

eInstruction™

Declaration of Conformity

The "CE" mark on these devices indicates compliance under the EMC 2004/108/EC Directive.

Declaration of conformity according to ISO/IEC Guide 22 and EN 45014

Manufacturer's Name: eInstruction Corp
Manufacturer's Address: 308 N Carroll Blvd
Denton, TX 76201 U.S.A.

declares, that these products

Product Names: RFCOM, Workspace RF Hub, Interwrite® Mobi
Model Numbers: B4, H4, IP500, IP501
Product Options: All

conform to the following product specifications:

EMC: EN55022:2006 Class B
EN55024:1998+A1;2001+A2:2003
EN 61000-3-2:2000
EN 61000-3-3:1995+A1:2001
EN 61000-4-2:1995+A1:1998+A2002
EN 61000-4-3:2002+A1:2002
EN 61000-4-4:1995+A1:2001+A2:2001
EN 61000-4-5:1994+A1:2001
EN 61000-4-6:1994+A1:2001
EN 61000-4-11:1994+A1:2001
EN 300-328 V1.7.1
EN 301 489-1

RoHS: "-R" labelled products conform to DIRECTIVE 2002/95/EC.
These products are RoHS-compliant.

Supplementary Information

The products herewith comply with the requirements of the Low Voltage Directive 73/23/EEC and the EMC Directive 89/336/EEC.

Regulatory Statements

These devices comply with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1 These devices may not cause harmful interference, and
- 2 These devices must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to Part 15 of the FCC rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee the interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced Radio/TV technician for help.

These devices comply with Part 15 of FCC rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions: (1) The device may not cause harmful interference, and (2) The device must accept any interference received, including interference that may cause undesired operation.

The radiated output power is far below the FCC Radio Frequency exposure limits. Nevertheless, these devices should be used in such a manner that the potential for human contact during normal operation is minimized. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

Canada

Industry Canada Class A emission compliance statement. This Class A digital apparatus complies with Canadian ICES-003.

Avis de conformité à la réglementation d'Industrie Canada. Cet appareil numérique de classe A est conforme à la norme NMB-003 du Canada.

DGT Statement: 須加在使用手冊內

根據交通部低功率電波輻射性電機管理辦法 規定:	
第十二條	經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。
第十四條	低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。 前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Safety Information

It is good practice to switch off your wireless devices before boarding an aircraft. Make sure it cannot be switched on inadvertently. The operation of wireless devices in an aircraft is forbidden by many airlines to prevent interference with communications systems. Applications that could result in use on aircraft should carry appropriate warnings.

European Union Emission Directive

These products are in conformity with the protection requirements of EU Council Directive 89/366/ECC on the approximation of the laws of the Member States relating to electromagnetic compatibility.

These products have been tested and found to comply with the limits for Class B Information Technology Equipment according to CISPR 22/European Standard EN55022. The limits for Class B equipment were derived for typical industrial environments to provide reasonable protection against interference with licensed communication devices.

European Union WEEE Directive

The manufacture of this equipment required the extraction and use of natural resources. It may contain hazardous substances that could impact health and the environment.

- In order to avoid the dissemination of the hazardous substances into the environment and to diminish the pressure on our natural resources, we encourage you to return this product to the appropriate take-back system facility. These facilities reuse or recycle most of the materials in this equipment in a responsible way.
- The crossed-out wheeled bin symbol below invites you to use these take-back systems.
- If you need more information about the collection, reuse and recycling systems in your area, please contact your local or regional waste authority.
- Further information about the responsible end-of-life management of this and other einstruction products is available on our Web site at

www.einstruction.com.

Limited Warranty for the Workspace™ RF Hub, RFCOM and Interwrite® Mobi

elInstruction warrants these products to be free from defects in material and workmanship under the following terms. Complete and return the enclosed warranty registration card to ensure that your products are covered by this warranty.

Coverage

Parts and labor are warranted for one (1) year from the date of the first consumer purchase for the Workspace RF Hub, RFCOM, and/or Interwrite Mobi. This warranty applies to the **original consumer purchaser only**.

Within the European Union, the warranty period is two (2) years. Contact your local dealer or distributor for additional warranty information.

Warranty is valid only if original consumer's purchase or lease date is less than or equal to six months from the original elInstruction sale date. This information will be captured by the system serial number and confirmed by the reseller's purchase order.

A nominal Warranty Handling Fee will be charged after the first 90 days of use and calculated from the date of original consumer purchase. This payment may be made by Visa, MasterCard, or American Express. A copy of the sales receipt or invoice will be required for warranty verification.

Conditions

Except as specified below, this warranty covers all defects in material or workmanship in the products. The following are not covered by the warranty:

1. Any product on which the serial number has been defaced, modified, or removed (if applicable).
2. Damage, deterioration, or malfunction resulting from:
 - a. Accident, misuse, abuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification for any purpose, or failure to follow instructions supplied with the product.
 - b. Repair, or attempted repair, by anyone not authorized by elInstruction.
 - c. Any damage in shipment of the product (claims must be presented to the carrier).
 - d. Any other cause which does not relate to a manufacturing defect.
3. Any product not sold or leased to a consumer within six months of elInstruction's original sale date.
4. Consumable parts, e.g., batteries, dry-erase markers, eraser felt.

elInstruction will pay all labor and material expenses for covered items, but will not pay for the following:

1. Removal or installation charges.
2. Costs for initial technical adjustments (set up), including adjustments of user controls.
3. Certain shipping charges. (Payment of shipping charges is discussed in the next section of this warranty.)
4. Packaging costs. (Customers should keep their boxes.)

Warranty Service Procedures

1. To obtain service on your elInstruction product, contact the Technical Support Department to receive a Return Material Authorization Number (RMA#) and shipping instructions by calling:
 - In United States: (480) 443-2214 (MST)
 - In Europe: +33 1.58.31.10.60 (CET)
2. Ship the product to elInstruction with the RMA# marked clearly on the outside of the box. elInstruction reserves the right to refuse the shipment, if not properly marked.
3. Although the consumer must pay any shipping charges to ship the product to elInstruction for warranty service, elInstruction will pay the return shipping charges for ground shipment. Other shipping options are available at an additional fee.
4. Whenever warranty service is required, the original dated sales invoice (or a copy) must be presented as proof of warranty coverage, and should be included in shipment of the product. In addition, please include your name, address, telephone number, fax number, email address, and a description of the problem.
5. If elInstruction determines that the unit is not defective within the terms of the warranty, the consumer shall pay the cost of all freight charges, as well as any repair charges.

Technical Support

Web-based Technical Support is available free of charge at: www.elinstruction.com, where current driver releases, as well as comprehensive technical support, troubleshooting, Technical Bulletins and FAQs can be found.

Telephone Technical Support is available free of charge to the original consumer for a period of 90 days from the date of purchase of the product. Please contact our Technical Support Department:

In United States: (480) 443-2214 (MST)
In Europe: +33 1.58.31.10.60 (CET)

You can also fax your request to:

In United States: (480) 948-5508 (MST)
In Europe: +33 1.58.31.10.69 (CET)

Our toll-free number in the U.S. is: 800-856-0732 (MST)

Disclaimer of Unstated Warranties

The warranty printed above is the only warranty applicable to this purchase. ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED. Assuming the warranty above stated is otherwise applicable, it is expressly understood and agreed that elInstruction's sole liability, whether in contract, tort, under any warranty, in negligence, or otherwise, shall be for the repair or replacement of the defective parts, and under no circumstances shall elInstruction be liable for special, indirect, or consequential damages. The price stated and paid for the equipment is a consideration in limiting elInstruction's liability.

Notice

Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state, or province to province.

To obtain service on your elInstruction product, call our Technical Support Department at (480) 443-2214 (MST), or fax us at (480) 948-5508 (MST); in Europe call +33 1.58.31.10.60 (CET), or fax us at +33 1.58.31.10.69 (CET).

We can also be contacted through our Web site at www.elinstruction.com (in US), at EUOffice@gtcocalcomp.com (in Germany), or at infos@calcomp.fr (in France).

Important! All products returned to elInstruction for service must have prior approval in the form of a Return Merchandise Authorization Number (RMA#), which can be obtained by calling the Technical Support Department.
