### Quick Guide for your i.Tech EasyChat VoIP PC Suite for Skype

Thank you for choosing the i.Tech EasyChat VoIP PC Suite. Please read carefully through the user guide in order to get the most from our solution.

The i.Tech EasyChat VoIP PC Suite allows you to establish a wire-free connection to your PC and chat on the internet without the hassle of wires. For a simple setup, you only have to install the program via the enclosed CD-ROM once. It is a simple 'plug' and 'play' system that you will easily operate without any problem.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

<p><b>STEP 1 - GETTING STARTED</b></p> <ul style="list-style-type: none"> <li>➤ Fully charge the Bluetooth headset until the LED turns BLUE</li> <li>➤ Connect the USB adapter to install the Windows drivers</li> <li>➤ Insert the provided CD-ROM and follow the on-screen installation instructions</li> </ul> <p><b>STEP 2 - CONNECT YOUR ADAPTER</b></p>  <p>Before installing the application and starting using Skype, you need to connect the adapter to your USB port.</p> <p>Before connecting the adapter please make sure to save your work as connecting the adapter for the first time will trigger your PC to install or load the appropriate drivers, on some systems a restart could be required and the following screen will be displayed.</p> <p style="text-align: right;">3</p>	 <p>After saving all your work and active documents select Yes as your PC has to restart for the adapter and drivers to function correctly.</p> <p><b>STEP 3 – CD INSTALLATION</b></p>  <ul style="list-style-type: none"> <li>- The setup program should launch automatically, if it fails to launch please run the Setup file from the CD-ROM by double clicking the  icon. Follow the on screen instructions.</li> </ul> <p><b>NOTE:</b> The setup program will check that Skype is pre-installed on your computer. If Skype is not present you will be presented with the option to either install Skype from the CD-ROM or download the latest version from the Skype website. Alternatively you can visit: <a href="http://www.skype.com/intl/en-gb/get-skype/">http://www.skype.com/intl/en-gb/get-skype/</a></p> <p style="text-align: right;">4</p>
--	---

<p><b>STEP 4 – START EASYCHAT</b></p> <p>Press the Finish button to complete the installation. The setup application will launch the i.Tech EasyChat automatically.</p> <p><b>NOTE:</b> If you are using Windows Vista or 7 setup will not launch the application automatically. To start EasyChat click the Windows start menu and select All Programs, then click the i.Tech EasyChat folder and click the i.Tech EasyChat VOIP PC Suite to launch the application.</p> <p><b>STEP 5 - CONNECT YOUR HEADSET</b></p> <p>The headset and USB dongle have been pre-paired from the factory so you simply have to follow the easy on-screen instructions on how to connect your headset to your PC.</p> <p><b>FULL USER GUIDE</b></p> <p>For full and detailed instructions on how to use the product you can launch the already installed EasyChat user guide by selecting the Help option from the popup tray menu.</p>  <p style="text-align: right;">5</p>	<p><b>DECLARATION OF CONFORMITY</b></p> <p>We, i.Tech Dynamic Limited, declare that the following product:          Product Name: i.Tech EasyChat 306          Model No.: C51-B912-XX          is in conformity with the following essential requirements of Council Directive 1999/5/EC (referred to as R&amp;TTE Directive): Article 3.1a, 3.1.b and 3.2, and the product is manufactured in accordance with Annex II of the above directive.</p> <p>A copy of the Declaration of Conformity can be found at <a href="http://www.itechdynamic.com">http://www.itechdynamic.com</a>.</p> <p><b>Federal Communications Commission (FCC) Statement</b></p> <p>This device complies with Part 15 of the FCC Rules.
