Evidence-Based Clinical Summaries and Clinical Skills

Cochrane Clinical Answers - clinically focussed research from Cochrane Reviews. Each CCA contains a clinical Q&A with data on outcomes relevant to healthcare professionals and links to graphics.

Best Practice - regularly updated, this resource draws on the latest evidence-based research to offer step-by-step guidance on diagnosis, prognosis, treatment and prevention. App available.

The Royal Marsden Manual - provides up-to-date, detailed, evidence-based guidelines for over 200 procedures related to every aspect of a person's care.

Clinicalskills.net - an online educational resource with illustrated, step-by-step guidelines on clinical procedures.

Clinical Key - a decision-making resource that draws relevant answers from a wide range of current, comprehensive content across 30+ medical specialties.

Prescribing guidance

BNF and **BNF for Children**: the essential reference for prescribing, dispensing and administering medicines.

Evidence Searching

We provide evidence to answer questions about patient care, service improvement, research and clinical teaching. Recent searches for Community Health and Care include:

- *Patient outcome measures relating to nurses in the community setting*
- *Experiences of Children's Community Nurses delivering End of Life Care in the community*
- *Community nurses using Doppler assessments on wound care - what are the benefits?*
- *Can short term interventions in primary care result in long term engagement in community services?*
- *Nurses' role in providing person-centred care for individuals with dementia in a community based setting*
- *Mobile clinical skills lab for training community teams*

To request a search, please fill in the request an evidence search form on the library website.

Information Skills Teaching

We offer a wide range of skills sessions to support evidence based healthcare.
For more information, see the teaching section on our website or contact uhsussex.library@nhs.net

Save yourself time and ensure you are up-to-date on the latest developments with KnowledgeShare, our award-winning current awareness service. It also links you with colleagues in other trusts to enable sharing of research and best practice on Community Health and Care.
