The Cisco Continuing Education Program offers Associate, Specialist, Professional and Expert level Cisco certification holders' flexible options to recertify by completing a variety of eligible Continuing Education (CE) items.

Use the [Continuing Education portal](#) to be up to date on the latest CE news, find information on pre-approved courses and submit your claims. The next few pages will walk you through how to get started.

1 Visit the [CE website](#) to familiarize yourself with the program.

2 Log in to the CE portal at <https://ce.cisco.com>.

3 **My Dashboard view:**
On the CE dashboard, you can read banners with the latest CE news.

See your certification summary in the *Certification* table.

View your CE claim history in the *My Items* table.
