Best Selling Roll-Up  
Tonneau Covers  
in North America

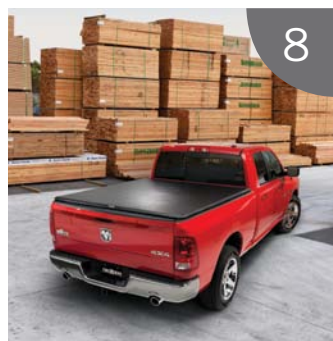

4

Since the introduction of the Original TruXedo in 2000, TruXedo, Inc. has led the industry with new and innovative tonneau cover concepts that emphasize style, quality, durability and functionality. The TruXedo staff shares your passion for automotive customization as we continue to expand and diversify our product line to meet your needs.

6

This year, TruXedo expands into other segments of the truck accessory market with the introduction of the new TonneauMate and B-Light. The TonneauMate is the most versatile toolbox in the industry and a perfect mate for your tonneau cover! The universal design of the TonneauMate fits most full-size trucks, with or without a tonneau cover. The TonneauMate is elevated off the truck bed floor to allow full use of the entire bed length. It also has a unique adjustable mounting system which allows you to position the toolbox anywhere in your bed from front to back.

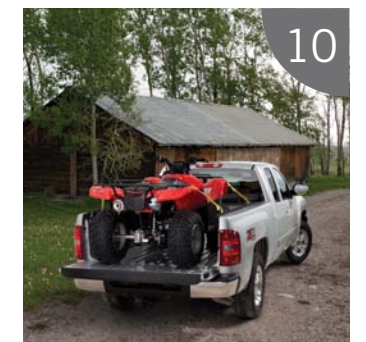

8

The B-Light is a great accessory for any truck with a tonneau cover or truck cap. This easy to install lighting system will illuminate the entire truck bed with a simple switch. It uses high intensity LED technology that is protected from vibration and the elements.

TruXedo, Inc. is committed to being America's Best Selling Truck Accessories Brand through continuing to service our customers by offering the highest quality engineered products, short lead times, world-class customer service and the best warranties in the industry. As a valued customer, your satisfaction is our goal!

Sincerely,  
The TruXedo Family
