

iON Wireless Charging Pad

EXPLORING

ADDITIONAL PARTS

TECH SPECS

- Input: 5V / 2A
- Output: 5V / 1.3A

KEY FEATURES

- Triple Coil Charging Zone**
 Triple coil layout for larger charging area.

- LED Status Light**
 A green light indicates you've successfully made contact with the charger. The light will fade after establishing connection.

- Insert Bay & Power Pins**
 Docking port for PowerPack and other upcoming modules.

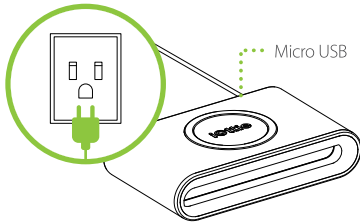

- Anti-Slip Ring**
 The Anti-Slip Ring keeps your device in place and also provides a clear target for optimal smartphone charging.

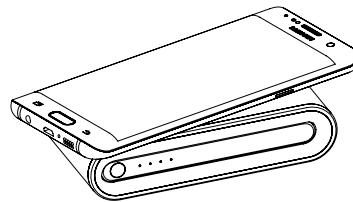

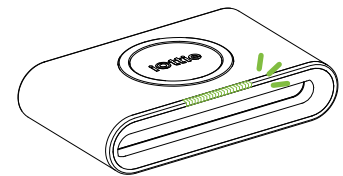

INSTALLATION

To power the iON Wireless Charging Pad use the included Micro USB Charging Cable and AC Adapter. Plug directly into wall or surge protector.

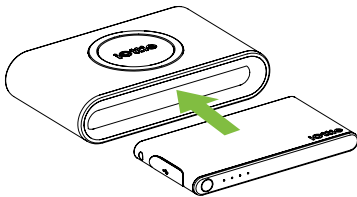

Simply place Qi enabled device over the anti-slip ring sweet spot. Charging will begin automatically.

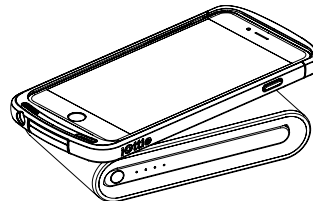

LED status light will turn green and then fade away when charging connection has been made.

MODULAR SYSTEM *(Sold Separately)*

iOttie's iON Wireless Charging Pad can charge the PowerPack and smartphone simultaneously.

The iOttie iON Wireless Charging Case allows Qi wireless charging for iPhone 6s/6.
