Transport Assistance 2020/21

Application Form and Notes of Guidance

There is no legal requirement for local authorities to provide transport to students of sixth form age; however Essex County Council will continue to provide discretionary transport to Post 16 students who meet the policy eligibility criteria upon receipt of an application and payment of the relevant charge.

It is vital that applicants read pages 2-8 of this booklet very carefully to ensure that they are aware of the entitlement criteria, what transport is provided and what alternative and more cost effective support may be available directly from schools, colleges and operators.

You are advised not to apply until you have considered all the information provided.

Charge

The standard charge for Post 16 Transport is £900 per year.

For low income families*, the charge is £450 per year.

* Low income families are defined as those in receipt of income support or an equivalent benefit, or being in receipt of an annual household income less than £16,190. This is subject to parliamentary change.

Application Periods

There are two periods for new transport applications to be assessed. You only need to apply once for the academic year – the assessment will cover the remainder of that academic year as long as the criteria are met.

The application periods are:

Autumn Term – applications received between 1 March and 30 September

Spring Term – applications received between 1 October and 31 January

Where an application is received after the Autumn Term closing date (30 September), transport will be considered for January onwards.

Example Case: An application is received on the 3 November. Transport would be considered for a spring term start. A fresh application would not be required for summer term, only payment of the charge.

In the case of a new requirement for transport from 1 February onwards, parents/students are advised to refer to pages 6-8 for other assistance that may be available.

Do you qualify?

Please consider the following before completing this application form:

1. The student must be under 19 years of age prior to the beginning of the first year of the course. (i.e. a student who has already attained or will attain the age of 19 on or before 31 August before starting the course will not be eligible).
2. The student must live 3 miles or more from the 6th form/college by the shortest route to be eligible for assistance.
3. The student must be attending a full time course in a maintained school sixth form or FE college. Transport assistance is not provided to students attending private (independent) fee paying establishments.
4. The student must be attending the nearest maintained establishment at which the course, or the majority of the course is offered ("majority of course" means 50% or more eg. In the case of A/AS Levels 2 out of 3, or 3 out of 4).
5. The student must have settled status in the UK and be ordinarily resident in the UK. They must also be living within the administrative boundaries of Essex County Council (i.e. paying your council tax to a District/Borough Council of Essex) at the time of application, and for the period of any entitlement.
6. Asylum seekers and refugees will be considered for assistance under the terms of the scheme providing they are living within the administrative boundaries of ECC at the time of application. Evidence of settled status, refugee status or indefinite leave to remain in the UK is required before assistance can be determined.
7. Transport assistance will not be provided for the Summer term only.
8. Transport is only provided to one establishment.
9. Where transport is provided it will only be for the official opening and closing times of the college/6th form. ECC will not fund additional transport during the day (such as late starts or early finishes) or fund inter-site transport, work placement transport or induction/ enrolment days.
10. Where the student has an Education, Health and Care Plan (EHCP), the school named within their EHCP as the nearest suitable school/college for Post 16 education will be considered the nearest establishment for the purposes of this policy.
11. As there are many local transport operators, please be aware that the Essex County Council scheme may not be the cheapest option for you. You are advised to investigate prices locally to ensure you find the best price.
12. If the course is a two year course, a new application needs to be submitted for the second year. A reminder is not sent to reapply.

Post 16 Transport Arrangements

This page outlines what transport will be provided to entitled students. Whilst the Council is not required, by law, to provide financial support for the transport of post 16 students, it will continue to provide the following assistance in this area.

- The transport provided to eligible students should be the most cost effective to the County Council. This will be on an existing school contract bus, public bus or train.
- Taxis will not be provided. The only exceptions to this will be for those students with severe physical or learning difficulties, where, upon receipt of sufficient evidence, taxi provision will be considered. A personalised transport budget may be considered as an alternative to taxi provision.
- Connecting transport will not be provided to a pick-up point (e.g. bus stop or railway station) that is less than 3 miles from the student's home address. Where connecting transport is provided, it will be in the form of existing public or school contract transport only.
- Essex County Council will not procure new vehicles in the absence of existing public or school contract transport. Where there is no existing transport in place students/parents will be responsible for travel arrangements to the nearest pick up point, regardless of the distance.
- In the absence of any public or contract transport, a fuel allowance of 17p per mile can be considered, upon request, to the nearest pick up point providing it is over 3 miles from the student's home address. This will be up to a maximum claim of £4.95 per day.
- Where the distance from a student's home address to the college/sixth form or pickup point is less than 3 miles, transport will not be provided.
- The legal requirement to provide education transport where the route is deemed unavailable to be walked, accompanied as necessary, only applies to students of statutory school age. Therefore, such circumstances will not confer an entitlement to transport assistance for Post 16 students.
- Where students wish to attend colleges in central London and other out of county locations, transport will only be provided to the nearest main line station e.g. London Liverpool St. Students will be responsible for making arrangements from the main line station to their respective college/sixth form.
- Transport services will not be tailored to meet individual timetables, but consideration will be given whenever possible to minimise inconvenience to students. This means that specific transport will not be provided if the public or contract bus times are not in line with a student's time table. In such circumstances, students are expected to make suitable adjustments to their travel arrangements.
- In situations where, as a result of the course chosen by the student, the journey time is lengthy, whilst transport assistance will still be provided, the student/parent will be responsible for managing that journey.
- Transport assistance is not provided to learners undertaking work placements, apprenticeships or traineeships. In these circumstances learners are advised to contact their employer or learner provider.

Financial support – The 16-19 Bursary Fund

The Department for Education has made funding available to educational institutions to support the most financially disadvantaged 16 to 19 year old students and those young people who most need help with the costs of staying in education.

The 16 to 19 Bursary Fund is distributed in two distinct ways:

Central allocation to eligible young people

A yearly bursary of up to £1,200* is available to young people in one of the four defined vulnerable groups:

- Young people in care
 - Care leavers
 - Those on Income Support or Universal Credit
 - Disabled young people (in receipt of both Employment Support Allowance and Disability Living Allowance (or Personal Independence Payment)).
- Institutions are responsible for verifying that young people meet the criteria for vulnerable student bursaries. Institutions must complete a 16 to 19 Bursary Fund Vulnerable Students Funding Claim Form in order to request funding to be released to them for vulnerable students

Discretionary awards made by institutions

Educational institutions are also allocated funding from which they can make discretionary awards to young people. Discretionary awards are for any students who are facing genuine financial barriers to participating. Individual institutions determine eligibility criteria and the frequency and conditions of payments.

More detailed information on the 16-19 Bursary Fund can be found on the Department for Education website at www.education.gov.uk

To find out if you qualify, and how to make an application for the Bursary Fund please contact your college/sixth form student support team.

*subject to annual change.

Payment details

If you are assessed as eligible under the Council's policy, the next step is payment of the charge.

The charge is £900 or £450 for low income families (as defined below). This can be paid by either of the following options.

- One payment of £900 (or £450 for low income families) paid via credit/debit card. Once you are assessed we will write to you to request this payment. This letter will explain how to make payment. **Please ensure you do not make any payment prior to our request.**

Or

- Three termly instalments of £300 (or £150 for low income families) paid via credit/debit card.

Once you are assessed we will write to you to request payment. **Please ensure you do not make any payment prior to our request.**

For low income families please ensure you provide sufficient benefit evidence along with your application form to enable us to request the correct amount.

Please note we no longer accept cheques.

Term Amount	Payment	Date payment must be received by ECC to enable receipt of ticket before the start of term
Autumn	£300/£150	Payment to be made by 20 July 2020
Spring	£300/£150	Request for payment in November Payment to be made by 13 November 2020
Summer	£300/£150	Request for payment in March Payment to be made by 12 March 2021

Low Income Families

In order to qualify for the 50% subsidy you will need to provide ALL PAGES of recently dated evidence (within the last six weeks) of one of the following benefit

- Income Support
- Income Based Jobseekers Allowance
- Income Related Employment and Support Allowance
- Pension Guarantee Credit
- Child Tax Credits (for this financial year) with a household income under £16,190* Low income families eligible for Free School Meals are entitled to the 50% subsidy. Please complete your details in Section 3 of the application if you would like us to check your eligibility.

To avoid any delay and enable us to request the correct amount please provide this evidence along with your application form.

*subject to parliamentary change

Refund Process

If transport is no longer required you may be able to apply for a refund on the travel pass. You must ensure that you have returned all passes/tickets issued to you immediately to the Passenger Transport Team, County Hall, Chelmsford, CM2 6WN. The pass will then be cancelled for refund assessment.

The following table shows refunds applicable where payment has been made on a termly basis. Refunds are calculated based on the length of time you are in receipt of the ticket by taking into account the date the ticket was sent to you and the date the ticket was received back by ECC.

Length of time in receipt of ticket/pass	Refund Due
Essex County Council incurs a cost of £60 as soon as the academic term starts.	
Up to 4 weeks	75%
4 to 8 weeks	50%
Over 8 weeks	0%
No refund will be made if you withdraw during the summer term.	
A FULL REFUND WILL ONLY BE CONSIDERED IF THE TICKET/PASS IS RECEIVED IN THE OFFICE PRIOR TO THE START OF A TERM.	

Reimbursement of costs

If a correctly completed application and payment of the charge is received by the published dates and ECC has not arranged transport for the start of term, a refund of public transport tickets or a fuel allowance of 17p per mile can be requested. Written evidence of such travel costs must be provided, e.g. original bus tickets, not photocopies, for every day that a refund is requested.

Specialist Healthcare Tasks Transport Service

If your child has a specialist healthcare need, this service will consider and decide if a risk assessment or additional assistance is required on ECC transport. This will ensure that your child's individual healthcare needs are suitably supported and appropriately managed by operator staff.

Please confirm if your child has any of the following by ticking the appropriate box:

Epilepsy	Y <input type="checkbox"/>	N <input type="checkbox"/>	Use of oxygen	Y <input type="checkbox"/>	N <input type="checkbox"/>
Emergency medication for epilepsy (e.g. Buccal Midazolam)	Y <input type="checkbox"/>	N <input type="checkbox"/>	Oral or nasal suction required (excess salivation, risk of choking etc)	Y <input type="checkbox"/>	N <input type="checkbox"/>

Anaphylaxis (severe allergic reaction requiring adrenaline autoinjector)	Y <input type="checkbox"/>	N <input type="checkbox"/>		Y <input type="checkbox"/>	N <input type="checkbox"/>

If you have ticked yes to any of the above options, please enclose a copy of your child's Health Care Plan (HCP) or Joint Epilepsy Council (JEC) care plan (Dated within the last year).

We cannot progress your application without this document.

Please continue onto page C

Please be aware that as a general rule, passenger assistants are not trained to administer rescue medication for epilepsy. They are trained to carry out specific functions that are outlined in the risk assessment that you will receive and be asked to sign. The process is explained on Page 15. Passenger assistants do not administer oral or regular medication such as asthma pumps, calpol etc. If you have any queries or concerns, please email SHTTransport@essex.gov.uk or phone the Specialist Healthcare Nurse on 0345 603 2200. Where the information is a medical need we will require documented medical evidence outlining how the medical diagnosis affects your child.

It will be assumed that the student is able to use public transport. Providing an alternative to public/contract vehicle is an exception for those children with severe physical or learning difficulties. You will have to demonstrate by the supporting evidence you provide why an alternative should be considered.

 £900 £450 **(You must provide benefit evidence dated within the last six weeks as outlined on page 9 or complete the section below. If you receive Working Tax Credits please provide your Tax Credit form for this financial year).**

If you qualify for Free School Meals and are a low income family, you are entitled to receive the 50% subsidy. If you wish us to check your free school meals entitlement on your behalf please complete the details below. This information will only be used to determine free school meals eligibility.

Section 4 - PARENT/STUDENT AGREEMENT

In order for your application to be assessed the Parent/Student agreement must be signed. I understand that:

- Transport will be provided on an academic year basis and a new application is required if the course has a second year. A reminder is not sent to reapply.
- I have checked transport cannot be sourced for a lower price elsewhere prior to submitting this application.
- I understand that should there be more than one available mode of transport (such as bus or train), transport will only be provided for the most cost effective form.
- The information I have given is, to my knowledge true and correct.
- ECC may make enquiries about the validity of the information provided on this form from other central and/or local government bodies, as deemed appropriate by the Authority
- Payment of the charge is required even if I join the scheme after the start of term.
- The County Council can withdraw the transport in certain circumstances.
- I have read the attached notes and agree to ensure my child obeys the conditions of any ticket which may be issued.
- My child will be enrolled on a full-time course and travel will be provided for one return journey per day.
- I understand that if I do not make the correct payment by the published date, I will not be eligible for any reimbursement of cost incurred for transport whilst awaiting a pass.
- I understand that only correctly completed applications can be assessed for entitlement.
- I will inform you immediately if there is a change of address, if my benefits cease or other details change and I understand that this may affect my entitlement to transport. I also understand that if I incur costs whilst a reassessment is taking place I will not receive a reimbursement for those costs.
- I agree that you can use the information I have provided to check my eligibility for free school meals and will contact other sources as allowed by law to verify my entitlement to receive the 50% subsidy and any other awards
- I give permission to the Specialist Healthcare Tasks Transport service to request and receive information relating to my child from all health professionals in his/her care with regards to transport needs. I also consent to this information being shared with all relevant professionals who are involved with the transportation of my child. If you do not wish to consent to this, please tick the box

Specialist Healthcare Tasks Transport Service Process Explained

Joint Epilepsy Council (JEC) or Health care plan received from parent

We have a duty to ensure that your child's transport is safe and appropriate; therefore if we receive notification that your child has a specialist healthcare need, we will need to investigate this.

A valid care plan must be:

- Signed by the prescribing doctor
- Dated within the last year

Case taken to the Specialist Healthcare Tasks Transport Panel

This panel will consider your child's specialist healthcare needs and will decide if a specially trained passenger assistant is required. This panel meets on a fortnightly basis.

If a specially trained passenger assistant is required

A risk assessment will now be produced by our transport nurse and sent to you.

If the Panel agrees that this is not required this process stops and your child's transport will be arranged by our Passenger Transport Co-ordination Centre.

Signature on risk assessment required

For the majority of our risk assessments only a parent/carer signature is needed.

In some cases, where a medical intervention is required, such as use of a suction machine or administration of rescue medication for epilepsy, then additional signatures are required.

Please return your signed risk assessment quickly to avoid delay in setting up transport

Passenger assistants recruited by operator

Once we receive all required signatures on a risk assessment, our education contracts team will liaise with the operator to provide two passenger assistants for training (one main and one back-up)

Training delivered

The nominated passenger assistants will then attend the relevant training course.

The training delivered will be based on the risk assessment that you have signed and returned to us

Transport can start

After successful training, your child will be able to start using transport with a trained passenger assistant.

If you have any queries or concerns about your child's specialist healthcare need or require advice on the correct paperwork to supply with your application, please email SHTTransport@essex.gov.uk or phone the Specialist Healthcare Nurse on 0345 603 2200.

If your application requires referral to the Specialist Healthcare Tasks Transport Service, the average turnaround time is six to eight weeks. However, this is dependant on the quick turnaround of paperwork and your child's individual needs.
