Welcome to Your Awesome Groupon Deal - \$249 Semi-Private Beach Class!

GROUPON

We may not be anthropologists, but our observations have shown that men and women living in the urban jungle are decidedly tame. Show off your wild side with today's deal from [Pacific Wilderness](#): Spend two weekends learning how to scuba dive and receiving the PADI Open Water Certification at this San Pedro habitat -- and off the coast of California -- for \$249 (a \$500 value). For the first Saturday and Sunday session, study from the books and take part in two four-hour sessions with professional trainers in an indoor heated pool. On the second weekend, your focus group will head to a Local Beach for some OpenWater Fun! You may see eels, bat rays, sea lions, and more during your Dive. This half-off deal is your chance to escape from the everyday grind and make a splash.
