Working to support the
Doncaster Business Community

Introduction

What is the Chamber?

Doncaster Chamber is an independent membership organisation that brings together and speaks on behalf of businesses who want to grow and succeed in Doncaster. From sole-traders, start-ups, SMEs and charities to schools, colleges, universities and multinationals employing thousands of people, it's the breadth of our membership that sets us apart.

Make connections that count

We can connect your business with the right people. Our diverse membership base represents local businesses across all sectors at all levels of the supply chain, so whether you have a specific introduction in mind or are looking to connect with local contacts, with the Chamber you can make the connections that will help your business grow.

Supporting you with access to key services

Doncaster Chamber sits at the heart of the business community,

working to support our members with their growth, success and prosperity.

Every business member and their employees has access to a wide range of services to meet their individual needs, including finance, HR and legal advice, access to health and wellbeing support, business advice and support, international trade services and guidance, opportunities to meet prospective customers and access to a range of great savings.

Making your voice heard

We listen, advocate, lobby and represent on our members' behalf to shape the local and national business agenda and get things done. We work to support all our members and ensure that your voice - whatever the size of your business - is heard. Locally, regionally and nationally, when councils and government agencies are formulating policy that your business is subject to, we will ask the questions and get the answers you need to support your business needs.

As Chamber of the Year in 2019, we do not rest on our laurels, which is why we are pleased to launch our new membership proposition to provide further services and support to your business over the forthcoming year.

Thank you to all our members for continuing to support us, and we look forward to working with you over the coming year.

Dan Fell
Chief Executive,
Doncaster Chamber

Business expansion – courses, networking, training and support

What a fantastic opportunity the Chamber webinars provide to get answers and results from the right people. The Chamber is reacting quickly to the needs of businesses in Doncaster and supporting businesses during these incredibly difficult times. They are a superb point of information with nothing off the agenda and a great example of the many ways we can adapt to do business.

independent employee integrity helpline

Independent Employee Integrity Helpline

More employees today than ever before feel the need to seek their own independent legal advice to challenge their treatment or any issues at work. By offering your employees their own, independent, professional, and unbiased HR helpline, this is a brilliant way to develop trust and transparency in the workplace. The result of offering this cost effective employee perk is that staff are encouraged to bring issues to your attention early on before they escalate into a threat or issue for your business. This service is commercially priced and specifically discounted for Doncaster Chamber members to £2 per employee per month* (min. of £30 pcm plus vat). IEIH is proven to be more successful than workplace mediation, ACAS, or employee insurance. The service is for employees and also protects you as an employer.

CATAX
TAX RELIEF SPECIALISTS

Discount on specialist tax reliefs, including Research and Development (R&D)

Service provider: *Catex*

What does this service provide for my business?

As a member, you can access *discount on Catax specialist tax reliefs, including Research and Development (R&D), Embedded Capital Allowances on Commercial Property, The Patent Box and Remediation of Contaminated Land (RoCL). We break down the claims process for you, so all our clients need to do is provide us with some details and we'll take care of the rest. There are no complicated forms to fill out, no legal language to unpick and no tax law to get your head around. We are trusted partners with many of the UK's top accountants, solicitors, the Law Society, ICAEW and IFA amongst other industry bodies. So far, we've helped thousands of businesses claim back money from HMRC. We have identified well over a quarter of a billion pounds in tax benefit for our clients. Our Quality Management System is ISO 9001:2015 certified which demonstrates our commitment to delivering quality in the work we do. Our average client benefit is £50k for Embedded Capital Allowances and £59k for R&D and the Patent Box.

We work on a 'no claim, no fee' basis as we feel it is the fairest way to work with our clients, and have minimum claim thresholds in place. Should we discover that no claim is available, we will close our file and a fee will not be due, regardless of the work undertaken up to that point

Chamber Voice

As a Chamber member, you have the opportunity to hear the latest opinions from key individuals and decision makers on matters impacting local business, and to add your own voice to ensure we can lobby effectively on your behalf both locally and nationally. All Chamber members have access to the following:

Meet Your MP

Have your voice heard in front of key businesses and local MPs. This is your chance to discuss challenges and opportunities facing your business with those who have an influence on the borough at a local and national level.

Doncaster Business Insight: Survey

The Doncaster Business Insight Survey captures a quarterly snapshot of business sentiment on the local economy and topical business matters. Results are shared anonymously with local, regional and national policy makers and influencers to ensure your business voice is heard, any important issues are addressed and the right policies/structures are in place to support your business and the economy.

Doncaster Business Insight: Breakfast Briefing

The results of the Doncaster Business Insight Survey are presented at a breakfast event, against a backdrop of current affairs in Doncaster. A keynote speaker and panellists drawn from local businesses further discuss current business matters and how they are impacting their business and the borough.

Doncaster Business Insight: Roundtables

Doncaster Chamber members are invited to discuss an especially relevant business matter with a respective stakeholder / policy maker through our focused roundtable format. This is an opportunity to voice your aspirations and concerns and shape business policy at a local, regional and national level. Past roundtable discussions have included: Town Centre Planning, Brexit, Digital Connectivity, Wellbeing in the Workplace and Skills and Education Initiatives.

Doncaster Chamber AGM

Doncaster Chamber members are invited to this important annual meeting, to find out more about what your local Chamber is doing for you, to ask questions and put forward ideas. This is another great opportunity to meet the Chamber's leaders as well as to review the past year and plan for the future.

Doncaster Chamber raised over £500 for local charities through completed Doncaster Business Insight Surveys in 2019.

Sponsorship Opportunities

We offer a range of sponsorship opportunities ranging from networking to flagship events like the Doncaster Business Awards and Opportunities Doncaster LIVE. Subject to your business objectives, our team can discuss and tailor your sponsorship to suit your business needs, with discounts available depending on your membership package.

Increase your brand awareness through sponsorship of any of our regular or flagship events with bespoke packages available to suit all aims, objectives and budgets.

Sponsorship packages include promotional and 'on the day' branding and literature promotion, social media campaigns and the chance to address a room of potential customers.

Chamber International

Access to International Markets

Doncaster Chamber offers a range of export services to help your business to connect with and grow in the international market place, including export documentation, financial guidance, letters of credit, overseas market information and translation support. We are passionate about enabling your organisation to do business across the globe.

How we help international traders

200+ exporters access our documentation services and international trade support either directly or through a logistics services provider.

We cover a wide range of sectors from rail and automotive manufacturing to home-based retailers, who deliver a diverse range of products to customers in over 190 nations across the world. With no barriers to size or type of business, we are well positioned to support your global growth goals.

Where international trade funding schemes are available to exporters, we provide priority information to all our members about any current offers that are available throughout the year.

Going the extra mile for our clients

Our fully trained, dedicated team provide a wide range of international trade services to all internationally focused businesses and we pride ourselves on exemplary customer service delivery to all our clients. Any documentation requirements

are processed quickly and efficiently often within a working day and in most cases are ready for transit within a few hours.

Export Documentation

Doncaster Chamber is an issuing authority authorised by Her Majesty's Government for granting or certifying an officially prescribed Certificate of Origin, alongside the authentication of supporting invoices and other commercial documents. We prepare documentation in this respect under the guidance and operating conditions of the British Chambers of Commerce (BCC). We are also authorised by HMRC to process both EUR1 and ATR preferential trade documents.

Electronic export document submission for speed and efficiency

Doncaster Chamber provides an electronic document certification platform to provide the most efficient service possible to exporters. All export documents submitted through SGS eCert can be processed by us enabling faster turnaround times compared to manual submissions. We also offer a premium express certification service through the system that guarantees your document is ready in under 2 hours.

Advice and technical support can also be provided for the SGS eCert system by our team either over the phone or on a 1-2-1 basis at Doncaster Chamber, though dedicated training courses

are also available throughout the year for more detailed support.

Providing the export documents you need

Certificates of Origin

It is a customs clearance or commercial requirement in some countries to provide evidence of the origin of any incoming goods. A Certificate of Origin may be requested for any country worldwide and details the origins of all commercial goods that move under the certificate.

EUR1s

A preferential customs document required for exports to EU countries and other nations who have preferential trade agreements with the EU. This enables exporters to move goods to selected countries with either a reduced or nil 'preferential' customs duty rate.

ATRs

A customs document for preferential exports to Turkey. It serves exporters in a similar way to EUR1s by enabling a reduced or nil 'preferential' duty rate on goods exported to Turkey.

Commercial Document Authentication and Legalisation

Doncaster Chamber can authenticate documents for exporters where their clients require proof that documents are legitimate and correct. Where legalisation is also required for a destination country, the Chamber can arrange this procedure on the clients' behalf to simplify any organisational processes.

Supported by

Doncaster
Council

CHAMBER
CUSTOMS®**ChamberCustoms®
Declaration Service**

ChamberCustoms® delivers a customs declaration service for UK importers and exporters and is offered both direct to businesses and through UK freight forwarders, ensuring that customs clearance is accurate, timely and avoids additional costs through delays or errors.

With direct links to the HMRC Customs handling system and all inventory linked ports, Doncaster Chamber can guarantee that your goods, no matter where they enter or leave the UK, will be cleared for onward transportation smoothly.

Export Office Hub

For international traders that do not have the time, technical knowhow or are simply new to exporting, we offer the Export Office Hub facility to carry out any administrative work involved in exporting and importing. This service enables clients to concentrate on the more important task of developing their global marketplace. If you need additional support, this service is on hand to ensure you can deliver goods across the globe efficiently.

Global Market Research

Our clients often need to know more about the markets they are already dealing with and those that they are looking to move into. To improve your market knowledge, Doncaster Chamber offers a standardised market overview report service covering the latest research for most nations. These overview reports cover economy, key sectors, culture, and customs authority aspects, along with key links to in country organisations that can support your growth in those markets.

For companies who are looking for more detailed research, we can also link them to partners who can offer 'tailored to business' services.

Chamber International

International Trade Events and Seminars

Businesses often want to know more about markets from the people who know them or live and work in them. Doncaster Chamber offers regular opportunities throughout the year to engage with international trade professionals who provide valuable insight into the opportunities for exporters, such as our 'Doing Business In...' seminars.

In addition, we offer subject specific events to discuss the pressing issues in international trade and the opportunity to feed back into international trade policy to influence better trading conditions.

Our international trade events are offered in a variety of formats, including webinars, roundtables or conferences, and are often free to members.

Doing business in... events – 2 tickets per event

Members already exporting, importing or considering either, can attend these free seminars led by international trade experts for an insight into new markets and the opportunities available. The seminars include expert speakers, case studies and presentations from organisations who can support a client's 'doing business overseas' journey.

International Trade Training

Doncaster Chamber offers a range of training options including BCC accredited courses to meet your individual needs in key areas of international trade. We operate scheduled courses, tailored courses and can also arrange in-house training if that works best for you. Our courses include:

- Export Documentation *
- Export Letters of Credit *
- Import Procedures *
- International Documents and Customs Procedures *
- Letters of Credit and Methods of Payment *
- Preference Rules of Origin *
- Inward and Outward Processing *
- Incoterms® 2020
- Understanding Commodity Codes and more

* BCC accredited training

Courses are offered regularly throughout the year, and your membership package will decide the rate of discount you will be offered when you choose to book your place.

Doncaster Chamber also provides training for exporters who wish to take up our electronic document certification service, which helps you complete Certificates of Origin and other certified documents using our online tools.

Additional Export Office Hub Services Discount

Doncaster Chamber works with member partners and Chamber hubs to provide Arab Certificates of Origin, ATA Carnets, Letter of Credit support and other official documents. We are happy to quote and handle these processes on your behalf.

To support professional and accurate communication across borders, we also offer translation services for companies who need commercial documents, marketing materials or communications in a range of international languages.

Discounted logistics services are also available for new international traders who are Chamber members through our other BCC partner DHL.

Chamber Foreign Exchange

Service Provider:
Moneycorp

Foreign exchange and global payments solutions are provided in association with Moneycorp

As part of our ongoing efforts to help members that trade overseas, the British Chambers of Commerce has identified that many small and mid-sized businesses ambitions for growth are being hindered by currency volatility and expensive international payments.

To help you protect your business against adverse rate fluctuations and minimise your international payment costs, we've partnered with specialists Moneycorp.

Join over 350 Chamber members who use Moneycorp

Whether you're importing or exporting, paying overseas suppliers or managing international payroll with Moneycorp, you'll benefit from:

- ✓ **Exclusive exchange rates and discounts:** We will give you access to exchange rates closer to the interbank market.
- ✓ **Expert service and market guidance:** Founded in 1979, Moneycorp dealers will tailor their services to your business and provide a level of service the banks often find too resource intensive.

Our Partner Network

If you're looking for any kind of international trade support, we can support your business directly and put you in touch with the right partners to help you truly take your business global.

British Chambers of Commerce Global Business Network

The Global Business Network is a comprehensive, international network of British Chambers of Commerce and business groups located across the world that will drive two-way commerce and business between each location and the UK.

The network acts as an agile and reliable ecosystem for businesses wishing to widen their international horizons. Each Chamber has a diverse membership of both services and goods companies, willing to share advice and provide trusted connections. This means that a company that is a member of any Chamber in the British Chambers of Commerce network can benefit from international B2B connections, support services and solutions, practical advice about the local business environment and potential market opportunities; all provided by a known and trusted partner.

If your business needs additional or tailored international trade support, we are connected to an excellent network of agencies:

- Department for International Trade (DIT)
- UK Export Finance (UKEF)
- Sheffield City Region (SCR) Growth Hub
- International Trade Forum (ITF)
- Enterprise Europe Network (EEN)
- Local Authority Development Agencies

We believe our exporters are passionate about world markets and our team is dedicated in supporting you to develop them. If international trade development is a key part your business plan, we can help you succeed when it comes to global growth.

To find out more detail about everything we offer to support your international trade goals, contact: 01302 640100, email us at: internationaltrade@doncaster-chamber.co.uk or visit: www.doncaster-chamber.co.uk/international-trade

Showcase your organisation and build your pipeline of future talent

Opportunities Doncaster is the education arm of Doncaster Chamber, with a key remit to bring businesses and education together to raise the awareness and aspirations of our young people. We are passionate about the next generation and want to work with you to build your future workforce.

With your support, we can break down barriers and provide encouragement to students through a range of meaningful interactions to allow them to explore the different careers and pathways available. Our activities help them to gain the soft skills they need to be work-ready for your business and as an

employer, you'll have first-hand experience of inspiring and shaping your future workforce.

Activities include:

- Work Experience and Supported Internships.
- Mock Interview and Assessment Centre Workshops
- Careers Fairs
- Industry Visits
- Employability Skills Workshops.
- Webinars / Classroom Talks / Assemblies
- Enterprise Activities

Throughout the past year, we have engaged with over 30,000 young people, facilitating over 100,000 meaningful encounters between employers and the next generation.

We currently work with nearly 200 businesses and some 40 schools across the borough, we are growing this every year.

In 2019, Opportunities Doncaster co-created The Doncaster Promise with Doncaster Metropolitan Borough Council to confirm a commitment between educators and employees. The Doncaster Promise is an agreement between business and education to support the borough's aim of building a growing, productive and inclusive local economy. The Promise has 5 key objectives:

- Labour and productivity
- Meaningful encounters
- Curriculum for life
- High quality all age careers education, information, advice and guidance
- Facilitative public sector

As a signee of The Doncaster Promise, your business is committing to supporting schools, colleges and young people.

Your business receives support for:

- Working with the education sector
- Developing a diverse workforce, which includes becoming 'SEND-employee ready'
- Mapping career progression pathways for your employees, including advice on starting an apprenticeship scheme
- Accessing and interpreting local labour market information (LMI)
- Liaising with the Advance Programme to develop mature students, graduates and lifelong learners'
- Becoming recognised, promoted and celebrated as a business committed to bettering the prospects of young people in Doncaster

Doncaster Careers Week

Opportunities Doncaster are the creators and custodians of Doncaster Careers Week, a week dedicated to providing careers information, education, advice and guidance, whilst highlighting the multitude of career pathways that exist within Doncaster and the surrounding areas.

Throughout the course of the week, businesses come together with students, their support network and teaching staff to better understand the local labour market and gain insight into their future career prospects. The week sees Opportunities Doncaster host a wide range of activities to engage and bring together the worlds of work and education, providing meaningful employer encounters and celebrating success.

Doncaster Careers Week also features the borough's biggest careers event – Opportunities Doncaster LIVE! 2020's line-up welcomed over 4 000 students and featured over 120 local businesses, facilitating over 70 000 meaningful encounters and changing young people's perceptions, views and lives forever

As an exhibitor, you can provide young people with the opportunity to engage with experienced industry professionals from a variety of roles and give insights in to how they can start their careers. You might even meet your next employee!
