htc Desire® 526

About Your Phone

NOTE: Devices and software are constantly evolving—the screen images and icons you see here are for reference only.

Setting Up Your Phone

Your phone comes with the SIM card pre-installed.

Step 1. Remove the Back Cover

Insert your fingernail in the notch at the bottom of the phone and lift the cover off.

Optional: Insert the microSD Card

Insert the microSD™ card into the slot with the gold contacts facing down.

NOTE: The microSD card is sold separately.

Step 2. Insert the Battery

Insert the battery, making sure to align the gold contacts. Press down gently to secure the battery.

Step 3. Replace the Back Cover

Starting from the top, press the back cover against the back panel of the phone. Continue pressing the sides of the back cover until it is firmly in place and there are no gaps.

Step 4. Charge Your Phone

Before turning on your phone, charge it fully.

Insert the small end of the USB cable into the USB/Charger Port and the other end into the power adapter. Plug the power adapter into an electrical outlet.

WARNING! Please use only an approved charging accessory to charge your phone. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your phone and void the warranty.

Using Your Phone

Turning Your Phone On/Off

To turn your phone on, press and hold the **Power/Lock** button until the phone vibrates.

To turn your phone off, press and hold the **Power/Lock** button for a few seconds, and then tap **Power off**.

Locking and Unlocking the Screen

To turn on your screen, press the **Power/Lock** button. Then swipe the Lock icon  up to unlock it.

To turn off your screen and prevent accidental key presses, press the **Power/Lock** button. The phone also automatically locks after it has been idle for some time.

Home Screen

After setting up your phone, you'll see the Home screen.

Additional Information

Your Wireless Device and Third Party Services

Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this wireless device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this wireless device or any non-Verizon Wireless applications, services and products including any personal information you choose to use, submit or share with others. Specific third party terms and conditions, terms of use, and privacy policies shall apply. Please review carefully all applicable terms and conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing Aid Compatibility Information

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
