Key Features

Available 4MOTION® All-Wheel Drive with automatic transmission

Keep your composure on uneven surfaces. If road conditions change, the system calculates the optimal drive torque for the rear axle and shifts power accordingly. It ensures optimum traction on most surfaces even in adverse weather conditions.

Available Adaptive Cruise Control (ACC)**

With ACC engaged, your speed is automatically regulated if the vehicle ahead is moving slower. You don't have to touch the gas or brake pedals. You can also specify the distance between you and the car ahead.

Available App-Connect†

Stay connected with ease. Simple voice commands let you search for your favourite tunes, find a new place to eat, and stay in touch with family and friends. You can also dictate text messages and have incoming texts read to you. It's the ultimate adventure tool. Works via Android Auto™, Apple CarPlay™ and MirrorLink™.

Available Light Assist

This is a very convenient feature when you are driving outside of the city and are using the high beams. The system can automatically turn off the high beams temporarily when there is a vehicle ahead of you in your lane or coming toward you in the oncoming lane.

Available Fender® Premium Audio System

This 400-watt system delivers uncompromised clarity in high, low and mid ranges. And each of the 8 speakers has been carefully situated to give you the very best listening experience possible.

Available Lane Assist†

The system senses if your car is drifting out of your driving lane, warning you with a corrective steering intervention.

*Do not drive distracted. †Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road. **In emergency situations, it is still necessary to apply the brakes manually.

Trendline (TL)

Engines:

- 1.8 TSI[®] 170 HP, 5-speed manual transmission
- 1.8 TSI[®] 170 HP, 6-speed automatic transmission with Tiptronic[®]

*Base MSRP of a new and unregistered 2017 Golf SportWagen 1.8 TSI[®] Trendline with 5-speed manual transmission is \$24,890, \$1,645 freight and PDI and \$100 a/c levy included. Licence, insurance, registration, options, any dealer or other charges and applicable taxes are extra. Dealer may sell for less. Higher trimlines of the 2017 Golf SportWagen are shown and some include optional equipment.

© 2016 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
