To the Abt family,

Congratulations on celebrating 80 years of business since founding Abt Electronics.

Since 1936, Abt Electronics has served Illinois residents with abundant goodwill – fostering a family-like atmosphere. More than just an electronics store, Abt Electronics has exceeded all expectations by becoming one of the largest independent appliance and electronics retailers in the country. In addition to providing quality service for numerous customers on a daily basis, Abt Electronics has demonstrated to other family-owned businesses the importance of providing thorough and consistent customer service and employee support.

On behalf of the people of Illinois, I would like to applaud you on the 80th anniversary of this local treasure. Again, congratulations on your achievement and best wishes for this wonderful occasion.

Sincerely,

A handwritten signature in black ink that reads "Jesse White".
