

Northdale Horticulture Vegetable Plant List

Plant Ordering Instructions

Thank you so much for enquiring about the purchase of plants from Northdale Horticulture. Your support is greatly appreciated.

Deliveries will begin from the 4th of May onwards

Please remember that some plants will be susceptible to frost so please don't order your plants too early if you cannot protect them.

Ordering Instructions

- Please make your selection from the attached plant list
- Once you have chosen the plants you require please complete the order form and email the order form back to northdalehort@aol.com
- Once we have received your order form we will check that everything is ok then give you a call to arrange payment and arrange a suitable delivery time.

Alternatively, if you have any problems with sending back the order form please call the Northdale order line on **07873350478** between the hours of 10am – 12pm Mondays, Wednesdays and Friday to place your order, make payments and book a delivery.
