DISTANCE

The EX1-RT headset has a range up to 10 metres (33 ft) from a device before audio degrades or loses connection.

CHARGING

The Power LED will be red during charging and all LED's will light when charged.

Charging indication will be delayed if the headset has not been used for a long time.

CONNECTING DEVICES

To use the headset for the first time you must pair it with a Bluetooth® enabled device.

- 1 Ensure the headset is within 1 meter of the device
- 2. Activate Bluetooth on the device (Settings > Bluetooth > ON)
- 3. With the EX1-RT Off, hold the Power button for 3 secs until all the LED's illuminate to a solid state. [Voice Prompt: Pairing]
- Select 'EX1-RT' from the list of Bluetooth devices, or select 'Scan for new devices'.
- If the device asks for a passcode, enter four zeros (0000).
- The LEDs will flash every 3 seconds once pairing is successful. [Voice Prompt: Pairing Successful] [Voice Prompt: Phone Connected]

The headset will now connect to your device automatically.

If pairing is not completed within 2 minutes the headset will turn off. If this happens, please repeat the pairing process.

The headset will turn off automatically after 10 minutes of inactivity

MULTI-CONNECTION TO 2 DEVICES

Follow the instructions above to pair the EX1-RT to 2 devices. Switch the headset off and on again, and it will connect to both devices automatically. When the headset is turned on, it will connect to the last device you were connected to.

STREAMING AUDIO

Audio will stream automatically once the EX1-RT is wirelessly connected to a device. Streaming will pause during an incoming/outgoing call and resume when the call ends.

FOR YOUR SAFETY

To help ensure risk-free operation please read these Operational and Safety Guidelines before use:

- Contains small parts. Not suitable for children under 3 years of age.
- · Store in a dry and dust free area.
- Do not store in areas of extreme low (0°C) or high (40°C) temperatures.
- Avoid direct sunlight and heat sources
- Do not allow the product to get wet or dirty; doing so may cause damage.
- Do not clean with benzene, paint thinner, acetone, alcohol, or other such solvents.
- Do not take the product apart; doing so will void your warranty and may cause electrical shock or damage to internal components.
- Do not allow the battery or battery compartment to get into contact with metal objects such as keys or coins.
- Charge the product as specified and only use the charger supplied.
- Avoid charging the product while unattended.
- Check local laws regarding using a headset while driving.
- Keep earbuds clean and free of ear wax to maintain product performance.

Exposure to high volume sound levels may cause temporary or permanent damage to your hearing. You should always set your volume to moderate levels and avoid long exposure to high volume levels.

Please help to conserve the environment by recycling the packaging of this product.

This product should NOT be disposed of in normal household waste. Please take it to an electrical waste collection point.

This product is covered by a one [1] year warranty. For full Terms and Conditions, and for Technical Assistance, go to :
