Strengthen collaboration and communicate with ease.

Our extensive line of Quartet® Whiteboards have been created to connect ideas and enhance communication. Bringing people together and ideas to life, discover a whiteboard whose durability and functionality is sensitive to your needs. Select a large interactive board for international collaboration, a multi-functional, magnetic, DuraMax® Porcelain board to withstand high-traffic conference spaces or a personal Total Erase® board that will keep you organized and on task.

Quartet® IdeaShare® Interactive Whiteboards

The difference between communicating and connecting, Quartet® Ideashare® interactive whiteboards are all about freedom. The freedom to focus on generating great ideas instead of copying notes. The freedom to communicate in a way that makes the most of your time and budget. The freedom to expand meetings beyond the walls of your office. And the freedom to include anyone in your brainstorming sessions, whether they're across town or on the other side of the globe. A smart way to communicate, Quartet® Ideashare® interactive whiteboards move your current working environment into the digital world.

Communicate.

Create engaging interactive presentations or brainstorm in real-time by turning your whiteboard into an interactive computer display. Meeting notes are captured accurately, reducing misinterpretations or missed points.

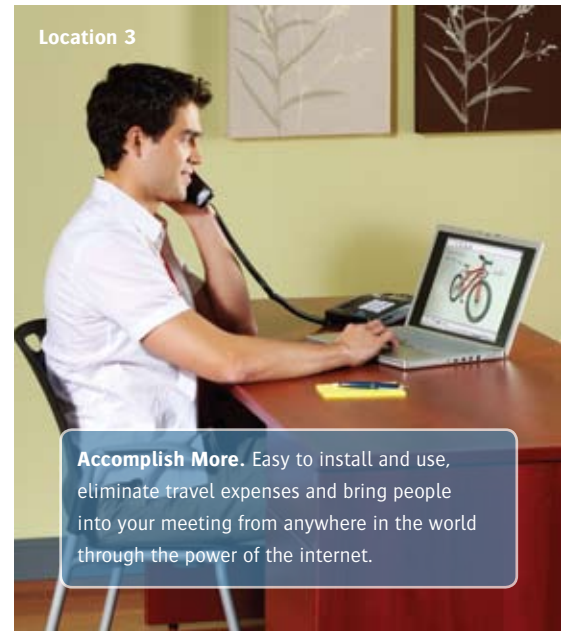

Save Time.

Write or transfer meeting notes instantaneously. Save, print, email or beam information with the touch of a button.

Quartet® iQ™ Whiteboards

When we set out to create the ideal whiteboard, we wanted a design that would blend in perfectly with even the most sophisticated environments, which meant integrating form and function in ways that required thinking outside of the frame. Smart in every sense of the word, the result is the exceptionally sleek and extraordinarily lightweight Quartet® iQ™ Whiteboard.

Clear Communication. Renowned Total Erase® surface allows markers to virtually glide across surface and resists stains and ghosting.

Stylish Design. Focus on what counts - your ideas. Unique, high-tech translucent edge not only disappears in the background for a seamless fit in any dDcor, it also extends the writing surface from edge to edge.

Self-gripping, built-in accessory tray slides off and on iQ's clear edge to easily accommodate both vertical and horizontal installation

TM4929	31" x 46.5"
TM3623	22.5" x 35.5"
TM2316	16" x 22.75"
TM1107	6.5" x 11"

6.5" x 11" iQ board is mounted with hook-and-loop fastener or double-sided tape.

Versatile Installation.

Flexible "Pass-Thru" mounting system allows horizontal and vertical mounting, even on curved walls.

Screws are elegantly masked with four smooth steel-finish caps.

Ultra-lightweight construction lets you hang even the largest-sized board on a cubicle wall with supplied thin metal fabric pins.

Quartet® Premium Conference Room Cabinets

Store everything you need behind closed doors. Contemporary conference rooms require furniture that is both stylish and functional. Available in a variety of rich wood finishes to complement any décor, multi-functional Quartet® Premium Conference Room Cabinets feature writing surfaces for collecting or displaying thoughts and ideas, fabric or cork panels for posting information, a projection screen for videos and slides and a pad retainer for taking notes.

Superior Design. Cabinet doors feature full-length hinges and secure magnetic closures.

Enhanced Communication. Benefit from the hardwearing DuraMax® Porcelain that will not scratch or dent. The premium Total Erase® board allows for superior erasing performance and doubles as a magnetic surface for attaching important documents.
