Features

Benefits

Large oven capacity

At 129 litres, this large capacity oven will accommodate even the biggest of meals.

Triple glazed thermo-reflective door

The triple layered door with thermo-reflective glass offers not only a cooler to touch surface, but also increases the energy efficiency as the heat is retained within the oven.

Fully programmable

The fully programmable touch control operation enables you to set the start and finish time of your cooking where the oven will automatically switch off when finished.

Twin fan

With twin fan ring elements, it ensures an even cooking distribution inside the 129 litre cavity.

Multifunction

Multifunction ovens enable you to cook with a combination of heat from the top and bottom elements, offering versatility, control and better results when cooking a variety of dishes.
