

# PRODUCT END-OF-LIFE (EOL)

Vertiv™ DI-Strip Rack PDUs

## OVERVIEW

**Models:** DI-Strip Rack PDUs (North American markets)

- EOL Announcement – December 17, 2018
- Last day to accept orders – January 31, 2019
- Last shipment – February 28, 2019
- End of Life – December 17, 2023

Effective December 17, 2018 the Vertiv™ DI-Strip Rack PDU product family will begin the EOL process with end of distribution on February 28, 2019.

With the recent addition of Geist® Global to the Vertiv family as our Rack PDU Center of Excellence (COE), the transition to Geist-branded Vertiv Rack PDUs offers several strategic advantages to our customers, including:

- Expanded portfolio of Basic Rack PDUs compared to DI-Strip offerings.
- Lower, more competitive cost structure.
- The ability to upgrade select Basic rPDUs to intelligent units via addition of an Interchangeable Monitoring Device (IMD).
- Locking outlets on select models using standard server cords via “U-Lock” receptacles.
- Quicker lead times with just-in-time, configure-to-order, global manufacturing.
- Multiple standard options for colors and input power cord lengths without an SFA.

Information on the Geist Rack PDU product family is available at [www.geistglobal.com](http://www.geistglobal.com)

## The following SKUs are impacted by this EOL with Vertiv Geist cross-over models shown:

SKU	DESCRIPTION	VERTIV GEIST SUBSTITUTE
<b>120V AC-1PH Input / Output – COMBINATION RACKMOUNT &amp; VERTICAL Form Factor</b>		
035351011	9 X C13 receptacles, 20amp, L6-20P input	VHVLN102-102C13TL6
035351011	9 x 5-15R receptacles, 15amp 5-15P input	NSVLN080-101S15
035351041	9 x5-20R receptacles, 20amp L5-20P input	NSVLN080-102S20
035351021	12 x 5-15R receptacles, 15amp 5-15P input	NSVCN140-101S15
035351031	18 x 5-15R receptacles, 15amp 5-15P input	NSVCN140-101S15
035351051	12 x 5-20R receptacles, 20amp 5-20P input	NSVCN140-102S20
035351061	12 x 5-20R receptacles, 20amp L5-20P input	NSVCN140-102S20TL
035351081	24 x NEMA 5-20R receptacles, 30amp L5-30P input	XPB240-103D20TL5
<b>200-240V AC -1PH Input / Output – COMBINATION RACKMOUNT &amp; VERTICAL Form Factor</b>		
035352011	9 x C13 receptacles, 20amp L6-20P input	VHVLN102-102C13TL6
035352021	9 x C13 receptacles, 20amp C20 input	BRELN102-0020/16
035352051	4 x C19 receptacles, 30amp L6-30P input	VRELN080-103I44TL6
<b>200-240V AC -1PH Input / Output – VERTICAL Form Factor</b>		
035352031	12 x C13 receptacles, 20amp L6-20P input	VHVLN102-102C13TL6
035352041	12 x C13 receptacles, 20amp IEC320 C20 Expansion unit, Expansion input	BRELN102-0020/16
035352061	24 x C13 receptacles, 30amp L6-30P input	VREBN240-103C13TL6
035352078	20 x C13 & 4 x IEC-C19 receptacles, 30amp L6-30P input	No Cross – See <a href="http://www.geistglobal.com/pdu-search">http://www.geistglobal.com/pdu-search</a>

**120V AC-1PH Input / Output – COMBINATION RACKMOUNT & VERTICAL Form Factor**

035353011	6 x C19 receptacles, 208VAC-1Ph output, 30amp L21-30P input	No Cross – See <a href="http://www.geistglobal.com/pdu-search">http://www.geistglobal.com/pdu-search</a>
035353021	18 x C13 + 6 x C19 receptacles, 208VAC-1Ph output, 20amp L21-20P input	VHVBN308-102IN6TL21
