

# Xerox Supplies Recycling Program Instructions

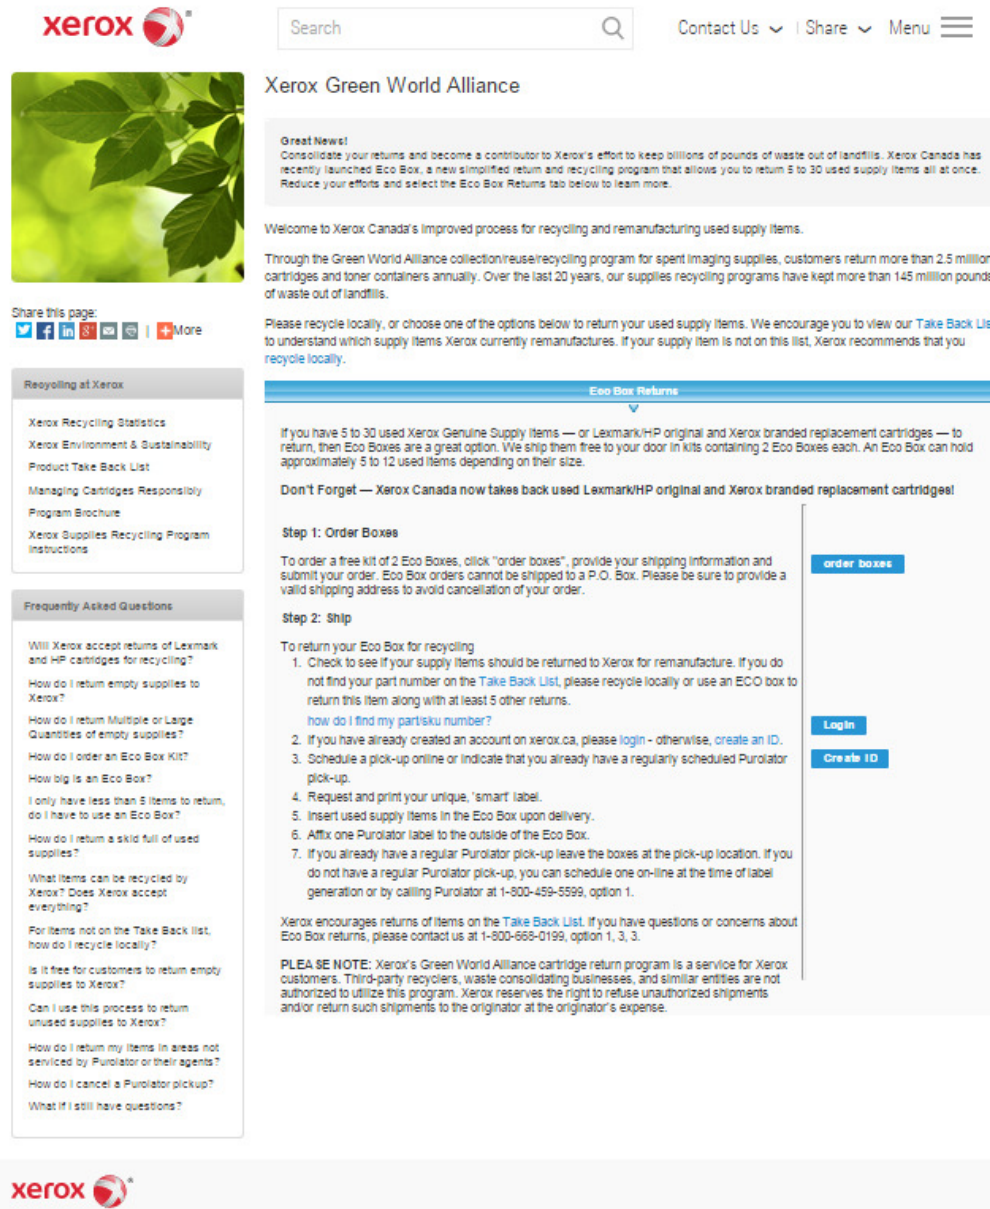

**This document outlines the instructions on how to create a return shipment on [Xerox.ca](https://www.xerox.ca)**

# Step 1 - Login to [www.xerox.ca/about-xerox/recycling/enca.html](http://www.xerox.ca/about-xerox/recycling/enca.html)

- Go to <http://www.xerox.ca/about-xerox/recycling/enca.html>

The screenshot shows the Xerox Green World Alliance website. At the top left is the Xerox logo. To its right is a search bar and navigation links for 'Contact Us', 'Share', and 'Menu'. Below the logo is a green leaf image. The main heading is 'Xerox Green World Alliance'. A 'Great News!' section highlights the Eco Box program. A 'Welcome' message follows. The 'Eco Box Returns' section is highlighted in blue and contains instructions for returning used supply items. It includes a 'Don't Forget' note, two steps: 'Step 1: Order Boxes' and 'Step 2: Ship', and a 'PLEASE NOTE' section. On the right side of the 'Eco Box Returns' section, there are three buttons: 'order boxes', 'Login', and 'Create ID'. On the left side, there are two sidebar menus: 'Recycling at Xerox' and 'Frequently Asked Questions'. The 'Recycling at Xerox' menu includes links for 'Xerox Recycling Statistics', 'Xerox Environment & Sustainability', 'Product Take Back List', 'Managing Cartridges Responsibility Program Brochure', and 'Xerox Supplies Recycling Program Instructions'. The 'Frequently Asked Questions' menu lists various questions about returns, such as 'Will Xerox accept returns of Lexmark and HP cartridges for recycling?' and 'How do I return empty supplies to Xerox?'. The Xerox logo is also present at the bottom left of the page.

## Xerox Green World Alliance

**Great News!**  
Consolidate your returns and become a contributor to Xerox's effort to keep billions of pounds of waste out of landfills. Xerox Canada has recently launched Eco Box, a new simplified return and recycling program that allows you to return 5 to 30 used supply items all at once. Reduce your efforts and select the Eco Box Returns tab below to learn more.

Welcome to Xerox Canada's improved process for recycling and remanufacturing used supply items.

Through the Green World Alliance collection/reuse/recycling program for spent imaging supplies, customers return more than 2.5 million cartridges and toner containers annually. Over the last 20 years, our supplies recycling programs have kept more than 145 million pounds of waste out of landfills.

Please recycle locally, or choose one of the options below to return your used supply items. We encourage you to view our [Take Back List](#) to understand which supply items Xerox currently remanufactures. If your supply item is not on this list, Xerox recommends that you recycle locally.

### Eco Box Returns

If you have 5 to 30 used Xerox Genuine Supply Items — or Lexmark/HP original and Xerox branded replacement cartridges — to return, then Eco Boxes are a great option. We ship them free to your door in kits containing 2 Eco Boxes each. An Eco Box can hold approximately 5 to 12 used items depending on their size.

**Don't Forget — Xerox Canada now takes back used Lexmark/HP original and Xerox branded replacement cartridges!**

**Step 1: Order Boxes**

To order a free kit of 2 Eco Boxes, click "order boxes", provide your shipping information and submit your order. Eco Box orders cannot be shipped to a P.O. Box. Please be sure to provide a valid shipping address to avoid cancellation of your order.

**Step 2: Ship**

To return your Eco Box for recycling

1. Check to see if your supply items should be returned to Xerox for remanufacture. If you do not find your part number on the [Take Back List](#), please recycle locally or use an ECO box to return this item along with at least 5 other returns.  
[how do I find my part/ku number?](#)
2. If you have already created an account on xerox.ca, please [login](#) - otherwise, [create an ID](#).
3. Schedule a pick-up online or indicate that you already have a regularly scheduled Purolator pick-up.
4. Request and print your unique, "smart" label.
5. Insert used supply items in the Eco Box upon delivery.
6. Affix one Purolator label to the outside of the Eco Box.
7. If you already have a regular Purolator pick-up leave the boxes at the pick-up location. If you do not have a regular Purolator pick-up, you can schedule one on-line at the time of label generation or by calling Purolator at 1-800-459-5599, option 1.

Xerox encourages returns of items on the [Take Back List](#). If you have questions or concerns about Eco Box returns, please contact us at 1-800-665-0199, option 1, 3, 3.

**PLEASE NOTE:** Xerox's Green World Alliance cartridge return program is a service for Xerox customers. Third-party recyclers, waste consolidating businesses, and similar entities are not authorized to utilize this program. Xerox reserves the right to refuse unauthorized shipments and/or return such shipments to the originator at the originator's expense.

**Frequently Asked Questions**

- Will Xerox accept returns of Lexmark and HP cartridges for recycling?
- How do I return empty supplies to Xerox?
- How do I return Multiple or Large Quantities of empty supplies?
- How do I order an Eco Box Kit?
- How big is an Eco Box?
- I only have less than 5 items to return, do I have to use an Eco Box?
- How do I return a skid full of used supplies?
- What items can be recycled by Xerox? Does Xerox accept everything?
- For items not on the Take Back list, how do I recycle locally?
- Is it free for customers to return empty supplies to Xerox?
- Can I use this process to return unused supplies to Xerox?
- How do I return my items in areas not serviced by Purolator or their agents?
- How do I cancel a Purolator pickup?
- What if I still have questions?

**xerox**

## Step 2 – Eco Box Returns – Order Eco Boxes

- If you have 5 – 30 please order a free ECO BOX for your empties (Shown below).
- You can also create your own eco box from any empty box you have on hand (i.e. large paper towel box). Simply place the empty supplies into their original box. Place all your empties into a garbage bag. Tie the garbage bag and put into your large box. Seal your box and print and attach the Purolator label to your box.
  - **Boxes cannot exceed 23 x 23 x 18 inches (L x W x H)**

The screenshot shows the Xerox Green World Alliance website. At the top left is the Xerox logo. To its right is a search bar with a magnifying glass icon. Further right are links for 'Contact Us', 'Share', and 'Menu'. Below the logo is a large image of green leaves. The main heading is 'Xerox Green World Alliance'. A 'Great News!' section highlights the Eco Box program. A 'Recycling at Xerox' sidebar lists various resources. The main content area features an 'Eco Box Returns' section with a blue header and a 'Don't Forget' notice. A 'Step 1: Order Boxes' section provides instructions, with a blue 'order boxes' button circled in red.
