ALL-NEW FORD F-150 EXTERIOR DESIGN

BRILLIANT STRENGTH.

It's an old adage: choose brains or brawn, you can't have both. Yet Built Ford Tough[®] trucks have combined them for decades. The 2021 Ford F-150[®] pickup takes the partnership even further. Visionary technology and massive capability work in unison to make life easier and to outsmart difficult challenges. This isn't brains vs. brawn. No, this is brains *and* brawn – a unique combination of features and capabilities that can help you be more productive whether you're on the clock or off. Here's proof.

TOWING ALL-NEW FORD F-150

TOW LIKE APRO.

CAMERAS, RADAR, SENSORS DRIVE TOWING TECH.

The F-150[®] pickup has long offered the available 360-Degree Camera to help make towing easier.¹ And now, there are even more features to pitch in. Use the Rear View Camera with Dynamic Hitch Assist to center the tow ball under the trailer coupler. Once properly hitched, tap into the available Tow Technology Package features: The Smart Trailer Tow Connector can warn you if trailer lights are out, and shows you trailer battery status. It can even alert you to potential trailer theft via the FordPass[™] App² on your smartphone if your trailer is disconnected while you're away from the vehicle. After initial set up, Pro Trailer Backup Assist^{™3} simplifies truck steering to back up your trailer while new Trailer Reverse Guidance³ camera views and screen graphics help you maneuver. So you'll be parked in no time.

360-DEGREE CAMERA TECHNOLOGY Available to help you clearly see all sides of your vehicle when maneuvering in tight spaces.

REAR VIEW CAMERA WITH DYNAMIC HITCH ASSIST Standard on all trim levels, it helps you hook up your trailer with ease.

This available feature provides camera views and steering guidance graphics to assist in backing up and parking a trailer.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. 2. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. FordPass Connect, the FordPass App and complimentary Connected Service are required for remote features (see FordPass Terms for details), Connected service features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. 3. Please consult your owner's manual or Pro Trailer Backup Assist Quick Start Guide for information on setting up your trailer. 4. Additional charge.

Follow the Quick Start Guide to program one or more trailers into available Pro Trailer Backup Assist.

CARRY THAT

No doubt about it: Payload's a big deal. That's why we use Built Ford Tough® advanced engineering, robust materials and rugged construction to make heavy payloads possible. From getting cargo onboard to managing what's in the box, we offer the smart tools that help make the most out of all that capability. Get easier bed access with available features such as step bars and running boards that extend all the way to the wheel wells, and the Tailgate Step. So when you want to carry that weight, do it with the all-new Ford F-150.®

NEW CARGO BOX CAMERA It lets you check on cargo and tie-downs, as well as see if the tailgate is closed. Included in the available 360-Degree Camera.¹

NEXTEGEN

AIRSTREAM

In yet another leap forward for our tough, smart, productive trucks, the available 3.5L PowerBoost Full Hybrid V6 engine combines the proven 3.5L EcoBoost[®] twin-turbo V6, a transmission with an integrated electric motor, and a lithium-ion battery pack to intelligently store and augment power by up to 44 hp (33kW) when you need it most. F-150[®] models with PowerBoost deliver the same passenger and cargo room as equivalent models without PowerBoost.

Ford torture-tested the 2021 F-150 hybrid powertrain to make sure it will operate in extreme conditions and meet customer demands. Our teams took it up the grueling Davis Dam grade in Arizona, through the high altitudes of Colorado, and into the brutal cold of Manitoba, Canada.

PowerBoost lives up to Built Ford Tough[®] commitment and meets the demands of those who work hard and play harder.

12,700 LBS. MAX. AVAILABLE TOWING¹

NEW POWER AUTHORITY. **PRO POWER ONBOARD.**

With available Pro Power Onboard, the 2021 F-150[®] pickup offers best usable power on demand in the class. From Tailgater to Contractor, available 2.0kW, 2.4kW and 7.2kW systems let you choose the output¹ that meets your needs. Plug into the available AC outlets located in the cab and box and use the dashboard SYNC® 4 screen or FordPass[™] App² to track combined wattage used by connected devices.³ Choose the available PowerBoost[®] Full Hybrid engine, and the vehicle's lithium-ion battery can help run your job site. If the hybrid battery gets low, the engine can start automatically⁴ to recharge it and you can keep working. When the weekend rolls in, throw the ultimate tailgate party by plugging in a TV and portable fridge. Then let the games begin.

1. Maximum power draw not to exceed limits specified in the vehicle owner's manual. See owner's manual for important operating instructions. 2. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. FordPass Connect, the FordPass App and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service features depend on compatible AT&T network availability Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. 3. Must be within 36 feet of vehicle to control energy usage. 4. Automatic engine restart requires that Generator Mode is engaged. 5. Power may also be limited in Drive mode, or certain ambient temperature conditions. Some electrical equipment requires higher startup power than the running rating and could exceed the power capacity of the system. See owner's manual for important operating instructions.

CONFIDENCE. MILE AFTER MILE.

FORD CO-PILOT360[™] TECHNOLOGY

With their ability to monitor situations and conditions, this well-rounded collection of advanced driver-assist¹ systems can supplement your driving skills, helping you feel confidently in command. Every 2021 Ford F-150[®] pickup includes the following standard technologies:

AUTO HOLD

AUTOLAMP (AUTOMATIC ON/OFF HEADLAMPS) WITH AUTO HIGH BEAMS

LANE-KEEPING SYSTEM

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING (AEB)

REAR VIEW CAMERA WITH DYNAMIC HITCH ASSIST

LARIAT™ SUPERCREW[®] 4x4. Rapid Red Metallic Tinted Clearcoat.² Available Sport Package. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. 2. Additional charge. 3. Navigation services require SYNC[®] 4 and FordPass Connect, complimentary Connected Service and the FordPass App (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation. Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 4. Active Drive Assist is a hands-free highway driving feature. The Active Drive Assist Prep Kit contains the hardware required for this feature. Software for the feature will be available for purchase at a later date. Active Drive Assist functionality expected 3rd quarter 2021CY. Separate payment for feature software required to activate full functionality at that time. 5. FordPass Connect, the Ford Pass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

SYNC® 4: CONNECTING. FASTER AND EASIER.

Today, being connected means you don't have to miss out on that project bid. You find the subcontractors you need, you can navigate around traffic to deliver on time, and receive a text reminding you to pick up another ton of gravel. It needs to be seamless from home to truck to job site, helping you take advantage of opportunities as they arise. New SYNC 4¹ from Ford does this by bringing new levels of intelligence, conversational voice recognition and twice the computing power of SYNC 3 to help make navigation, music and connecting your vehicle to your smartphone faster and easier. It's like having an extra crew member in your truck.

LARIAT™ SUPERCREW[®] 4x4. Black premium leather-trimmed seating. Available Sport Package. Available equipment. Don't drive while distracted. CHECK YOUR TRUCK.

AT THE WHEEL, ACROSS THE COUNTRY.

When it comes to using your truck's smarts, flexibility is important. Use the dashboard SYNC[®] 4 screen or the FordPass[™] App with FordPass Connect¹ to control complimentary remote features² like start/stop, lock/unlock, scheduling a start, locate vehicle and vehicle health. The app gets even smarter with available Zone Lighting controls and towing-specific features like Trailer Light Check and Trailer Theft Alert.

With available Zone Lighting, you decide when the day is over – not the sun. Activate up to four³ perimeter lighting zones to shed some light on whatever you're doing with a tap.

YHALERALIGHT CHECK HELE TRAILER LIGHT CHECK IN PROGRESS Plaase observe the following lights from outside your vehicle to verify that they are working property Area turn signal finals lights f

NEW TRAILER LIGHT CHECK

Available Trailer Light Check runs a test pattern for your truck lights with a tap. Your turn signals, brake lights and reverse lights will turn on and repeat 5 times so you can make sure everything works before hitting the road.

XLT SUPERCREW[®] 4x4. Race Red. Available equipment.

1. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation

of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 2. Remote start and remote lock/unlock require power door locks. 3. Number of lighting zones depends on vehicle configuration.

GET MORE DONE WITH YOUR NEW MOBILE OFFICE.

The 2021 Ford F-150® pickup is a tool to be reckoned with. And now, we expand the range of utility inside the truck with the available Interior Work Surface. There are 2 styles ready to go anytime your truck is parked. The first can equip the available flow-through center console. Its lid unfolds to reveal a generously sized work surface. It can open completely flat because the motorized shifter moves out of the way at the touch of a button. The second can equip the 40/20/40 front bench. Fold the center seat down, and its Interior Work Surface slides forward and swivels into position. Combine the Interior Work Surface with your smartphone, SYNC® 41 and the FordPass[™] App² and you're definitely in business. (Neon "OPEN" sign not included.)

KING RANCH® SUPERCREW® 4x4. Norias/Mesa Antique Affect Del Rio leather seats with vinyl piping. Available equipment.

1. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **2.** FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. MOTORIZED. STOWABLE SHIFTER A clever available solution to give the center consolemounted available Interior Work Surface room to open.

TRIED AND TRUE

Built Ford Tough® values are the ties that bind the doers of the world to the trucks that get things done. It motivates the creativity of our designers, the ingenuity of our engineers, and affects nearly every component, part and assembly that go into Built Ford Tough trucks. It's the call to test our trucks to the limit, and the duty to deliver trucks that stand the test. It spans millions of miles over the decades, and it's helped make F-Series® America's best-selling trucks for 43 years.¹ Put one to the test and discover what Built Ford Tough means to you.

THE RUGGED FRAME

Fully boxed, with 8 muscular crossmembers and large, cross-section frame rails. Comprised of high-strength steel, it's electrocoated with a durable protective shell that helps inhibit rust.

THE BODY AND BOX

Constructed of high-strength, military-grade, aluminum alloys,² the panels are hardened through heat treating for even greater strength. Plus, the aluminum alloy body and box don't rust and resist corrosion.

XL SUPERCABTM 4x4. Velocity Blue Metallic. Available STX[®] Package. Available equipment. (Max. Payload 2,240 lbs. when properly equipped with 5.5' box and available 5.0L V8 engine.) 1. Best-selling trucks for 43 years based on 1977-2019 CY total sales. 2. 6000-series aluminum alloy. 3. Max. payload of 3,325 lbs. on Regular Cab 8' box 4x2 with available 5.0L V8

LONG, WIDE REAR LEAF SPRINGS

Their length helps increase spring life for the long haul, and the rear spring bushings have been tuned with ride quality in mind. Spring width helps stabilize axle control, while balancing ride smoothness with best-in-class payload capability.³

CRASH ENERGY MANAGEMENT

A masterful mix of high-strength, military-grade aluminum alloys work with the high-strength-steel frame structure to manage crash/crush energy into the F-150 passenger compartment in certain front, side and rear impacts.

engine and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.

1. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **2**. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford. 3. Always wear your safety belt and follow airbag warning label instructions. 4. Restrictions may apply. See your dealer for details. 5. Not available on 3.3L with available Trailer Tow Package. 6. Ford Licensed Accessory. 7. Navigation services require SYNC 4 and FordPass Connect, complimentary Connected Service and the FordPass App (see FordPass Terms for details). Eligible vehicles may receive a complimentary 90-day trial of navigation services, or if applicable, a 3-year trial of built-in navigation services that begin on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a fordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate, or depending on vehicle, the built-in connected navigation service will terminate. Built-in navigation system will revert to embedded offline navigation after termination. 8. Includes 3-month All Access trial subscription. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your Sirius XM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.

£

1. Restrictions may apply. See your dealer for details. 2. Navigation services require SYNC 4 and FordPass Connect, complimentary Connected Service and the FordPass App (see FordPass Terms for details). Eligible vehicles may receive a complimentary 90-day trial of navigation services, or if applicable, a 3-year trial of built-in navigation services that begin on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate, or depending on vehicle, the built-in connected navigation service will terminate. Built-in navigation system will revert to embedded offline navigation after termination. Connected service and features depend on compatible AT&T network availability. Evolving technology/ cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 3. Active Drive Assist is a hands-free highway driving feature. The Active Drive Assist Prep Kit contains the hardware required for this feature. Software for the feature will be available for purchase at a later date. Active Drive Assist functionality expected 3rd guarter 2021CY. Separate payment for feature software required to activate full functionality at that time.

AVAILABLE EQUIPMENT GROUPS & PACKAGES

ΧI

Equipment Group 101A: XL Power Equipment Group (see content below) + cruise control + Reverse Sensing System

OVER-THE-AIR UPDATES

From new features to minor software enhancements, we can continuously keep your truck on the forefront of technology. Over-the-Air Updates⁵ are automatically delivered directly to your vehicle via standard FordPass™ Connect or Wi-Fi. We make sure your truck has the very latest without missing a beat.

XLT SUPERCREW 4x4. Race Red. Available Chrome Package. Available equipment.

ADDITIONAL FEATURES

AVAILABLE FX4 OFF-ROAD PACKAGE Includes off-road-tuned front shocks, skid plates, Hill Descent Control, Rock Crawl drive mode and more.

ADDITIONAL TECHNOLOGY

the FordPass App.⁵

Front, back and side-to-side, you can control exactly

which exterior lights are on from inside the cab or with

4. Includes a 3-month All Access trial subscription. Sirius XM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your Sirius XM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly. 5. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

Choose B&O Standard or Unleashed Sound System. Either ups your audio game by orders of magnitude.

Payload Notes: Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. Towing Notes: Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailertongue load weight and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rea GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.
