

Prescription Limit Exception Form - 8 Rx PA Process

To request that a member be exempted from the monthly medication limit, please complete this form by providing diagnoses for all chronic medications.

This request for exemption will be reviewed by a pharmacist to identify opportunities for regimen simplification utilizing nationally recognized clinical practice guidelines. Feedback will be given to the prescriber submitting this form.

Please note: Although a member is exempt from the limit, a Prior Authorization will be required for any medication not on the Molina Healthcare Drug Formulary.
