A. Centralized Account Processing System (CAPS)

CAPS is an electronic postage payment system that gives business mailers a centralized, convenient, and cost-effective way to fund items such as Permit Imprint, Express Mail Corporate Accounts, Address Element Correction, and more. The system provides an electronic alternative to presenting checks and cash for postage and fees at multiple Post Offices.

For more information about CAPS, see Section E on page 2 and the CAPS website at <http://caps.usps.gov>.

E. Information About CAPS Accounts

1. It takes 10–14 days to process a CAPS application. When the application is accepted, the CAPS Service Center will mail a welcome package that includes a CAPS account number, password, EFT instructions, and other information.
2. For a CAPS Debit account application, the CAPS Service Center must complete a pre-note test successfully to validate the applicant's bank information before permit linking can proceed. The debit pre-note process can take 5–7 days to complete.
3. For a CAPS Trust account application, the customer must complete a successful US\$1.00 test before permit linking can proceed.
4. Use PS Form 6002 to provide information about permits to be paid through a CAPS account. You may also use this form to link additional permits in the future. To link additional permits, submit account information on PS Form 6002 or on company letterhead signed by an authorized contact person for the CAPS account, to CAPS Service Center at the address in Section B. You must establish a permit at the mailing Post Office before the permit can be added to a CAPS account.
5. Submit a change of company contacts, address, or name of the company to the CAPS Service Center:
 - a. Through the Account Inquiry page at <http://caps.usps.gov>; or

8. For returned debit transactions, CAPS customers must submit the applicable funds via wire transfer immediately upon notification by the CAPS Service Center. Returns for insufficient funds and failure to transfer funds immediately may result in revocation of debit account status or termination of the CAPS account.
9. A CAPS account that is inactive for 18 months or more will be automatically closed. If a CAPS Trust account has a balance of more than \$100.00, CAPS will mail a refund to the account address of record. Send a request for a refund on company letterhead, signed by an authorized contact person for the CAPS account, to the address in Section B.
