

With Cigna + Oscar, meds are simple and convenient.

HOW DOES IT WORK?

Pay the lower price.

Cigna + Oscar members pay the lower price when it comes down to the cost of the drug or applicable copay.

Save money on prescriptions.

- Get commonly prescribed drugs for just \$3.¹ See the list at hioscar.com/3-dollar-list.
- Select TN Health Savings Account (HSA) plans include access to certain medications—called the Expanded Preventive Care List²—without requiring members first satisfy the plan's high deductible. Learn more at hioscar.com/asset/c-o-2021-prev-drugs-tn.
