WARNING

- This bed rail **MUST** be used with standard box spring and mattress. And cannot be used with a mattress only.
- **WARNING FOR YOUNG CHILDREN** - This product contains small components. Please ensure that they are kept away from small children.
- This product is designed for home use and not intended for commercial use.
- Recommended # of people needed for assembly 1 (however it is always better to have an extra hand.) Estimated assembly time is 20 minutes.
- **THIS INSTRUCTION BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION. PLEASE READ AND KEEP FOR FUTURE REFERENCE**

Thank you for purchasing from DHP.

Visit www.dhpfurniture.com to view the limited warranty valid in the U.S. and Canada.

READ BEFORE BEGINNING ASSEMBLY

- Read each step carefully. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
- Make sure all parts are included. Most parts are labeled or stamped on the raw edge.
- Work in spacious area, preferably on a carpet, near the place the unit will be used.
- Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.
- You will need a phillips headed screwdriver to assemble this product.

HELPFUL HINTS

- Call our toll free number if you need assistance.
- Move your new furniture carefully, with two people lift and carry the unit to it's new location.
- Never push, drag or pull your furniture (especially on carpet).
- Your DHP furniture can be disassembled and reassembled to move.
- Additional parts are available for a nominal fee.

Warranty Information

DHP warrants this product to be free from defects in material and workmanship and agrees to remedy any such defect. This warranty covers one year from the date of original purchase. This is solely limited to the repair or replacement of defective parts and no assembly labor is included.

This warranty does not apply to any product which has been improperly assembled, subjected to misuse or abuse or which has been altered or repaired in any way. Liability for consequential damages is excluded to the extent exclusion is permitted by law. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

To obtain warranty service, purchaser must present original bill of sale. Components repaired or replaced are warranted through the remainder of the original warranty period only. The defective components will be repaired or replaced without charge, subject to the terms and conditions described above.

HARDWARE NOTE:

Please do not completely tighten any screws until the entire assembly is complete. Once assembly is complete, please be sure tighten all hardware

1

Open the Rails (A, B, C & D) and pair the Rails (A & B) and (C & D) by attaching them to the Connecting Plate (G) using bolts (1) and Nuts (4), then attach Mid-Foot (F) by using bolt (1), as shown in detail (1). Attach foot (E) to Rails (A, B, C & D) by using bolt (2) & nuts (3) as shown in detail (2)

2 Depending on the desired box spring size (Twin, Full or Queen), attach the Rails (A & C) and (B & D) to each other by sliding the shoulder rivets into the keyhole slots as shown below

3

Attach Center Rails (J & I) and the Mid-foot (F) to the assembly by using bolts (1 & 7), as shown in detail (1 & 2). Note that the width of the bed rails can be adjusted to the width of box spring. Fix the Footie (H) to the legs.

Note that Center Rails (J & I) and Mid-foot (F & H) are not needed for TWIN position, but MUST be used for Full and Queen positions"

4

YOU'RE DONE!

" Make sure angles are set to right angles (90°) "

" Use standard box spring and mattress "

PAGE 08

"Assurez-vous que les coins sont fixés dans les angles droits (90 °)" "Utiliser le matelas à ressort standard argent"

IMPORTANT / IMPORTANTE

Extra washers attached with the hardware blister pack are to be used when you attach the bed frame to the headboard in case that the bolts coming with the headboard is $\frac{1}{4}$ " (or M6) instead of $\frac{5}{16}$ " (or M8), please follow the washer identification and assembly instruction below:

Las arandelas adicionales que vienen con el paquete de plastico se deben de usar cuando se instala el armazon de la cama a la cabecera.

En caso de que los tornillos que vienen con la cabecera sean de $\frac{1}{4}$ " (o M6) en lugar de $\frac{5}{16}$ " (o M8), por favor, siga la identificacion de las arandelas y las instrucciones de instalacion:
