## Regional Arts Development Fund Guidelines

### *What is the Regional Arts Development Fund?*

The Regional Arts Development Fund (RADF) is delivered as a partnership between the Queensland Government through Arts Queensland and eligible local councils across the state.

Hinchinbrook Shire Council's RADF program promotes the role and value of arts, culture and heritage as key drivers of diverse and inclusive communities and strong regions. RADF invests in local arts and cultural priorities, as determined by local communities, across Queensland.

RADF is a flexible fund, enabling local councils to tailor RADF programs to suit the needs of their communities. For further information on RADF please contact your local council. For information on other Arts Queensland programs and opportunities please visit [www.arts.qld.gov.au](http://www.arts.qld.gov.au)

### 1. *Important dates for RADF Program*

Please refer to the website [www.hinchinbrookway.com.au/regional-art-gallery](http://www.hinchinbrookway.com.au/regional-art-gallery) for important dates/updates.

### 2. *What are the RADF objectives?*

To support arts and cultural activities that:

- Provide public value for Queensland communities;
- Build local cultural capacity, cultural innovations and community pride;
- Deliver local priorities; and
- Deliver Queensland Government's objectives for the community.

### 3. *RADF Assessment Criteria*

Project applications will be assessed on the way they meet the four RADF Criteria (Impact, Quality, Reach and Viability) as well as how well the project meets one or more of the locally determined Arts and Cultural Priorities.

#### **Quality**

- Produces or contributes to high quality arts and cultural initiatives for local communities; and
- Proven capacity to effectively support and deliver arts and cultural services.

#### **Reach**

- Provides access to and engagement in arts and culture for diverse communities, practitioners, participants and audiences;
- Evidence of local demand for proposed program/s; and
- Demonstrates community and stakeholder involvement in RADF priority setting, decision making and evaluation.

#### **Impact**

- Demonstrates cultural, artistic, social or economic returns on investment; and

- Supports one or more Queensland Government objectives for the community including encouraging safe and inclusive communities, building regions, supporting disadvantaged Queenslanders, stimulating economic growth and innovation, increasing workforce participation, and conserving heritage.

#### **Viability**

- Evidence of good planning for strong governance and management of RADF at a local level; and
- Evidence of partnership capacity with partners including business and government.

#### **Locally determined RADF Arts and Cultural Priorities**

- Invest in Arts and Culture in the Shire;
- Expand Arts and Cultural Tourism within the Shire – create and embrace an ‘Arts and Culture’ destination;
- Revitalize the CBD;
- Commercially promote Hinchinbrook Shire’s natural and Arts and Cultural assets;
- Address youth and social issues;
- Provision of career development skills/career paths to attract and retain youth in the Shire; and
- Provision of recreation opportunities for the community.

These priorities were determined primarily through the Hinchinbrook Shire Council’s *Corporate Plan 2014 - 2020* and the *Economic Development Strategy Hinchinbrook 2020*.

#### **4. *What are the acknowledgement, reporting and acquittal processes for RADF?***

RADF funded activities must acknowledge the Queensland Government and the Hinchinbrook Shire Council in all promotional material, publications and products by inclusion of the RADF acknowledgment text and logos - as provided to you by Hinchinbrook Shire Council and as outlined below.

##### **Acknowledgement Text for RADF**

The Regional Arts Development Fund (RADF) is a partnership between the Queensland Government and Hinchinbrook Shire Council to support local arts and culture in regional Queensland.

The Queensland Government crest is available to download at [www.arts.qld.gov.au/aq-funding/acknowledgement](http://www.arts.qld.gov.au/aq-funding/acknowledgement) or by contacting the TYTO Regional Art Gallery on 4776 4725 or [gallery@hinchinbrook.qld.gov.au](mailto:gallery@hinchinbrook.qld.gov.au)

The Hinchinbrook Shire Council logo is available by contacting Hinchinbrook Shire Council’s Media Officer on 4776 4600.

##### **Reporting and Acquittal processes**

All RADF funded activities are required to complete a Project Outcome Report. The Project Outcome Report includes information about the success of your project, budget and support material which are required to be submitted to Hinchinbrook Shire Council within 8 weeks of the completion of your project. Please note the following:

- 10% of the total RADF Funding requested for your project will not be released to you until you submit a correctly completed Project Outcome Report that is accepted and acquitted by the Hinchinbrook Shire RADF Committee; and

- Failure to submit a complete Outcome Report by the due date will result in the applicant forfeiting the final 10% of their requested funding and will affect the applicant's attempt to receive future funding.

## 5. *Hinchinbrook Shire Council RADF Funding categories*

There are two funding rounds yearly, as below:

- One held at the beginning of the year in February/March for projects beginning on/after 6 May; and
- One held in May/June for projects beginning on/after 10 July.

Please see the website for specific dates.

Applicants can apply for up to a maximum funding amount of 70% of the total project costs. There is a maximum funding limit of \$10, 000 per application.

Successful applications requesting \$5,000 or more in RADF Funding will receive payment in instalments. These instalments will correlate with stages of your project. For example, a project requesting \$5,000 in RADF Funding would receive an initial payment of \$2,000 to begin the project followed by two payments of \$1,250 and a final payment of \$500 upon the successful acquittal of the project. The stages of the project along with your requested payment instalment amounts should be outlined in your application.

The grant round will be broad and encompassing and will include all art forms. They will offer support towards projects and programs that create vibrant arts and cultural experiences, including, but not limited to:

- Performances and exhibitions;
- Increased skills and professional development opportunities for artists;
- New works that extend artists and art forms;
- Community arts and cultural development;
- Initiatives that strengthen cultural tourism; and
- Enhanced cultural programs.

## 6. *Who is eligible for a RADF grant?*

The following categories of individuals and organisations can apply for a RADF grant:

- Individual professional artists, emerging professional artists, arts workers, cultural workers or project coordinators who:
  - Are based in the Council area, or, if based outside the Council area, are able to demonstrate how the project will directly benefit arts and culture in the Council area;
  - Are permanent residents or Australian citizens; and
  - Have an Australian Business Number (ABN) or who will be auspiced by an incorporated organisation or individual with an ABN.
- Collective/Artist Run Initiative/Group: (non-incorporated) that are based in the Council area, or those based outside the Council area and are able to demonstrate how the project will directly benefit arts and culture in the Council area. Must be auspiced by an incorporated organisation,

or an individual with an ABN. One person must be nominated as the accountable representative of the collective for management reporting and financial matters; and

- Incorporated arts and cultural organisations based in the Council area, or those based outside the Council area that are able to demonstrate how the project will directly benefit arts and culture in the Council area.

## 7. *What does RADF not support?*

- Amateur arts activities except for professional services to amateur arts activity. One of the main RADF aims is to develop professional artists in the regions. Note: Emerging professional artists are eligible for funding;
- Applicants who submit unsigned applications;
- Applicants who have failed to acquit previous RADF grants;
- Projects for which artists are paid less than the recommended rates;
- Activities that commence before Council approval is given because RADF should not be used as a 'top-up' fund;
- Craft workshops – unless a professional artist or artworker is employed to work with a craft group to apply their skills in an innovative way to an arts development outcome;
- Murals – funding is available for murals from other government sources as part of anti-graffiti programs. RADF grants can only be allocated to murals that adhere to the RADF Principles, eligibility and program criteria;
- School arts activities except where those activities form part of broader community cultural development processes or are part of professional arts development;
- Framing and freight – only a small proportion of these costs can be covered as part of presentation costs for significant exhibitions. As a guide only, 10% of the total framing and freight costs would be considered a small proportion;
- Catering costs, openings, launches and parties are not eligible for RADF grants, even if they are part of an exhibition or community project;
- Competitions – they are prolific and could monopolise funds. The competitive environment does not necessarily nurture emerging artists, as there is generally only one winner;
- Eisteddfods – they are essentially competitions;
- Publishing costs – requests for grants to publish books should be directed to organisations that provide print-on-demand services. A small proportion of printing costs are eligible as part of the presentation costs for significant projects. As a guide only, 10% of the total publishing costs would be considered a small proportion;
- Purchase of capital items, e.g. equipment, buildings or vehicles;
- Recurrent funding for arts organisations – local arts and cultural organisations that have regular community activities may apply for funding annually for different projects which have a project management component;
- Operational expenses are ineligible under RADF including wages for permanent staff and office expenses;
- Accredited study, training or university courses – RADF does not fund the primary training of artists, only their professional development once they are practising; and
- RADF does not support 100% of any project. Applicants are required to make a significant contribution which may be in-kind. 30% of your project must be supported by other funding or in kind contributions.

## 8. *Australian Business Number (ABN)*

It is not mandatory for RADF applicants to possess an ABN. However, if they do not have an ABN the application must be auspiced by an incorporated organisation or an individual with an ABN (known as the auspice body) who manages the grant on behalf of the applicant. The auspice body is responsible for providing a financial report on completion of the project. It is not responsible for the artistic direction or quality of the project.

## 9. *Eligibility Checklist*

Each professional or emerging professional artist receiving financial benefit from a RADF grant must complete the *Eligibility Checklist for Professional and Emerging Professional Artists* (available online for download from the Hinchinbrook Shire Council website). This checklist has been developed to determine the professional or emerging professional status of all artists receiving RADF grant money.

- Provide copies of receipts for payment of goods and services as evidence of expenditure in your Outcome Report.

## Frequently Asked Questions by RADF Applicants

### *How do I develop a RADF grant application?*

Ask yourself these key questions when developing your activity:

- How does the project respond to and align with the RADF Assessment Criteria as outlined in section 1 of the RADF Guidelines?
- Which activity do I want to do?
- Why do I want to do it?
- Which people will be involved?
- Do they have the skills to make it happen?
- Who in the community will benefit?
- How much will it cost?
- Where will I get the money from in addition to a RADF grant?
- Are other individuals being employed?

Your application should give a snapshot of a potentially successful activity. All information required is requested on the form, so:

- Research thoroughly and prepare your application accurately and honestly;
- Provide all information on the HSC RADF Grant Application form; and
- Describe your activity in terms that relate to your Council's RADF program.

Brief and clear support material strengthens your application. Include only relevant support material, such as:

- An Eligibility checklist must be attached for each professional or emerging professional arts worker receiving RADF support – this is included with your application form;
- Letters of support from groups who will benefit;
- Letters of support/acceptance from project partners, a community Elder, workshop leader, or gallery owner;
- Quotes from tradespeople, publishers or other businesses cited in your budget; and
- CV's of all professional arts and cultural workers employed in the activity.

Please note – support material will not be returned, so:

- Provide copies of all support material, if mailing your application (and keep the original) or provide a USB containing the files in PDF format.

Sign your application. Unsigned applications are not eligible for funding. Keep a copy of your completed application. If your application succeeds, you will complete the outcome report sections (located on the same form as your initial application) at the end of the activity.

RADF committees may want more information or support material if they are uncertain about an application. Usually you will only have a short time to respond.

### *What is a CV (curriculum vitae)?*

Your CV or résumé is a summary of your career that you send to an employer when applying for a job or to a funding body as part of your application for funding.

Your CV should:

- Be up-to-date in all personal and professional details;
- Show the important information on the first page;
- Start at the current year and work backwards to build a history of your employment or experience. Be on A4 white paper, stapled – not spiral bound or in plastic folders – for ease of photocopying; and
- Preferably, no longer than two pages.

Include the following information:

- Your contact details;
- Education and qualifications;
- Current employment status;
- Recent employment history;
- Community involvement;
- Awards, grants, achievements, exhibitions, performances, screenings, publications, committee and professional memberships (don't use abbreviations or acronyms); and
- The names of at least two referees.

Some tips for success:

- Think about what your CV says – whether it is easy to read and how it is ordered;
- Be dynamic in how you present your work history and skills;
- Describe yourself in positive language; and
- Remember, you get only one chance to make a good impression.

### *What do I do with my completed application?*

After completing your RADF Application Form and attaching all relevant support material in pdf formats, you must submit your application to Hinchinbrook Shire Council by the advertised closing dates.

Mailed applications that are received after the closing date will only be accepted if they are postmarked with the advertised closing date. If you mail your application please notify your RADF Liaison Officer of the date that it was posted. You can submit your application by email to [gallery@hinchinbrook.qld.gov.au](mailto:gallery@hinchinbrook.qld.gov.au). Emailed applications are preferred.

### *What happens after my RADF Grant has been submitted?*

For applications requesting \$5,000 or more in RADF Funding, the applicant will be required to verbally pitch their project proposal at the RADF Committee meeting. The applicant must make themselves available and will be advised within 24 hours of receipt of their application of the date and time that the pitch of their proposal is to take place.

1. Once the funding round has closed, the RADF Liaison Officer copies, collates and sends all applications (plus assessment sheets) to the RADF Committee for assessment;
2. Applications are assessed on merit and by the same assessment criteria, first by individual RADF Committee members and then as a group to compare the strengths of each application;

3. The RADF Committee's final recommendations are documented and presented to Council for ratification;
4. All applicants are advised in writing of the outcomes of their applications; and
5. The RADF Liaison Officer develops a contract for each successful applicant to prepare for the release of funding.

While the aim is to complete the process within one month from close of applications, the process can take up to two months from the date applications close to the date you receive a letter of notification advising of the outcome of your application.

In assessing your grant application, the RADF Committee will, as well as using the criteria, also consider:

- Has the applicant received a RADF Grant in the past 2 years? New applicants and activities will be given preference
- Has the applicant acquitted previous grants? If an applicant has not acquitted previous grants they will be ineligible for future funding
- Is the applicant responsible for management of the activity?
- Has the applicant contacted the artist/s to obtain their consent to work or contacted the gallery or publisher to assess their interest?
- Has the applicant demonstrated the capability to plan and carry out the activity effectively?
- Is there a clear Project Stage/Timeline with expected completion dates of each stage?
- For projects requesting \$5,000 or more in RADF Funding is there a proposed outline of payment instalments that correspond with the project stages?
- Is the budget well prepared and realistic, demonstrating sound financial management and knowledge of professional rates of pay?
- Can the applicant demonstrate matching support from their organisation or themselves, at least in-kind?
- Is RADF the best source of funding for this activity?
- Does the activity:
  - Employ or use the skills of, an appropriate professional or emerging professional artist or arts and cultural worker? (An Eligibility Checklist is required for each paid artist or arts worker involved in the project);
  - Benefit either an individual artist or the community?
  - Reflect the aims of the Council's Corporate Plan, Economic Development Strategy or other published priorities?; and
  - Help to develop arts and culture in the community, develop audiences, and increase social harmony?
- Is there evidence of community need and support?
- Have health and safety, insurance, copyright and licences been considered?; and
- Are any conditions to be applied to the funding?

### *What happens if I am successful?*

If you are successful, before you receive your grant money and begin your activity, you will receive the following documents\* from Council:

- A Letter of Offer from Hinchinbrook Shire Council (HSC) specifying what the funding is being allocated for and any special conditions that may apply to your application;
- Two letters of acceptance – one Original to be signed and returned to HSC and one Copy to be kept for your records;
- A request for an invoice made out to Hinchinbrook Shire Council:
  - Applicants receiving \$4,999 or less will need to provide an initial invoice for 90% of the total amount of RADF funding approved (plus the GST amount if you are GST registered) as set out in your letter of offer. The remaining 10% of funding will require an invoice to be submitted along with the Project Outcome Report; and
  - For grants \$5,000 or more an outline indicating the payment instalment dates will be provided with your letter of offer. You must provide an invoice for each payment instalment. The final 10% of funding will require an invoice to be submitted along with the Project Outcome Report.
- All relevant information you need to acknowledge the State Government and Hinchinbrook Shire Council who are providing the grant.

\*No funds will be released until you sign and return all relevant documents to your RADF Liaison Officer.

The RADF Committee may ask for special conditions of funding to be included in your contract. These must be met through your funded activity.

Some conditions of grants that are common to all RADF recipients:

- Wherever possible, all funded activities must begin within the financial year of the receipt of funding;
- Grants can be withdrawn if an activity is unduly delayed – you will need to reapply in the following year;
- Your acknowledgement of RADF funding in all publicity about your activity and as part of the outcome; and
- Requesting approval from the RADF Committee for any changes to your application.

Other conditions may be developed by Hinchinbrook Shire Council, such as:

- More information and/or evidence of the community need for a proposed workshop;
- More information and/or evidence that individuals cited as being involved in an activity have been contacted, have given consent and are available; and
- A request to:
  - Address a gathering of peers after a funded activity;
  - Offer a workshop demonstrating new skills; and
  - Attend a workshop to gain more knowledge in conducting a RADF Project and completing the required reports.

### *Can I alter my application after funding has been allocated?*

Sometimes circumstances change and you cannot carry out your activity exactly as described in your application. When this happens, you must:

- Notify the RADF Committee through the RADF Liaison Officer in writing or by email; and
- Receive approval of any change before beginning your activity.

The RADF Committee (or a sub-committee) can:

- Approve the changes;
- Request that you complete a new application form; and
- Ask you to return the funds and re-submit your application in the next round.

Any agreement to alterations must be:

- Made in writing;
- Endorsed by the chair of the RADF Committee; and
- Approved and signed by a HSC RADF Committee member, HSC RADF Liaison Officer and the recipient.

Please note: If you change your application without approval, Council can ask for the funds to be returned.

### *I have completed my funded activity. Is there anything else I should do?*

Yes. You must complete and submit your Outcome Report to Council no more than 4 weeks after completing your funded activity and provide an invoice for the remaining 10% of RADF Funding requested in your application. This acquits the local RADF monies you spent and will enable the remaining funds to be paid to you in a timely fashion.

If you fail to acquit your grant, you will not receive the final 10% of your RADF Funding and you will be ineligible to apply for future funding through RADF and Arts Queensland. In some circumstances, you may be asked to repay the grant.

Your outcome report must show evidence of the outcomes of the activity and how the RADF money was spent. It is a chance to reflect on the level of success your activity achieved by:

- Identifying key outcomes;
- Assessing the benefits and drawbacks;
- Checking your financial estimates against your actual expenditure;
- Learning from any difficulties – these can often teach more than successes;
- Recognising the potential for growth or new directions in your work; and
- Setting new priorities.

In order to look to the future, the mapping process provides an understanding of the diverse and sometimes invisible resources and values of the community. It explores and names different cultural influences, understandings of history and place, and the roles and relationships of people in the community. Combined with an audit of the buildings, organisations and cultural practices of the community, the cultural map can provide new understandings of the issues, needs and aspirations of the community.

### *Cultural planning*

Cultural planning is a process of deciding how best to use a community's cultural resources for economic and social development. Cultural planning provides a way for communities and local councils to develop a shared vision and the means for effectively coordinating community resources to build a strong and sustainable cultural industry. Like any plan, it identifies what needs to be done, by whom, in what time frame and how much it will cost, in hours and dollars. The cultural plan is the community's promise to itself, in which it determines what it needs to do in order to provide its own cultural future.

### *Culture*

"Culture should be regarded as the set of distinctive spiritual, material, intellectual and emotional features of society or a social group, and that it encompasses, in addition to art and literature, lifestyles, ways of living together, value systems, traditions and beliefs".
