

Greetings!

Serving Him Together

Greetings from the Jeremiah Project!

We are so excited that you are bringing your amazing middle school students to JP this summer. We pray this will be a life-changing experience for them. We are also grateful that you have invested so much on your part to get them to JP this summer. As a former youth pastor, I know what goes into pulling off a week-long mission trip. So, thank you for all you do!

This preparation manual is designed to assist you in preparing your students and adult leaders for their week of service. It's packed with good

information that will answer lots of questions and help you as you move toward your week of service with us.

If you have any questions, please feel free to call or email us and we will do everything we can to help you get ready for JP!

Blessings,

History

Three youth ministers from the Virginia Conference of the United Methodist Church founded the Jeremiah Project in 1997. Todd Freneau, the Rev. Abi Foerster, and Barbara Russell all felt there was a tremendous need for a mission trip experience designed specifically for middle school students. Selecting Jeremiah 1:7 as their foundational scripture, the Jeremiah Project was born.

But the Lord said to me, "Do not say, 'I am only a youth', because everywhere I send you, you shall go, and all that I command you, you shall speak." - Jeremiah 1:7 (NAS)

The first Jeremiah Project work camp, based in Winchester, Virginia, was held in the summer of 1998 with nine churches participating over a period of two weeks. As we prepared for our second summer of mission work in 1999, we were overwhelmed with the response from churches wanting to bring their middle school students. Work camps filled in January for the summer of 1999! In the summer of 2000 and 2001, the Jeremiah Project operated three mission weeks. JP expanded to four weeks in 2002 and opened a second ministry site in West Virginia in 2003. In 2013, we expanded to offer a week of inner-city mission opportunity in Richmond, VA as well. We are thankful for all the opportunities God has given us to minister with students and families in need since 1998!

What You Can Expect from Jeremiah Project Staff

Your JP staff wants to help make this a great mission trip experience for you and your students and adults. The staff will do their very best to keep you informed on all issues, provide support on the work sites, be available as much as possible, be encouragers, laugh and play together, and be Christian examples in word and deed. The Staff consists of the Camp Director, Assistant Camp Director, Program Director, Worship Leader, Tool Site Coordinator, a Media Lead, a Recreation Lead, and two – three J. Staffers.

What we expect from Adult Leaders

We're excited that you will be serving as an adult leader with your church this summer! We want to help make this a great experience for you and we want you to be as prepared as possible for your role as an adult leader during the mission week. It will be an enjoyable experience for you and your team!

Participate

Adults are expected to participate in all of the camp activities because they, like the youth and staff, are part of the community. We are committed to working, playing, and worshipping together, with the hope for all of us to see the power of a Christian community in our lives.

Support your JP Staff

Another important element is to support and be in partnership with the Jeremiah Project staff. Help the staff by enforcing the guidelines for appropriate behavior, participation, etc. The camp staff will look to the adults as positive role models for their youth. Maintaining a positive outlook on the camp experience is one way that adults can teach a valuable lesson in maturity.

Empower the Youth

Adults need to “empower” students, not “overpower” them. Take the time to teach students and allow them to accomplish a task, even if it takes longer than necessary.

Be Responsible for your Students

The staff needs you to handle any situations that require disciplining your youth, should it be necessary. We also ask that you be responsible for getting your youth to sleep at night, and to see to it they are out of bed and ready for the first activity of the day. Please ensure that they are present and on time for all events.

Frequently Asked Questions

If you cannot find your question here please contact Kristie McCallum at Kristie@jeremiahproject.org

Q: I have a student who wants to arrive late (Monday, Tuesday, etc.) or I have a student who wants to leave early. Is that okay?

A: No. JP's policy requires that all participants arrive on Sunday between 2:00-3:30pm and depart no earlier than Saturday at 10:00am. Why? Participants that arrive late or leave early have a significant negative impact on their work team and the community as a whole. Because of this and many other reasons, we insist that all participants arrive and depart with their church mission team. The exception to this policy is a death in the family or a participant or family member that becomes ill.

Q: When do we arrive to camp?

A: Plan your travel to arrive at camp between 2:00 pm and 3:30 pm on Sunday afternoon. It is important that all groups arrive on time since activities cannot begin until everyone is in camp. If there is some emergency that will delay your arrival, please call Kristie McCallum, Project Assistant, at 540-239-2863 to let us know.

Q: As an Adult , what must I attend while at camp?

A: We expect all adults to participate in *every aspect* of the mission experience. Because of how middle school students are wired, the daily schedule is very structured and does not allow for a great deal of "free time" for students and, consequently, adults. JP works hard at building and maintaining a community throughout the week. You are part of that community. We know that living in community is hard for many people, but we ask that you work toward that goal and let us know how we can help make that work for you.

Q: Will our kids be together on the same work team?

A: No. A typical work team is made up of 5 students and 1 or 2 adults – all from different churches. Occasionally, there will be two students from the same church on a work team. Any special situations that require a student to be with a specific adult should be communicated along with your student roster (due 2 weeks before camp).

Q: Will our kids be sleeping in the same cabin or room together?

A: Well, they are in the same cabin together but we can't guarantee that they'll be *sleeping!* There's a good chance that you'll also have another church group in your cabin, bunkhouse, or room.

Q: What is the Jeremiah Project's child protection policy?

A: The protection of our students is vital to our ministry. All staff members are screened via a background check and all churches are required to screen each adult volunteer. Your church submitted a signed copy of our CPP policy when registering for camp.

Q: Can I have my cell phone with me at all times?

A: You are welcome to have your cell phone, but we ask that you do NOT have it out during worship or devotional times (yes this happens!). Students are not allowed to have cell phones on their persons during the camp week except on free day.

- Poisonous plant lotion (Calamine)
- Chemical ice packs
- Small flashlight
- Quarters for emergency calling and/or calling card
- First Aid Manual

Transportation Requirements

Your vehicles must be large enough to seat belt a 7 member team as well as carry several tools, a large chest cooler, and a water cooler to a worksite. A “team” includes both student and adult participants. It is imperative that you follow our guidelines set forth below. You will be asked to submit your transportation details 2 weeks prior to your work camp week.

- **For teams bringing up to 7 participants:** You must bring one van that can safely transport at least 7 people.
- **For teams bringing 8-14 participants:** You must bring 2 vans that can safely transport at least 7 people each.
- **For teams bringing 15-16 participants:** You must bring 3 vans that can safely transport at least 7 people each.
- **For teams of 25:** You must bring a minimum of one van (7-passenger or greater) for every 7 participants.

Churches are responsible for all vehicle expenses, including gas. Drivers must be 25 or older. **DO NOT bring cars, pick-up trucks, or any other vehicle that is not suitable for the intended uses as listed above.** Our work teams are designed and built around the expected number of vehicles from each church group. Failure to bring the correct number of safe vehicles could affect the entire camp week; including how many worksites we are able to visit and the size of our work teams.

Reminder: Each Church attending JP must bring a first aid kit for each vehicle. The kit should contain as many of the following items as listed under “First Aid Kit Contents”

Camp Guidelines

Including Dress Code

- **Cell Phones & Electronic Entertainment:** Students may bring cell phones to JP but are not allowed to have them on their person except on FREE Day. Ipods, mp3 players, or any other electronic entertainment devices are prohibited in camp. Church leaders are expected to enforce this policy within their own church groups.
- **Tobacco:** Tobacco products of any kind are not allowed and may not be used by any camp participant – student or adult – during the camp week.
- **Tetanus Shots:** All participants must have had a tetanus shot within the last 10 years.
- **Medications:** Church group leaders will be responsible for ensuring that members of their groups receive any medications on time.
- **Swimming:** Swimming in the fishing lakes is not allowed.
- **Pets:** Pets are not allowed in camp.
- **Conduct:** The use or possession of, intoxicating beverages, illicit drugs, firearms, or fireworks is forbidden! If someone in violation of this guideline, he/she will be sent home at his/her own expense.
- **Camp Facilities:** Please keep in mind that our use of camp facilities may be terminated for failure to obey their rules and regulations. Please help us be courteous guests and good stewards of the facilities we are staying at!

Dress Code:

- **At the Work Site:** All participants are required to wear long pants at the work sites. Pants must be made of jean material or similar to provide appropriate protection. Sweatpants, or similar, are not acceptable. No torn clothing. Shirts must have sleeves. These requirements exist for safety and out of respect for the families we will be working for, fellow participants, and to maintain a good image throughout the community we are working in.
- **At Camp:** No “spaghetti straps” will be allowed. Tank tops or muscle shirts may not be allowed if the staff deems them inappropriate. Shirts must cover the midriff. Shorts at camp are OK but must be an acceptable length. Pants and shorts should not sag to the point of displaying underwear. Staff will work with adult church leaders prior to addressing the issue with campers directly.
- **Other Clothing Requirements:** Please do not bring clothing that bears an alcohol ad, cigarette ad or logo, or questionable wording or graphics.

What to Bring: Individual List

Each person attending the Jeremiah Project should bring the following items. Please note that there are no laundry facilities at camp. Please bring enough clothing for the entire week.

- Required medications: Please advise your group leader of dosage amount and timing.
- Sleeping bag or sheets and a blanket/pillow & pillow case
- Towels and washcloth
