

# HEATING SYSTEM REBATE

ARKANSAS

This rebate form is for new qualifying high efficiency Heating Systems

Program dates: Jan. 1, 2021 through Dec. 31, 2021

- 1) Review the **Terms & Conditions** on the back of this form to ensure all program requirements are met.
- 2) The new heating system equipment must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR® website. See: [ahridirectory.org](http://ahridirectory.org) or [energystar.gov/products](http://energystar.gov/products).
- 3) A paper rebate application will need to be completed if the heating dealer doesn't submit an application through our dealer online rebate processing system. Application must be submitted in the same calendar year that the equipment was installed.
- 4) Attach a copy of the detailed sales invoice from the company that installed the heating system. The invoice must include the purchase price.
- 5) Make a copy of the completed rebate application for your records and mail paperwork to the address at the bottom of the form.

It is the responsibility of the dealer and the purchaser to ensure that the program requirements are met. If program requirements are not met, no rebate will be paid.  
\*CenterPoint Energy assigns a six-digit Dealer ID numbers to participating dealers. If a Dealer does not have a Dealer ID and would like to obtain one, they can contact us for additional information. A Dealer ID is not required to submit a rebate.

Return completed rebate form with required signatures and a detailed copy of the dated invoice from heating dealer to:

CenterPoint Energy Heating System Rebate  
1400 Centerview Drive, Suite 100  
Little Rock, AR 72211-4350

# HEATING SYSTEM REBATE

## TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village between Jan. 1 and Dec. 31, 2021. All completed applications must be post marked by Dec. 31, 2021 to be considered for a rebate.

**Heating dealers are not eligible to receive their customer's rebate** (Unless participating in the Point of Sale. For more information please see section on Point of Sale.)

**Equipment installed under warranty replacement does not qualify for the rebate.**

CenterPoint Energy reserves the right to inspect the installed equipment.

One application must be completed for each qualifying heating system installation.

## NEW CONSTRUCTION INSTALLATION

**For New Construction Installations, the building contractor should negotiate with homeowners to determine who receives the rebate.** If you are building a new home you must obtain an invoice from your builder or plumber.

			REBATE	
Heating System use (Fuel switching from electric to natural gas is not eligible rebate. Back-up heating system is not eligible for rebate.)	New equipment type	Rating as listed on AHRI or ENERGY STAR website. See <a href="http://ahridirectory.org">ahridirectory.org</a> or <a href="http://energystar.gov/products">energystar.gov/products</a>	New natural gas equipment for new construction or replacement of natural gas heating system	Residential combination rebate \$1500 total >95% AFUE Furnace and >0.80 UEF Natural gas tankless water heater installed in the same calendar year
Primary space heating	Forced air furnace	90-94.9% AFUE	\$400	N/A
Primary space heating	Forced air furnace	95% AFUE or higher	\$600	\$1000 rebate if water heater rebate has been processed before the heating system rebate
Primary space heating	Condensing Combi Boiler	95% AFUE or higher	\$1500	N/A
Primary space heating in a residential installation	Smart thermostat installed with a new qualifying heating system listed above	Must be listed on ENERGY STAR website	\$50	\$50

\* Replacing an electric heating system or heat pump for a natural gas model is not eligible for a rebate.

\*\* Back-up heating system is not eligible for a rebate.

## POINT OF SALE (POS) OPTION

Dealers and installer who deduct the rebate at Point of Sale will be eligible to receive rebate payments directly from CenterPoint Energy.

Heating dealers need to register their company to offer point of sale rebates to their customers. Register at [CenterPointEnergy.com/PointOfSale](http://CenterPointEnergy.com/PointOfSale).

## ONLINE REBATE SUBMISSION

Purchaser will receive their rebate faster if the heating dealer submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

## MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the heating dealer doesn't submit an online application on the purchaser's behalf. The purchaser of the heating system and a representative from the heating dealer are required to sign the rebate application.

## CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customer can obtain their gas account number from their monthly bill statement or online at [CenterPointEnergy.com/MyAccount](http://CenterPointEnergy.com/MyAccount).

## PROOF OF PURCHASE AND INSTALLATION

A clear detailed copy of the dated sales invoice/receipt from the heating dealer to the purchaser must be included with the completed rebate application.

**Required information on the dated sales invoice includes: the purchase price, brand and complete model number of the heating system and the dealer company name and address.**

The invoice must also list the ENERGY STAR smart thermostat brand and complete model number if installed with the heating system listed on the rebate application.

**CenterPoint Energy is unable to accept applications that do not include all of the requested information.**

## PROCESSING

Completed rebate forms will be processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after 12 weeks, you may call 612-399-1545 or email [RebateCenter@CenterPointEnergy.com](mailto:RebateCenter@CenterPointEnergy.com)

**Rebate checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.**

## APPLICATION CHECKLIST
