

Grand County EMS Career Opportunities

Come join our family!

Grand County EMS is looking for EMS professionals who want to work in an exciting rural mountain area. We are looking for full and part time professional Paramedics and EMT's who have the desire to join our team. GCEMS is about family and taking care of our community. We offer state of the art emergency medical and emergency response equipment, researched based protocols and an opportunity to provide care in an austere mountain environment. GCEMS is the primary EMS provider for over 1800 square miles and is located just 2 hours west of Denver. Our coverage area includes great destinations such as Winter Park Resort, Rocky Mountain National Park, and Rabbit Ears Pass.

As a provider fro GCEMS you can become a member of our Mountain Medical Response Team to assist Search and Rescue with medical support for injured and ill patients in the backcountry. We also have an active TEMS team working in conjunction with our local law enforcement partners.
