Overview

HP Value Thermal Receipt Printer

Model

HP Value Thermal Receipt Printer

4AK33AA

Introduction

Complete your retail solution with the HP Value Thermal Receipt Printer, a single-station thermal receipt printer built for solid and reliable retail performance.

Key Features and Benefits

- Print quickly with up to a 250 mm per second print speed and 8 MB of integrated Flash memory.
- Use the USB type A connection with your current and evolving platforms or keep your reliable legacy systems in play with a DB9 serial connection.
- Place the compact printer where you need it with the assurance that the internal steel frame will withstand the everyday wear and tear of retail environments. Set up for top or front-facing printing, whichever best suits your solution.

Overview

Compatibility

The HP Value Thermal Receipt Printer is compatible with HP Retail Point of Sale Systems.

NOTE: Not all Point of Sale system models are available in all regions.

Service and Support

Three (3) year limited warranty with advance exchange when purchased from HP.
