computer
- Existing keyboard for setup

Using your keyboard

- **Installing the batteries**

To install the batteries:

1. Pry the battery cover open.

2. Insert two AA batteries into the battery. Make sure that the + and – symbols on the batteries match the + and – symbols in the battery.

3. Replace the battery cover

Installing your keyboard

- **To install your keyboard:**

1. Turn on your computer and make sure that your Bluetooth device is set to search mode.
2. Slide your keyboard power switch to the ON position. The switch is located on the bottom of your keyboard back side.

3. Press and hold the pairing button on the bottom of your keyboard until the LED indicator flashes green.

4. Your system will find the “ZIPPY BT Keyboard” device on your Bluetooth dongle.
5. Double click the “ZIPPY BT Keyboard” device icon, the system will show link message and ask you to enter password. (This procedure may differ by your Bluetooth software and system, please read your Bluetooth software or system instruction.)

Troubleshooting

- Make sure that you have paired your keyboard with your computer. For more information, see “Installing your keyboard” on page 4.
- Make sure that your operating system is compatible with your keyboard. For more information, see “System requirements” on page 3.
- Make sure that the + and – symbols on the batteries match the + and – symbols in the battery compartment.
- If the LED indicator is red, battery power is low. Change the batteries.

Specifications

Dimension: Keyboard: 465.0 (L)*160.2 (W)*18.0 (H) mm
Keys No: Keyboard: 108 Keys/US&EU versions
Weight: Keyboard: 578.0 ±25g(w/o battery)
Key Pitch: 19.0 mm
Interface: Bluetooth
Keyboard Hotkeys: Volume down, Volume up, Mute 3 button for PC type Volume down, Volume up, , Mute , Eject 4 button for MAC
Compatibility: Windows 2000, Windows XP, Windows Vista, or Mac OS 10.3.X or higher
Operating Temperature: 32°F ~ 40°F (0°C ~ 40°C)
Operating Humidity: 85% RH or less
Storage Temperature: 5°F ~ 140°F (-15°C ~ 60°C)
Storage Humidity: 85% RH or less

Legal notices

FCC Part 15

This device complies with Part 15 of the FCC Rules. Operation of this product is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment has been tested and found to comply within the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

FCC warning

Changes or modifications not expressly approved by the party responsible for compliance with the FCC Rules could void the user's authority to operate this equipment.

Fcc rf radiation exposure statement:

1. This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
