## Background

The 2018 primary season is here and the Postal Service™ is preparing for the November 2018 general election. There will be several congressional, gubernatorial, state, and local races. Thus, proper handling of Election Mail and Political Mail is critical.

Concerns have been raised about how long it takes for Election Mail and Political Mail to reach voters. The Postal Service takes these concerns very seriously. Coast to coast, plans are in place to ensure the timely receipt, processing, and delivery of Election Mail and Political Mail.

Generally, citizens use one of the following three methods to cast their votes:

- A traditional polling place via electronic or paper ballot,
- An absentee paper ballot, or
- Early in-person voting.

Although traditional poll voting is still the preferred method, voting by mail is increasing in popularity across broad segments of the American electorate. In the 2014 midterm federal election, 25 percent of voters cast ballots by mail — an increase of 9.5 percent over the 2010 midterm election.

## Key Dates

- Primaries began March 6 in Texas and will continue through November.
- General Election — November 6.

## Election Mail and Political Mail Overview

### What is Election Mail?

*Election Mail* is any item mailed to or from authorized election officials that enables citizens to participate in the voting process, such as balloting materials, voter registration cards, absentee applications, and polling place notifications.

### What is Political Mail?

*Political Mail* includes Political Campaign Mail and Political Message Mail.

- *Political Campaign Mail* is any material mailed at First-Class Mail® or USPS Marketing Mail® prices for political campaign purposes by a registered political candidate, a campaign committee (federal, state, or local), or a committee of a political party (e.g., Democratic National Committee or Republican Congressional Campaign Committee) to promote political candidates, referendums, or political campaigns.
- *Political Message Mail* is any material mailed at First-Class Mail or USPS Marketing Mail prices by a political action committee (PAC), super-PAC, or other organization engaging in issue advocacy or voter mobilization.

Political Mail may be sent for any public election — partisan or nonpartisan — for which there is a ballot. Political Mail is identified using red Tag 57, *Political Campaign Mailing*.

### Plan Objectives

- Educate and inform the public on proper mail handling, key dates, and general tips for Election Mail and Political Mail.
- Reinforce the message that the Postal Service takes its job of delivering ballots and other Election Mail and Political Mail very seriously.
- Ensure the correct use of Tag 57, *Political Campaign Mailing*. Political Message Mail (mailings from certain groups about issue advocacy or voter mobilization) and Political Campaign Mail (mailings from certain groups or individuals related to a candidate, campaign, or referendum) both use Tag 57.
- Ensure the correct use of Tag 191, *Domestic and International Mail-In Ballots*. Postal Service employees must correctly identify and promptly process this mail.
- Ensure the correct use of the official Election Mail logo. It may be used on all Election Mail, including ballots.
- Inform election officials that ballots will be handled correctly. Educate them on service standards so they can ensure ballots are mailed and returned by the deadline.

- Ensure Postal Service employees know that they must always promptly and efficiently handle Election Mail or Political Mail with equal care and attention.

### Key Messages

- U.S. Mail® services are an important part of the U.S. election process. The Postal Service will ensure the dependable and timely delivery of Election Mail and Political Mail.
- Customers can trust the Postal Service to deliver Vote-By-Mail ballots in a timely manner.
- The Postal Service offers a state-by-state outreach program to ensure election boards, political candidates, and mailers are aware of the deadlines for Election Mail and Political Mail.
- The Postal Service takes pride in the popularity of U.S. Mail as an efficient and effective means for citizens to participate in the voting process.
- The Postal Service expects to handle millions of ballots this election cycle — proof that mail is a dependable and protected way to cast a vote. Voter communication ensures that ballots have sufficient time to be processed, delivered, and counted.
- The Postal Service suggests that election officials include a voter notification in the ballot material packet to ensure the timely delivery of ballots. Return by mail dates are based on state and local laws, but the Postal Service recommends the following:
  - Domestic non-military voters are advised to mail ballots at least one week before the due date to account for any unforeseen events or weather issues.
  - Military personnel serving overseas, such as Army Post Office/Foreign Post Office (APO/FPO) voters, must follow the return by mail date for their location (see [usps.com/electionmail](https://usps.com/electionmail)).

### Key Voter Message — Return Ballots

Customers who opt to vote through U.S. Mail service must understand their local jurisdiction's requirements for timely submission of absentee ballots, including postmarking requirements. Voters must contact their local election officials for questions about local deadlines. The Postal Service recommends that voters mail their ballots at least 1 week before the due date to account for any unforeseen events or weather issues.

### Key Election Official Message — Ballots

Whether using First-Class Mail or USPS Marketing Mail service, customers are encouraged to work closely with local Postal Service Election Mail coordinators to deter-

mine delivery times for the mailings. For coordinator contact information, visit [usps.com/electionmail](https://usps.com/electionmail).

## Election Mail

### Absentee Ballots

Not all voters can get to the polling place on Election Day. An absentee ballot is the printed ballot marked by an absent voter, sealed in a special envelope, and given or mailed to the municipal clerk.

Each election cycle presents a different set of parameters for ballot creation and for the size and weight of the return mailpiece. As a result, many voters do not know the correct amount of postage required to return their ballots by mail. Election officials must consult with Postal Service officials to determine the proper postage required for mailing ballots to voters and for voters mailing ballots to election officials.

### Absentee and Early Voting

Most states have a method for eligible voters to cast ballots before Election Day, either during the early voting period or by requesting an absentee ballot. In 13 states, early voting is not available, and in 20 states, a reason is required to request an absentee ballot. States typically offer three ways for voters to cast a ballot before Election Day:

- 1. Early Voting.** In 37 states (including three that mail ballots to all voters for every election) and the District of Columbia, any qualified voter may cast a ballot in person during a designated period before Election Day. No excuse or justification is required.
- 2. Absentee Voting.** All states will mail an absentee ballot to qualified voters who request one. The voter may return the ballot by mail or in person. In 20 states, a reason is required, while 27 states and the District of Columbia permit any qualified voter to vote absentee without offering a justification. Some states offer a permanent absentee ballot list. Once a voter asks to be added to the list, he or she will automatically receive an absentee ballot for all future elections.
- 3. Mail Voting.** A ballot is automatically mailed to every eligible voter (no request or application is necessary). In-person voting sites may also be available. Three states mail ballots to all eligible voters for every election. Other states may provide this option for some types of elections.

For more information, visit [ncsl.org/research/elections-and-campaigns/absentee-and-early-voting.aspx](https://ncsl.org/research/elections-and-campaigns/absentee-and-early-voting.aspx).

## Vote-By-Mail

According to the National Conference of State Legislatures, 22 states have provisions allowing certain elections to be conducted entirely by mail. For these elections, all registered voters receive a ballot in the mail. Typically, the voter marks the ballot, puts it in a secrecy envelope or sleeve, places it into a separate mailing envelope, signs an affidavit on the exterior of the mailing envelope, and returns the package via mail or by dropping it off.

Ballots are mailed in advance of Election Day so voters have an “election period” instead of a single day to vote. All-mail elections, known as “Vote-By-Mail” can be seen as absentee voting for everyone.

As of January 2017, three of the 22 states — Oregon (2000), Washington (2011), and Colorado (2013) — hold all elections entirely by mail. California (2016) will begin holding all-mail elections in 2018. Traditional in-person voting precincts are not available in these three states. Instead, voters return ballots by mail, in a drop-off location, and in some cases vote in-person at voter centers. Other states permit all-mail elections in certain circumstances, such as for special districts, municipal elections, when candidates run unopposed, or at the discretion of the county clerk.

Generally, states begin providing all-mail elections only in certain circumstances, and then add additional opportunities as citizens become familiar with procedures. For more information, visit [ncsl.org/research/elections-and-campaigns/all-mail-elections.aspx](http://ncsl.org/research/elections-and-campaigns/all-mail-elections.aspx).

The National Conference of State Legislatures also reports that at least 17 states and the District of Columbia allow some form of permanent absentee voting. In some states, this system is called “permanent mail-in voting.” Permanent absentee voting operates in a similar manner to all-mail elections. Voters in these states can sign up to have a ballot automatically mailed for every election where the voter is eligible.

## Military — APO/FPO/DPO

### Key Messages

- Even in times of war, the Postal Service has delivered the most fundamental symbol of democracy — a ballot. The Postal Service is honored to provide the brave men and woman serving abroad in the military with the opportunity to vote.
- Any American voter living overseas can mail his or her completed ballot back to the United States free of charge at the nearest American embassy, consulate, or Diplomatic Post Office (DPO). If the voter has authorized access to a military base, he or she can mail a ballot free of charge at the nearest Army Post Office (APO) or Foreign Post Office (FPO).
- For the 2018 midterm election, special procedures for APO/FPO/DPO absentee ballots are in effect between

September 1 and November 6. During this time, the Postal Service will provide special handling for dispatch via the International Service Centers (ISCs).

- The Postal Service recommends that voters return ballots by these mailing dates (see [usps.com/electionmail](http://usps.com/electionmail)).

## Military — APO/FPO/DPO Absentee Ballots

The Postal Service and the Military Postal Service have joined forces to provide special handling of absentee ballots to overseas military personnel. The Postal Service is committed to ensuring that everyone who votes by mail experiences an efficient process.

Here is a summary of special procedures for APO/FPO/DPO absentee ballots:

- Election officials must mail absentee ballots at least 45 days before the November 6 election.
- All military absentee ballots mailed by election officials from September 1 through November 6 will be subject to special handling procedures.
- Local election offices must segregate military absentee ballots to the Chicago ISC and the Miami ISC gateways. At ISCs, absentee ballots receive special handling including accelerated sortation, special tray identification, and priority transportation.
- APO/FPO absentee ballots will be sent from local Post Office™ locations to the nearest Processing and Distribution Center for further handling. Postal service employees may identify trays or containers of absentee ballot mail using Tag 191, *Domestic and International Mail-in Ballots*, and present them to the Post Office facility.

## Political Mail

Direct mail is the winner's choice. When the message is relevant and personal, it can spark voter action. That's why, year after year, direct mail proves itself to be one of the most engaging and effective channels for winning campaigns (see [deliverthewin.com](http://deliverthewin.com)).

### Objectives

- Ensure the correct use of Tag 57, *Political Campaign Mailing*.
- Ensure Postal Service employees know that they must always promptly and efficiently process and deliver Political Mail. Mail entry personnel must ensure that all qualifying mail is documented as Political Mail.

### Key Messages

- U.S. Mail services are an important part of the U.S. election process. The Postal Service considers the dependable and timely delivery of Political Mail promoting candidates and social causes essential to the success of the election mailing season.
- The best campaign is a multi-channel campaign. For candidates, Political Campaign Mail can help them reach constituents directly.
- Use Tag 57, *Political Campaign Mailing*, for the following mailings:
  - Any political campaign mailing by a registered political candidate, campaign committee, and committee of a political party; or
  - Political message mailing by a PAC, super-PAC, or other organization engaging in issue advocacy or voter mobilization.

For more information, visit [usps.com/business/political-mail.htm](http://usps.com/business/political-mail.htm).

### Why Political Mail?

- Mail can reach 100 percent of targeted voters.
- Mail prompts action, often through other channels.
- Mail has been tested and is proven effective.

### Political Mail Tools

- The Political Mail website (see [deliverthewin.com](http://deliverthewin.com)) provides information on key contacts and other valuable resources, and serves as an online platform to promote direct mail through the following materials:
  - Educational articles,
  - White papers,
  - Case studies, and
  - Videos.
- Connections to digital content, such as augmented reality, emphasize the link between digital and hard copy content as a means to extend and increase the effectiveness of political messaging. Augmented reality mailpieces promote campaign messages in a way that engages voters.
- Postal Service webinars highlight key political industry topics.
- The Postal Service has sponsorship agreements with the American Association of Political Consultants and Campaigns and Elections to help promote the use of mail early and often in the political arena. Activities include:
  - Attending events and co-sponsored webinars,
  - Advertising and white paper development and placement, and
  - Direct meetings with political operatives.

### Tag 57

Tag 57, *Political Campaign Mailing*, is a red container tag used to identify Political Mail while it's in the mail stream. Tag 57 can be used in the following ways:

- In a Political Campaign Mailing by a registered political candidate, campaign committee, and committee of a political party; or
- In a Political Message Mailing by a PAC, super-PAC, or other organization engaging in issue advocacy or voter mobilization.

According to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM<sup>®</sup>), a *registered political candidate or party* is defined as an individual or organization recognized by a government election control authority (national, state, or local).

## FAQs

## 1. What is Election Mail?

*Election Mail* is any item mailed to or from authorized election officials that enables citizens to participate in the voting process, such as balloting materials, voter registration cards, absentee applications, and polling place notifications.

## 2. What is Political Mail?

Political Mail includes Political Campaign Mail and Political Message Mail.

- *Political Campaign Mail* is any material mailed at First-Class Mail or USPS Marketing Mail prices for political campaign purposes by a registered political candidate, a campaign committee (federal, state, or local), or a committee of a political party (e.g., Democratic National Committee or Republican Congressional Campaign Committee) to promote political candidates, referendums, or political campaigns.
- *Political Message Mail* is any material mailed at First-Class Mail or USPS Marketing Mail prices by a PAC, super-PAC, or other organization engaging in issue advocacy or voter mobilization.

## 3. What is Vote-By-Mail?

A ballot is automatically mailed to every registered voter in advance of Election Day. Traditional in-person voting precincts are not available, but there are multiple ways and locations for voters to return mail ballots.

## 4. What is No Excuse Absentee Voting?

All states will mail an absentee ballot to certain voters who request one. The voter must return the ballot by mail or in person. According to the National Conference of State Legislatures, 20 states require a voter to provide an excuse, while 27 states and the District of Columbia permit any qualified voter to vote absent-

tee without offering an excuse. Some states offer a permanent absentee ballot list. Once a voter asks to be added to the list, and is added by the election jurisdiction, he or she will automatically receive an absentee ballot for all future elections.

## 5. What are Absentee Ballots?

An absentee ballot is completed and typically mailed in advance of an election by a voter who is unable to be present at the polls.

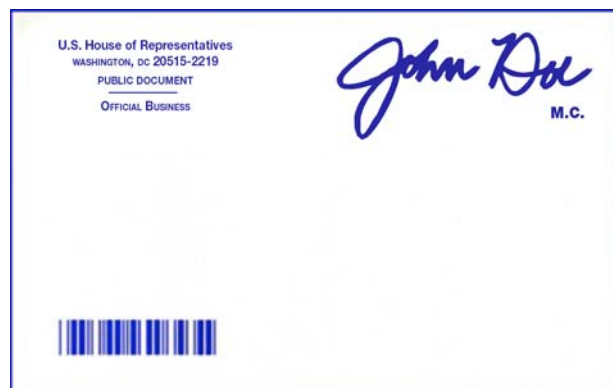

## 6. What is Franked Mail?

*Franked Mail* is official mail sent by members and members-elect of Congress, the Vice-President, and other authorized individuals. Mail must relate to the mailer's official business, activities, and duties. Franked Mail has a written or facsimile signature of an authorized user in the upper right corner of the envelope or a franked label, followed by approved markings such as "M.C." (member of Congress) or "U.S.S." (U.S. Senate). A Franked Mail label is required for items larger than a flat-sized envelope. Franked Mail must not be returned for postage or delivered to the recipient as "postage due." Members of Congress are banned from sending Franked Mail mass mailings within a certain period of time (90 days for the House of Representatives and 60 days for the Senate) before a primary or general election in which the member is a candidate. Mass mailings contain 500 pieces or more that are substantially similar, subject to certain exceptions.

## Franked Mail Envelope

## Franked Mail Label

Franked Mailings (identified by Tag 11, *Congressional Mail*) are **NOT** eligible to use the red Tag 57. Franked Mail must be dispatched and delivered as addressed, and must not be detained, except for mail security.

### 11. What is the Hatch Act?

The Hatch Act (5 U.S.C. §§ 7321–7326) limits certain political activities for most executive branch employees. For example, the law prohibits employees from engaging in political activity while on duty or in the Federal workplace. The Hatch Act also prohibits executive branch employees from soliciting or receiving political contributions. Employees who violate the Hatch Act are subject to a range of disciplinary actions, including the following:

- Removal from federal service,
- Reduction in grade,
- Debarment from federal employment for a period not to exceed 5 years, and
- Suspension, reprimand, or a civil penalty not to exceed \$1,000.

### 12. How does the Hatch Act affect the Postal Service and its employees?

The Postal Service is non-political, which means the organization cannot and does not support any political party or affiliation over another. The continued effectiveness of this organization depends on delivering all political mailings without giving the perception that the views of one candidate, political party, or political viewpoint are endorsed over another.

It is the responsibility of all Postal Service employees to know and obey Hatch Act restrictions. This means that employees may not display political buttons while on Postal Service property or place bumper stickers on a Postal Service vehicle that indicate a preference for a specific candidate, party, or political position. Employees are also urged not to participate in any political discussions where customers are present.

This brief summary does not address all of the Hatch Act prohibitions. For more information about the Hatch Act:

- Visit the Ethics page on *Blue* at [blue.usps.gov/uspslaw/Ethics.htm](http://blue.usps.gov/uspslaw/Ethics.htm),
- Contact the HQ Ethics helpline at 202-268-6346, or
- Send an email message to “Ethics Help” (internal email) or [ethics.help@usps.gov](mailto:ethics.help@usps.gov).

### 13. Does the Postal Service process mail less frequently now than it used to?

No. Mail is processed daily.

### 14. Do the return ballots need to be postmarked by a certain date?

That varies on a state-by-state basis. There are currently 13 states that will accept postmarked ballots post-election in certain circumstances: AK, AR, CA, IA, IL, MD, NC, ND, NY, OH, UT, WA, and WV. Some states, like Alabama, require a valid postmark for a ballot to be counted. Go to your state's election website for specific information.

### 15. Do the return ballots need to be postmarked even if there is a meter?

It depends on the location. Go to your state's election website for specific information.

### Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at [amps.usps.gov/jy2/frm.htm](https://amps.usps.gov/jy2/frm.htm).

We have eliminated “Not Active” entries from the table below to save space and paper.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

\* Implemented May 2001.

## Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the RSS terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at [randall.f.sobol@usps.gov](mailto:randall.f.sobol@usps.gov).

## Information Security

## Strong Passwords — Our First Line of Defense

Creating a strong password is like locking the front door — it keeps valuable information safe from cyber criminals. Today's cyber criminals can apply a single weak password to an entire organization to gain access to critical information and systems. As a result, your USPS® password is the first line of defense against a cyberattack.

Keep in mind that passwords do not need to be tough to remember, just tough to crack. Creating a passphrase (i.e., a unique and memorable set of words) can help protect sensitive information by lengthening passwords and making them tougher for cyber criminals to identify.

Use the following tips to create a secure and memorable passphrase:

- Think of a phrase that you will remember, such as a favorite quote, movie title, or news headline (e.g., Be CyberSafe).

- Change some of the letters to special characters or numbers (e.g., B3\_Cyb3rS\*f3).
- Add a unique element (e.g., B3\_Cyb3rS\*f3\_w0^k).

In addition to setting strong passphrases, never share USPS passwords or login IDs, even with a trusted colleague. Sharing access to USPS information puts our business at risk. If you believe your password has been disclosed or compromised, change it immediately and report the incident to [CyberSafe@usps.gov](mailto:CyberSafe@usps.gov).

For more information on setting strong passwords, visit the CyberSafe at USPS® websites on *Blue* ([blue.usps.gov/cyber/](http://blue.usps.gov/cyber/)) and *LiteBlue* ([liteblue.usps.gov/cyber/](http://liteblue.usps.gov/cyber/)), or the public-facing website at [uspscybersafe.com](http://uspscybersafe.com).

## Stamp Announcement 18-17: \$1, \$2, and \$5 Statue of Freedom Stamps

©2018 USPS

On June 27, 2018, in Bellefonte, PA, the U.S. Postal Service® will issue the \$1, \$2, and \$5 *Statue of Freedom* definitive stamps in one design each. The \$1 and \$2 *Statue of Freedom* stamps will be issued in a pressure-sensitive adhesive (PSA) pane of 10 stamps (Items 114200 and 114300). The \$5 *Statue of Freedom* stamp will be issued in a PSA pane of 4 stamps (Item 117900). All three will go on sale nationwide June 27, 2018.

The \$1, \$2, and \$5 *Statue of Freedom* stamps offer a modern take on vintage patriotic stamp art for use on packages, large envelopes, and other mailings. The design features the head of the statue that tops the U.S. Capitol dome in artwork based on an engraved vignette originally created for a 1923 stamp (\$5 *Head of Freedom Statue*). The tightly cropped enlargement, rendered in emerald green, indigo, and brick red, highlights the solid and dashed lines as well as the cross-hatching characteristic of engraved illustration. These stamps were printed in intaglio. Art director Greg Breeding designed the stamps using John Eissler's engraved artwork.

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.
