TRANSPORT INSTRUCTIONS

Make sure the table lock is secure before transporting saw. Failure to lock table may cause the table to slide off the saw and cause serious injury.

1. Turn machine OFF.
Unplug and secure power cord.
2. Lock cutting head in a down position.
3. Lock rolling table to avoid injury during transport.
4. Unlock transport handle and extend for easy transport.

323.2

DUST COLLECTION VACUUM OPERATION

1. Spin filter 3 times after 500 L.F. of cutting or at the end of each day. Spin filter before emptying dust collection tray.

2. Empty dust collection tray after 500 L.F. of cutting or at the end of each day before transport.

3. Empty dust into bag or sealed container and dispose properly.

WARNING

To reduce the risk of injury, table lock knob must be in the "lock" position before moving or transporting the saw.

AVERTISSEMENT

Pour réduire le risque de blessure, le bouton de verrouillage doit être dans la position (verrouillage) avant de déplacer ou transporter la scie.

ADVERTENCIA

Para reducir el riesgo de lesiones, botón de bloqueo de tabla debe estar en la posición de "bloqueo" antes de mover o transportar la sierra.

CAUTION

- To reduce the risk of injury, user must read and understand the operator's manual.
- Wear eye and hearing protection when operating the tool.
- Turn off tool, wait for the wheel to stop moving and disconnect the power to the tool before servicing, when changing cutting wheels, or cleaning.
- Always use manufacturer's approved cutting wheels.
- Always inspect and replace damaged cutting wheels before operating.
- Spin filter and empty dust tray once a day.

WARRANTY

New iQTS244™ Dry Cut Tile Saw, sold by iQ Power Tools or an iQ authorized dealer is warranted to be free from manufacturing defects in normal service for a one year period from date of purchase by the original consumer purchaser. Warranty period for rental items is 90 days.

All iQ products must be registered either through our website or by mailing in the Warranty Card in order for the warranty to be active and valid. This Warranty shall not apply to any parts that have been subjected to misuse or improper service, damaged in transit or handling, altered or repaired by unauthorized representatives, or used with a blade that is not recommended by iQ Power Tools.

Any claim arising under this Warranty must be submitted by the original purchaser within the Warranty period specified above and must include proof of purchase. Within Warranty period, options are either to replace or repair any parts or components that are found to be defective by iQ Power Tools at no charge to the original purchaser. iQ Power Tools shall not be responsible or obligated to pay for freight or other transportation-related costs or expenses in connection with any defective products, replacements, or components that are returned to iQ Power Tools facility or any authorized repair station.

Parts and labor needed to maintain products, and the replacement of components due to normal wear and tear, are the purchaser's responsibility and are not covered by this Warranty. All products or components replaced under Warranty become the property of the manufacturer. All replacement parts will be considered to be part of the original product and any Warranty on such parts will expire concurrently with this original Warranty.

iQ Power Tools will pay for parts and labor in connection with Warranty repairs conducted by iQ Power Tools or its authorized repair center. Replacement parts installed by anyone else will be provided without a charge but this Warranty will not apply to labor charges in connection therewith.

IN NO EVENT SHALL ANY LIABILITY UNDER THIS WARRANTY EXCEED THE REPLACEMENT COST OF ANY DEFECTIVE PRODUCT OR COMPONENT THEREOF. iQ POWER TOOLS SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR ANY OTHER DAMAGE OR LOSS NOT EXPRESSLY ASSUMED AS SET FORTH HEREIN.

The Warranty on the terms above is the only Warranty. This limited Warranty is expressly in lieu of all other Warranties, whether expressed or implied.
