\* 'On the road' price includes delivery to dealer, one year's Government excise duty (see below), DVLA first registration fee and an estimate for number plates.

The delivery charge will be made on all vehicles for delivery to Dealer's premises. Where delivery is not made to the customer at the dealer's premises, a further charge may be made by the dealer.

The Vehicle Excise Duty (VED) charged on new passenger vehicles (M1) is based on their engine's CO<sub>2</sub> emissions\* (expressed in grammes per kilometre (g/km)). \*CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended.

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED rate (currently £310) for five years after the end of the first registration (in addition to the standard £140 VED charge per year).

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

## OTHER PRICING CONSIDERATIONS

### Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

### VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

### Price Changes

This price list outlines Ford's Recommended On The Road prices and Recommended Retail prices. Please contact your Ford Dealer for final sale prices.

This price list is effective from 1st April 2018, and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published prices.

## ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
